## **Welcome to your new job!**

Beginning a new job can be an opportunity for many things: a career change, new friends, and different experiences. In accordance with 101 KAR 2:095, the Commonwealth of Kentucky has provided you with an opportunity to help your community by donating through the Kentucky Employees Charitable Campaign (KECC) by using payroll deduction. We encourage you to take a moment to look at our virtual brochure at [www.kecc.org](http://www.kecc.org). Then, if you so choose, you can make a gift donation.

State employees are proud of their generous support of KECC. In 2007, we donated more than \$1.5 million dollars to charities within the KECC campaign. We hope you will join your fellow co-workers by making a pledge through payroll deduction. Just complete the enclosed pledge form and return it to your Human Resource Administrator.

We appreciate your support!
