KECC offers free income tax assistance

The Kentucky Employees' Charitable Campaign partners, along with other community agencies, are supporting **free tax services** through Volunteer Income Tax Assistance (VITA) sites around the Commonwealth. The services are available to individuals and families making less than \$50,000 a year.

Call or visit your [local VITA site](#) today for questions or to schedule an appointment. If your county is not listed, contact your [local United Way](#) or visit the listed location nearest to you.

When visiting your local VITA site, remember to bring all verification documents, including your W2 forms, a valid photo ID, social security cards (including dependents'), a copy of last year's tax return, and bank routing and account numbers for direct deposit.

*VITA sites are just one more way that your
KECC Charities are working for you!*
