Subject: Deferred Compensation Expos - 2015

Later this year, Kentucky Deferred Compensation will again provide Participant Education Expos for state government and other public employees. These Expos provide employees with detailed information regarding the statutorily authorized savings options available to support their retirement goals.

Kentucky Deferred Compensation provides IRS approved 401(k) and 457 retirement plans, as well as Roth 401(k), Deemed Traditional IRA and Deemed Roth IRA options.

Deferred compensation is one of the most valuable optional benefits provided to state employees, and plays a vital role in filling the retirement gap so many Kentuckians face. Please encourage your employees to explore this retirement income stream which can help meet their long-term financial needs. Two hours of paid time off, plus reasonable travel time, is available to state employees to attend one of the Participant Education Expos noted below. Employees should first coordinate attendance with their supervisor and will be provided a Certificate of Attendance at the Expo they attend, which should be presented to their supervisor upon returning to work.

Date	Location	Site	Time
August 11th	Covington	Northern Kentucky Convention Center	10 am – 3 pm - C.T.
September 15th	Frankfort	Frankfort Convention Center	10 am – 3 pm – E.T.
September 16th	Louisville	Muhammad Ali Museum	10 am – 3 pm – E.T.
October 28th	Hopkinsville	James E. Bruce Convention Center	10 am – 3 pm - E.T.

A series of e-mails and posters will provide state employees additional Expo details in the months ahead. If you have questions or need more information, please contact Kentucky Deferred Compensation at 800.542.2667 or, in Frankfort, 502.573.7925 and ask for Chris Helvey or Claudia Morton. We appreciate your support.
