

Performance Management Competencies

Competencies are observable and identifiable skills, knowledge, abilities, or attributes that directly affect the performance of an employee in their job, demonstrated as behaviors. In essence, competencies help managers evaluate “how” an employee achieves their performance goals and performs their job.

The Performance Management module in MyPURPOSE has two sets of competencies. All employees will be assigned the Core Competencies; supervisors will be assigned the Leadership Competencies.

Competency Type	Competency
Core Competencies	Customer Service
