

## WORKPLACE DISCOUNT PROGRAM

### Exclusive savings on auto insurance just for you

Did you know that as an employee of the Commonwealth of Kentucky you are eligible for special savings on auto insurance through Safeco Insurance® in addition to discounts that Safeco® already offers?\*

I'd like the opportunity to show you how much money you could save, and how Safeco's auto insurance can provide you with superior protection and convenience.

Your auto insurance policy could be needlessly expensive or out of date. And there's a very good chance we can help you save money and improve your coverage at the same time. In fact, by switching to Safeco, new customers lower their auto premiums by an average of \$363\*\* per year.

As a local independent agent representing Safeco Insurance and other major, competitively priced insurers, I've helped many customers find the right coverage and value to meet their needs.

Contact me today for a quote with no obligation to purchase, and I can walk you through your auto insurance options and determine if you're getting the right coverage at the best value. I look forward to hearing from you and showing you how Reisert Insurance can help you get outstanding protection and savings.

Sincerely,

### Bill Reisert
