

## Kentucky Personnel Cabinet Employee Bulletin

### Nominate a co-worker for the Governor's Ambassador Award

*Deadline August 31*

Despite the budgetary limitations and job demands we are now experiencing, state employees still continue to significantly and positively impact the lives of their co-workers, customers and communities every day.

Please help us recognize and thank the selfless contributions of our fellow employees by sharing their stories with others and nominating them for the 2<sup>nd</sup> annual Governor's Ambassador Award. Nominations can be made in the areas of customer service, courage, leadership, professional achievement, teamwork or community service and volunteerism.

An awards ceremony will be held this fall and all nominees will be invited to attend. The recipients of the award in each category will be announced and each will be honored with a personalized engraved brick placed outside the Kentucky History Center.

Help tell the stories of our employees and encourage, support, acknowledge and reward those who continuously embody the principles of the Kentucky spirit.

The deadline for nominations is August 31, 2010.
