

Rethink Benefits is a free benefit available to members of the Kentucky Employees' Health Plan (KEHP) that offers families tools and resources to help understand, teach, and communicate better with your child who has a learning, social, or behavioral challenge, or a developmental disability.

You can schedule ongoing tele-consultations with a behavior expert, learn from "how-to" videos and access printable resources.

Enroll today at kehp.rethinkbenefits.com and use enrollment code KEHP.
