2011 Go Green Expo

Swap used children's toys; donate old or new shoes to the Shoeman Water Project

WHO: Personnel Cabinet and Kentucky Department of Revenue's State Office Building Green Team

Expo features a variety of exhibitors including:
The Kentucky Division of Water
The Kentucky Division for Air Quality
The Frankfort Electric and Water Plant Board
Kentucky Utilities
The Kentucky Division of Waste Management
Bluegrass Pride
Water Watch and Watershed Watch in Kentucky
Kentucky Home Performance
The Frankfort Climate Action Network

WHAT: 2011 Go Green Expo

WHEN: Thursday, April 28 from 9 a.m. to 3 p.m.

WHERE: 501 High Street
State Office Building, First Floor
Frankfort, Ky.

Exhibitors will share information on ways to lessen negative effects on the environment, as well as how to be more energy efficient at work and at home. Visitors can venture into the Green Zone to learn more about reducing, reusing and recycling. Bring one or more children's toys to trade at the toy swap and bring new or used shoes to the [Shoeman Collection Point](#), which turns your unwanted shoes into clean drinking water.
