Bring your questions about planning for your financial needs in retirement and investing for the long term - we'll have answers!

More important Expo details

- No pre-registration is required, so you and your supervisor have flexibility to select the best time for you to attend. Attendance certificates will be provided for you to give to your supervisor upon returning to work.
- It is important for employees to have an opportunity to learn about their state-offered retirement options. Employees will be granted two hours of paid time off (plus reasonable travel time) to attend one Expo.
- All 2010 Expos include at least two 30-minute retirement education workshops.
- Mutual fund representatives, along with staff from Social Security, Kentucky Retirement Systems, and Kentucky Teachers' Retirement System will be on hand at the full-day event in Frankfort.
