

**STATEMENT OF EMERGENCY
101 KAR 2:210E**

- 1) This emergency administrative regulation incorporates by reference the 2024 plan year handbook for the self-insured plan offered through the Public Employee Health Insurance Program, commonly known as the Kentucky Employees' Health Plan. KRS 18A.2254(1) requires the Personnel Cabinet to promulgate an administrative regulation that incorporates the plan year handbook by reference and to file the administrative regulation by September 15 of each year. This emergency administrative regulation is necessary to meet the filing deadline established by state law at KRS 18A.2254(1)(a)3.
- 2) KRS 18A.2254(1)(a) requires the secretary of the Personnel Cabinet to annually promulgate an administrative regulation to incorporate by reference the plan year handbook. The handbook must contain, at a minimum, the premiums, employee contributions, employer contributions, and a summary of benefits, co-pays, coinsurance, and deductibles for each plan provided to public employees covered under the self-insured plan. The 2024 plan year handbook, or Benefits Selection Guide, contains the required and necessary information for public employees to make health insurance coverage decisions during open enrollment in October 2023. This administrative regulation incorporates by reference the 2024 Benefits Selection Guide that will be distributed by the Personnel Cabinet's Department of Employee Insurance to public employees covered under the self-insured plan. An ordinary administrative regulation is not sufficient due to the statutory filing deadlines and handbook distribution requirements.
- 3) This emergency administrative regulation will be replaced by an ordinary administrative regulation.
- 4) The ordinary administrative regulation is not identical to this emergency administrative regulation. This emergency administrative regulation will be in effect for part of the current 2023 plan year. The existing language in the Benefits Selection Guide for the 2023 plan year should remain until such time as the ordinary administrative regulation incorporating the Benefits Selection Guide for plan year 2024 replaces this emergency administrative regulation.
