## **Are you one of the many seeking relief from seasonal allergies?**

The Personnel Cabinet's Journey to Wellness program and First Onsite Clinic staff are providing a seminar to state employees on how to find relief from seasonal allergies.

Special guest Dr. Chadwick Ahn, an ear, nose, and throat specialist, based in Frankfort will be presenting and taking questions. The event will be held on Thursday, April 29 from 12 p.m. till 1 p.m., at the Transportation Cabinet auditorium on Mero Street.

The First Onsite Clinics can help diagnose and treat allergy symptoms. Click here to view information on the four First Onsite clinic locations in Frankfort
