**HRG Memorandum 13-02**

**To:** **KEHP Human Resource Generalists**

**From:** **Department of Employee Insurance (DEI)**

**Re:** **Compass ChoiceRewards**

**Date:** **February 6, 2013**

The Kentucky Employees' Health Plan is pleased to introduce a new pilot program, Compass ChoiceRewards. This program is a free and voluntary program to a pilot group of KEHP members. The service helps members to learn and shop for medical procedures and tests at various locations while lowering the member's out-of-pocket costs. The plan rewards members with cash incentives for selecting a more cost effective location to have their service done, i.e. Mammogram, CT Scan, MRI.

The KEHP groups for this pilot program are:

- State Agencies
- Legislative Branch
- KCTCS
- KRS Employees

All members of the above groups will receive a welcome packet of pertinent information about the program.

KEHP will review at the end of the year to determine if this is a value added program to roll out to all of KEHP members.

Attached with this memo is a flyer outlining the program in more details along with a FAQ.
