## HEALTH RESOURCES

---

Health Resources is a comprehensive set of clinical programs and services available to help *covered persons* better understand their health care benefits and how to use them, navigate the health care system when they need it, understand treatment options and choices, reduce their costs and enhance the quality of life.

Each Health Resources program is tailored to meet different health care needs, from those that want to stay well when they are healthy, to those that are at risk for an illness, to those who are at chronic or acute stages of illness. Health Resources offer a wide range of assistance including online educational tools, interventions, health assessments and personal discussions with registered nurses.

Below is a brief description of this *Plan's* Health Resources programs. For additional information or questions regarding any of these programs, please contact the customer service telephone number on the back of *your* ID card.

### **MYHUMANA**

*MyHumana* is a personal, password-protected home page that provides information and tools to help *covered persons* make informed decisions. Log in to *MyHumana*, at [www.humana.com](http://www.humana.com), anytime to find a *participating provider*, look up benefits or check the status of a *claim*. You can also find shop-and-compare tools to help you choose *hospitals* and doctors, a health encyclopedia, information on specific health conditions, financial tools to help with budgeting for health care and more.

### **HUMANA HEALTH ASSESSMENT**

The Health Assessment is a confidential, online lifestyle questionnaire located at *MyHumana* (accessible at [www.humana.com](http://www.humana.com)). Upon completion of the assessment, you will receive a customized health report that identifies health risks and provides steps you can take to gain more control of *your* health. Responses may also result in a referral to another Health Resources program.

### **TRANSPLANT MANAGEMENT**

The Transplant Management team provides hands-on support to *covered persons* in need of organ and tissue transplants. They guide *covered persons* to Humana's National Transplant Network (NTN), designed to control costs and deliver a superior transplant experience. They review coverage, coordinate benefits, facilitate services and follow the transplant recipient's progress from initial referral through treatment and recovery.

### **TRANSITION OF CARE**

Changing health care plans can be stressful, especially for those who are going through intense medical treatment, such as chemotherapy. Humana understands this and does not want to hinder progress or interfere with the doctor-patient relationship. The transition of care process helps *covered persons* make a smooth transition to Humana from their current health care plan with the least amount of disruption to their care.

## **HUMANAFIRST®**

The HumanaFirst® Nurse Advice Line is a toll-free, 24-hour medical information line, staffed by Registered Nurses who are available to answer *your* health-related questions and help *you* decide where to best seek treatment. HumanaFirst® helps *you* in two ways:

**Immediate Medical Concerns:** Registered nurses can be of service when *you* are thinking about taking *your* child to the *hospital* for a fever in the middle of the night or deciding if a reaction to a new medication is normal. They can also help with “how-to” questions, like how to change a bandage or how to prepare for lab tests.

**Health Planning and Support:** When planning a future medical procedure, Registered Nurses offer guidance in understanding *your* options, choosing *providers* and using *your* health benefits wisely. When additional clinical support is needed, these nurses will connect *you* with specialty programs to address *your* unique needs.

## **INFORMED CARE MANAGEMENT**

The *Informed Care Management Program* is a **confidential service** to assist *you* in managing *your* or *your* covered *dependent's* health condition. The goal is to help *you* by having a **Personal Nurse** provide education and information to assist *you* in working with *your* practitioner. The nurse will work with *you* to identify warning signs and risks, as well as, work with *you* to establish health goals. *You* may be contacted by *ActiveHealth* Management to participate in this confidential program or *you* may call *ActiveHealth* to enroll at 877-597-7474.

This *Plan's* disease management programs include:

- **Asthma:** This program provides participants with education to help them better understand their disease and to take a more active role in controlling it. The program helps participants adhere to the treatment plan prescribed by their physician, helps them increase their self-monitoring skills and promotes compliance with controller medications.
- **Cancer (active treatment only):** The cancer management program offers support and educational services to adults with cancer who have begun or are planning to undergo *surgery*, chemotherapy, radiation therapy or biological therapy, those that have a history of cancer that has recurred and those that have declined further therapy but require supportive management. The program's oncology care managers have an average of 10 years of professional experience in understanding cancer, its symptoms, side effects and treatments.
- **Chronic Kidney Disease (CKD):** The CKD program focuses on high quality care and education on available treatment options, prevention and management of associated complications and the progression of renal disease. Health Service Coordinators, field-based, experienced nephrology nurses, guide participants through a 5-step process during the course of their treatment that includes a personal assessment of the patient's needs, a care plan developed with the patient's doctor, a nephrology referral, if necessary, a collection of clinical indicators and quarterly reports of outcomes.

## **RADCONSULT**

RadConsult is a service that offers convenient scheduling of imaging procedures (CT, CTA, MRI, MRA and PET scans). RadConsult is designed to help avoid issues such as inappropriate or unnecessary imaging studies that are costly and inconvenient to the patient, by educating ordering physicians on imaging procedures and best practice guidelines before the procedure is scheduled. Physicians may now call Humana to initiate the consultation and schedule any imaging procedure for a Humana *member*.

## **CAREENGINE<sup>SM</sup> SERVICE**

The CareEngine<sup>SM</sup> Service provided through ActiveHealth Management, Inc., combines a clinical search engine with expert medical opinions to uncover and address potential medical errors and instances of sub-optimal medical treatment.

The CareEngine<sup>SM</sup> applies a wide range (over 1,500 categories) of clinical rules to patient pharmacy, laboratory and claims data to identify patients at risk of highly specific patient-centric problems, such as misdiagnoses, flawed surgical treatment or medical management and lack of follow-up care or preventive treatment. It also identifies a variety of pharmacy issues such as drug-to-drug interactions, drug-to-disease interactions, and drug-to-metabolic interactions.

The CareEngine<sup>SM</sup> clinical rules address both "high-impact" clinical issues and wellness/prevention issues. Wellness/prevention issues include recommended health screenings such as mammograms, osteoporosis screening in women over age 65, scans, blood lead screening in young children, diabetic eye exams, immunizations, etc. The CareEngine<sup>SM</sup> Service then generates patient-specific care improvement recommendations, reflecting the latest evidence-based standards of clinical excellence, which are then communicated to treating physicians in time to effect significant improvements in clinical outcomes.

## **TELEPHONIC HEALTH COACHING AND WEB PROGRAM**

*Covered persons* can elect to receive a series of telephone calls from *behavioral health* specialists, health educator coaches or registered nurses regarding six main wellness topics including: physical activity, nutrition, stress management, weight management, back care and tobacco cessation. *Covered persons* can also reach out to their "coach" as often as needed.

## PRECERTIFICATION

---

There are certain *services* that may require *precertification*. Please contact your *qualified practitioner* or Humana before *services* are performed. It is recommended that *you* call the toll-free customer service phone number on the back of *your* ID card as soon as possible to receive proper *precertification*.

### PREDETERMINATION OF BENEFITS

*You* or *your qualified practitioner* may submit a written request for a *predetermination of benefits*. The written request should contain the treatment plan, specific diagnostic and procedure codes, as well as the expected charges. Humana will provide a written response advising if the *services* are a *covered* or *non-covered expense* under this *Plan*, what the applicable *Plan* benefits are and if the expected charges are within the *maximum allowable fee*. The *predetermination of benefits* is not a guarantee of benefits. *Services* will be subject to all terms and provisions of this *Plan* applicable at the time treatment is provided.

If treatment is to commence more than 90 days after the date treatment is authorized, Humana will require *you* to submit another treatment plan.

## **SECTION 2**

# **MEDICAL BENEFITS**

---

## UNDERSTANDING YOUR COVERAGE

---

### PARTICIPATING AND NON-PARTICIPATING PROVIDERS

This *Plan* has two (2) levels of benefits – *participating provider (PAR provider)* benefits and *non-participating provider (Non-PAR provider)* benefits, payable as shown in the Schedule of Benefits section. *You* may select any *provider* to provide *your* medical care.

In most cases, if *you* receive *services* from a *PAR provider*, this *Plan* will pay a higher percentage of benefits and *you* will have lower out-of-pocket costs. *You* are responsible for any applicable *deductibles*, *coinsurance* amounts and/or *copayments*.

If *you* receive *services* from a *Non-PAR provider*, this *Plan* will pay benefits at a lower percentage and *you* will pay a larger share of the costs. Since *Non-PAR providers* do not have contractual arrangements with Humana to accept discounted or negotiated fees, they may bill *you* for charges in excess of the *maximum allowable fee*. *You* are responsible for charges in excess of the *maximum allowable fee* in addition to any applicable *deductibles*, *coinsurance* amounts and/or *copayments*. Any amount *you* pay to the *provider* in excess of *your coinsurance* or *copayment* will not apply to *your out-of-pocket limit* or *deductible*.

Not all *qualified practitioners* including pathologists, radiologists, anesthesiologists, and emergency room physicians who provide *services* at *PAR hospitals* are *PAR qualified practitioners*. If *services* are provided to *you* by such facility based *Non-PAR qualified practitioners* at a *PAR hospital*, this *Plan* will pay for those *services* at the *PAR provider* benefit percentage. Facility based *Non-PAR qualified practitioners* may require payment from *you* for any amount not paid by this *Plan*. If possible, *you* may want to verify whether *services* are available from a *PAR qualified practitioner*.

In the event that a specific medical *service* cannot be provided by or through a *PAR provider*, a *covered person* is entitled to coverage for *medically necessary covered expenses* obtained through a *Non-PAR provider* when approved by this *Plan* on a case by case basis.

### PAR PROVIDER DIRECTORY

DEI will automatically provide, without charge, information to *you* about how *you* can access a directory of *PAR providers* appropriate to *your* service area. An online directory of *PAR providers* is available to *you* and accessible via Humana's website at [www.humana.com](http://www.humana.com). This directory is subject to change. Due to the possibility of *PAR providers* changing status, please check the online directory of *PAR providers* prior to obtaining *services*. If *you* do not have access to the online directory, contact Humana at the customer service number on the back of *your* identification (ID) card prior to *services* being rendered or to request a directory.

### COVERED AND NON-COVERED EXPENSES

Benefits are payable only if *services* are considered to be a *covered expense* and are subject to the specific conditions, limitations and applicable maximums of this *Plan*. The benefit payable for *covered expenses* will not exceed the *maximum allowable fee(s)*.

A *covered expense* is deemed to be incurred on the date a covered *service* is received. The bill submitted by the *provider*, if any, will determine which benefit provision is applicable for payment of *covered expenses*.

---

## UNDERSTANDING YOUR COVERAGE (continued)

---

If you incur non-covered expenses, whether from a *PAR provider* or a *Non-PAR provider*, you are responsible for making the full payment to the *provider*. The fact that a *provider* has performed or prescribed a medically appropriate procedure, treatment, or supply, or the fact that it may be the only available treatment for a *bodily injury* or *sickness*, does not mean that the procedure, treatment or supply is covered under this *Plan*.

Please refer to the "Schedule of Benefits", "Medical Covered Expenses" and the "Limitations and Exclusions" sections of this *Summary Plan Description* for more information about *covered expenses* and *non-covered expenses*.

### **PARTICIPATING PROVIDER BENEFIT ALLOWANCE**

This Plan contains a Participating Provider Benefit Allowance (PAR Benefit Allowance). This allowance applies to the first \$500 of *covered expenses* for *medically necessary services* (excluding pharmacy services) received from *participating providers* per *covered person* per *calendar year*. Benefits provided under this allowance are not subject to the annual *deductibles* shown on the Schedule of Benefits and are payable at 100% after any applicable *copayments* or *coinsurance*. The PAR Benefit Allowance does not apply to *non-participating providers*, *copayments*, *prescription drug* benefits, or routine care benefits.

*Covered expenses* for *medically necessary services* received from *PAR providers* provided under this allowance do not accumulate towards the Plan *out-of-pocket limits*.

Once the total amount of *covered expenses* for *medically necessary services* received from *participating providers* exceeds the above stated allowance, any additional *covered expenses* for *medically necessary services* from *participating providers* will be subject to the annual *deductibles* and payable at the benefit levels shown in the Schedule of Benefits. Any unused amount of the PAR Benefit allowance does not carry over into the next *calendar year*.

## SCHEDULE OF BENEFITS

### IMPORTANT INFORMATION ABOUT PLAN BENEFITS

### HOW BENEFITS PAY

This *Plan* requires you to satisfy a *deductible(s)* before this *Plan* begins to share the cost of most medical *services*. A *deductible* is required to be met before benefits are payable under this *Plan*, when it is satisfied, this *Plan* will share the cost of *covered expenses* at the *coinsurance* percentage until you have reached any applicable *out-of-pocket limit*. After you have met the *out-of-pocket limit*, if any, this *Plan* will pay *covered expenses* at 100% for the rest of the *calendar year*, subject to the *maximum allowable fee(s)*, any *maximum benefits* and all other terms, provisions, limitations and exclusions of this *Plan*. Any applicable *deductible*, *coinsurance* and *out-of-pocket* amounts, medical *services* and medical *service* limits are stated on the Schedule of Benefits.

### DEDUCTIBLE

A *deductible* is a specified dollar amount that must be satisfied, either individually or combined as a covered family, per *calendar year* before this *Plan* pays benefits for certain specified *services*. Only charges which qualify as a *covered expense* may be used to satisfy the *deductible*. *Copayments* do not apply toward the *deductible*. *Copayments* will continue to be the responsibility of the *covered person*. The individual and family *deductible* amounts are stated on the Schedule of Benefits.

The individual *deductible* applies to each *covered person* each *calendar year* up to the family maximum. Once a *covered person* meets their individual *deductible*, this *Plan* will begin to pay benefits for that *covered person*.

The total *deductible* applied to all *covered persons* in one family in a *calendar year*. No one individual is required to meet the total family *deductible*. Once you and/or your covered *dependents* meet the family *deductible*, any remaining *deductible* for a *covered person* in the family will be waived for that year. This *Plan* will begin to pay benefits for all *covered persons* in the family.

If you have more than one family member covered under your plan, one family member may satisfy the individual \$500 *deductible* and the remaining \$1,000 family *deductible* may be met by any combination of the remaining family member's *claims* up to the \$1,500 family *deductible* maximum. Here are the *deductible* rules:

- No single family member will pay more than \$500 in *deductible*;
- No single family member can contribute more than \$500 to the family *deductible* maximum; and
- Of the \$1,500 family maximum *deductible*, \$500 can be met by a family member and the remaining \$1,000 can be met by a combination of additional family members; or
- All family members' *services* can be combined and applied to meet the family \$1,500 *deductible*.
- If only two family *members* are covered under this *Plan* (*employee* and spouse or *employee* and one child), each covered *member* will have a \$500 *deductible*. You will not have to satisfy the family *deductible*.

If you and/or your covered *dependents* use a combination of *PAR* and *Non-PAR providers*, the *PAR* and *Non-PAR deductibles* will reduce each other.

If you or your covered dependents use a *Non-PAR provider*, the *Plan Manager's* reimbursement will be payable on a *maximum allowable fee* basis. Any amounts above the *maximum allowable fee* will be the *member's* responsibility and will NOT apply to the *out-of-pocket limit*.

### OUT-OF-POCKET LIMIT

An *out-of-pocket limit* is a specified dollar amount that must be satisfied, either individually or combined as a covered family, per *calendar year* before a benefit percentage will be increased. The individual and family *out-of-pocket limits* are stated on the Schedule of Benefits.

Once a *covered person* satisfies the individual *out-of-pocket limits*, which includes the *deductible*, this *Plan* will pay 100% of *covered expenses* for the remainder of the *calendar year* for that *covered person*, unless specifically indicated, subject to any *calendar year* maximums of this *Plan*.

Once you and/or your covered dependents satisfy the family *out-of-pocket limits*, which includes the *deductible*, this *Plan* will pay 100% of *covered expenses* for the remainder of the *calendar year* for the family, unless specifically indicated, subject to any *calendar year* maximums of this *Plan*. *Copayments* will continue to be the responsibility of the *covered person*.

If only two family members are covered under this *Plan* (*employee* and spouse or *employee* and one child), each covered *member* will satisfy the individual *out-of-pocket limit*. You will not have to satisfy the family *out-of-pocket limit*.

If you and/or your covered dependents use a combination of *PAR* and *Non-PAR providers*, the *PAR* and *Non-PAR out-of-pocket limits* will reduce each other.

Such cells may be derived from bone marrow, circulating blood, or a combination of bone marrow and circulating blood obtained from the patient in an autologous transplant or from a matched related or unrelated donor or cord blood. For approval of the transplant itself, Humana must be given a reasonable opportunity to review the clinical results of the evaluation before rendering a determination.

### **BENEFITS SUBJECT TO THIS PROVISION**

Benefits described in this *Plan* are coordinated with benefits provided by other plans under which *you* are also covered. This is to prevent duplication of coverage and a resulting increase in the cost of medical coverage.

For this purpose, a plan is one which covers medical or dental expenses and provides benefits or *services* by group, franchise or blanket insurance coverage. This includes group-type contracts not available to the general public, obtained and maintained only because of the *covered person's* membership in, or connection with, a particular organization or group, whether or not designated as franchise, blanket, or in some other fashion. Plan also includes any coverage provided through the following:

1. Employer, trustee, union, employee benefit, or other association; or
2. Governmental programs, programs mandated by state statute, or sponsored or provided by an educational institution.

This Coordination of Benefits provision does not apply to any individual policies or Blanket Student Accident Insurance provided by, or through, an educational institution. Allowable expense means any *eligible expense*, a portion of which is covered under one of the plans covering the person for whom *claim* is made. Each plan will determine what is an allowable expense according to the provisions of the respective plan. When a plan provides benefits in the form of *services* rather than cash payments, the reasonable cash value of each *service* rendered will be deemed to be both an allowable expense and a benefit paid.

### **EFFECT ON BENEFITS**

One of the plans involved will pay benefits first. This is called the primary plan. All other plans are called secondary plans.

When this *Plan* is the secondary plan, the sum of the benefit payable will not exceed 100% of the total allowable expenses incurred under this *Plan* and any other plans included under this provision.

### **ORDER OF BENEFIT DETERMINATION**

In order to pay *claims*, it must be determined which plan is primary and which plan(s) are secondary. A plan will pay benefits first if it meets one of the following conditions:

1. The plan has no coordination of benefits provision;
2. The plan covers the person as an *employee*;
3. For a child who is covered under both parents' plans, the plan covering the parent whose birthday (month and day) occurs first in the *calendar year* pays before the plan covering the other parent. If the birthdates of both parents are the same, the plan which has covered the person for the longer period of time will be determined the primary plan;

If a plan other than this *Plan* does not include provision 3, then the gender rule will be followed to determine which plan is primary.

---

## COORDINATION OF BENEFITS (continued)

---

4. In the case of *dependent* children covered under the plans of divorced or separated parents, the following rules apply:
  - a. The plan of a parent who has custody will pay the benefits first;
  - b. The plan of a step-parent who has custody will pay benefits next;
  - c. The plan of a parent who does not have custody will pay benefits next;
  - d. The plan of a step-parent who does not have custody will pay benefits next.

There may be a court decree which gives one parent financial responsibility for the medical or dental expenses of the *dependent* children. If there is a court decree, the rules stated above will not apply if they conflict with the court decree. Instead, the plan of the parent with financial responsibility will pay benefits first.

5. If a person is laid off or is retired or is a *dependent* of such person, that plan covers after the plan covering such person as an active *employee* or *dependent* of such *employee*. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule will be ignored.

If the above rules do not apply or cannot be determined, then the plan that covered the person for the longest period of time will pay first.

### COORDINATION OF BENEFITS WITH MEDICARE

In all cases, Coordination of Benefits with *Medicare* will conform to Federal Statutes and Regulations. In the case of *Medicare* each individual who is eligible for *Medicare* will be assumed to have full *Medicare* coverage (i.e. Part A hospital insurance and Part B voluntary medical insurance) whether or not the individual has enrolled for full coverage. *Your* benefits under the *Plan* will be coordinated to the extent benefits would otherwise have been paid under *Medicare* as allowed by Federal Statutes and Regulations.

### RIGHT OF RECOVERY

This *Plan* reserves the right to recover benefit payments made for an allowable expense under this *Plan* in the amount which exceeds the maximum amount this *Plan* is required to pay under these provisions. This right of recovery applies to this *Plan* against:

1. Any person(s) to, for or with respect to whom, such payments were made; or
2. Any other insurance companies, or organizations which according to these provisions, owe benefits due for the same allowable expense under any other plan.

This *Plan* alone will determine against whom this right of recovery will be exercised.

---

## CLAIM PROCEDURES

---

### SUBMITTING A CLAIM

This section describes what a *covered person* (or his or her authorized representative) must do to file a *claim* for *Plan* benefits.

- A *claim* must be filed with Humana in writing and delivered to Humana by mail, postage prepaid, or by e-mail. However, a submission to obtain pre-authorization may also be filed with Humana by telephone;
- *Claims* must be submitted to Humana at the address indicated in the documents describing this *Plan* or *claimant's* identification card. *Claims* will not be deemed submitted for purposes of these procedures unless and until received at the correct address;
- Also, *claims* submissions must be in a format acceptable to Humana and compliant with any applicable legal requirements. *Claims* that are not submitted in accordance with the requirements of applicable federal law respecting privacy of *protected health information* and/or electronic *claims* standards will not be accepted by this *Plan*;
- *Claims* submissions must be timely. *Claims* must be filed as soon as reasonably possible after they are incurred, and in no event later than 15 months after the date of loss, except if *you* were legally incapacitated. *Plan* benefits are only available for *claims* that are incurred by a *covered person* during the period that he or she is covered under this *Plan*;
- *Claims* submissions must be complete. They must contain, at a minimum:
  - a. The name of the *covered person* who incurred the *covered expense*;
  - b. The name and address of the health care *provider*;
  - c. The diagnosis of the condition;
  - d. The procedure or nature of the treatment;
  - e. The date of and place where the procedure or treatment has been or will be provided;
  - f. The amount billed and the amount of the *covered expense* not paid through coverage other than *Plan* coverage, as appropriate;
  - g. Evidence that substantiates the nature, amount, and timeliness of each *covered expense* in a format that is acceptable according to industry standards and in compliance with applicable law.

A general request for an interpretation of *Plan* provisions will not be considered to be a *claim*. Requests of this type, such as a request for an interpretation of the eligibility provisions of this *Plan*, should be directed to the *Plan Administrator*.

Mail medical *claims* and correspondence to:

Humana Claims Office  
P.O. Box 14610  
Lexington, KY 40512-4610

## **MISCELLANEOUS MEDICAL CHARGES**

If *you* accumulate bills for medical items *you* purchase or rent *yourself*, send them to Humana at least once every three months during the year (quarterly). The receipts must include the patient name, name of the item, date item was purchased or rented and name of the *provider of service*.

## **PROCEDURAL DEFECTS**

If a *pre-service claim* submission is not made in accordance with this *Plan's* procedural requirements, Humana will notify the *claimant* of the procedural deficiency and how it may be cured no later than within five (5) days (or within 24 hours, in the case of an *urgent care claim*) following the failure. A *post-service claim* that is not submitted in accordance with these *claims* procedures will be returned to the submitter.

## **ASSIGNMENTS AND REPRESENTATIVES**

A *covered person* may assign his or her right to receive *Plan* benefits to a health care *provider* only with the consent of Humana, in its sole discretion, except as may be required by applicable law. Assignments must be in writing. If a document is not sufficient to constitute an assignment, as determined by Humana, then this *Plan* will not consider an assignment to have been made. An assignment is not binding on this *Plan* until Humana receives and acknowledges in writing the original or copy of the assignment before payment of the benefit.

If benefits are assigned in accordance with the foregoing paragraph and a health care *provider* submits *claims* on behalf of a *covered person*, benefits will be paid to that health care *provider*.

In addition, a *covered person* may designate an authorized representative to act on his or her behalf in pursuing a benefit *claim* or appeal. The designation must be explicitly stated in writing and it must authorize disclosure of *protected health information* with respect to the *claim* by this *Plan*, Humana and the authorized representative to one another. If a document is not sufficient to constitute a designation of an authorized representative, as determined by Humana, then this *Plan* will not consider a designation to have been made. An assignment of benefits does not constitute designation of an authorized representative.

- Any document designating an authorized representative must be submitted to Humana in advance, or at the time an authorized representative commences a course of action on behalf of a *claimant*. At the same time, the authorized representative should also provide notice of commencement of the action on behalf of the *claimant* to the *claimant*, which Humana may verify with the *claimant* prior to recognizing the authorized representative status.
- In any event, a health care *provider* with knowledge of a *claimant's* medical condition acting in connection with an *urgent care claim* will be recognized by this *Plan* as the *claimant's* authorized representative.

*Covered persons* should carefully consider whether to designate an authorized representative. An authorized representative may make decisions independent of the *covered person*, such as whether and how to appeal a *claim* denial.

## **CLAIMS DECISIONS**

After submission of a *claim* by a *claimant*, Humana will notify the *claimant* within a reasonable time, as follows:

### **Pre-Service Claims**

Humana will notify the *claimant* of a favorable or *adverse determination* within a reasonable time appropriate to the medical circumstances, but no later than 15 days after receipt of the *claim* by this *Plan*.

However, this period may be extended by an additional 15 days, if Humana determines that the extension is necessary due to matters beyond the control of this *Plan*. Humana will notify the affected *claimant* of the extension before the end of the initial 15-day period, the circumstances requiring the extension, and the date by which this *Plan* expects to make a decision.

If the reason for the extension is because of the *claimant's* failure to submit information necessary to decide the *claim*, the notice of extension will describe the required information. The *claimant* will have at least 45 days from the date the notice is received to provide the specified information.

### **Urgent Care Claims**

Humana will determine whether a *claim* is an *urgent care claim*. This determination will be made on the basis of information furnished by or on behalf of a *claimant*. In making this determination, Humana will exercise its judgment, with deference to the judgment of a physician with knowledge of the *claimant's* condition. Accordingly, Humana may require a *claimant* to clarify the medical urgency and circumstances that support the *urgent care claim* for expedited decision-making.

Humana will notify the *claimant* of a favorable or *adverse determination* as soon as possible, taking into account the medical urgency particular to the *claimant's* situation, but not later than 72 hours after receipt of the *urgent care claim* by this *Plan*.

However, if a *claim* is submitted that does not provide sufficient information to determine whether, or to what extent, expenses are covered or payable under this *Plan*, notice will be provided by Humana as soon as possible, but not more than 24 hours after receipt of the *urgent care claim* by this *Plan*. The notice will describe the specific information necessary to complete the *claim*.

- The *claimant* will have a reasonable amount of time, taking into account his or her circumstances, to provide the necessary information but not less than 48 hours.
- Humana will notify the *claimant* of this *Plan's urgent care claim* determination as soon as possible, but in no event more than 48 hours after the earlier of:
  1. This *Plan's* receipt of the specified information; or
  2. The end of the period afforded the *claimant* to provide the specified additional information.

---

## CLAIM PROCEDURES (continued)

---

### Concurrent Care Decisions

Humana will notify a *claimant* of a *concurrent care decision* that involves a reduction in or termination of benefits that have been pre-authorized. Humana will provide the notice sufficiently in advance of the reduction or termination to allow the *claimant* to appeal and obtain a determination on review of the *adverse determination* before the benefit is reduced or terminated.

A request by a *claimant* to extend a course of treatment beyond the period of time or number of treatments that is a *claim* involving *urgent care* will be decided by Humana as soon as possible, taking into account the medical urgency. Humana will notify a *claimant* of the benefit determination, whether adverse or not within 24 hours after receipt of the *claim* by this *Plan*, provided that the *claim* is submitted to this *Plan* at least 24 hours prior to the expiration of the prescribed period of time or number of treatments.

### Post-Service Claims

Humana will notify the *claimant* of a favorable or *adverse determination* within a reasonable time, but not later than 30 days after receipt of the *claim* by this *Plan*.

However, this period may be extended by an additional 15 days if Humana determines that the extension is necessary due to matters beyond the control of this *Plan*. Humana will notify the affected *claimant* of the extension before the end of the initial 30-day period, the circumstances requiring the extension, and the date by which this *Plan* expects to make a decision.

If the reason for the extension is because of the *claimant's* failure to submit information necessary to decide the *claim*, the notice of extension will describe the required information. The *claimant* will have at least 45 days from the date the notice is received to provide the specified information. Humana will make a decision no later than 15 days after the earlier of the date on which the information provided by the *claimant* is received by this *Plan* or the expiration of the time allowed for submission of the additional information.

## TIMES FOR DECISIONS

The periods of time for *claims* decisions presented above begin when a *claim* is received by this *Plan*, in accordance with these *claims* procedures.

## PAYMENT OF CLAIMS

Many health care *providers* will request an assignment of benefits as a matter of convenience to both *provider* and patient. Also as a matter of convenience, Humana will, in its sole discretion, assume that an assignment of benefits has been made to certain Network *Providers*. In those instances, Humana will make direct payment to the *hospital*, clinic or physician's office, unless Humana is advised in writing that *you* have already paid the bill. If *you* have paid the bill, please indicate on the original statement, "paid by *employee*," and send it directly to Humana. *You* will receive a written explanation of an *adverse determination*. Humana reserves the right to request any information required to determine benefits or process a *claim*. *You* or the *provider* of *services* will be contacted if additional information is needed to process *your claim*.

---

## CLAIM PROCEDURES (continued)

---

When an *employee's* child is subject to a medical child support order, Humana will make reimbursement of *eligible expenses* paid by *you*, the child, the child's non-employee custodial parent, or legal guardian, to that child or the child's custodial parent, or legal guardian, or as provided in the medical child support order.

Payment of benefits under this *Plan* will be made in accordance with an assignment of rights for *you* and *your dependents* as required under state Medicaid law.

Benefits payable on behalf of *you* or *your* covered *dependent* after death will be paid, at this *Plan's* option, to any *family member(s)* or *your* estate.

Humana will rely upon an affidavit to determine benefit payment, unless it receives written notice of valid *claim* before payment is made. The affidavit will release this *Plan* from further liability.

Any payment made by Humana in good faith will fully discharge it to the extent of such payment.

Payments due under this *Plan* will be paid upon receipt of written proof of loss.

### INITIAL DENIAL NOTICES

Notice of a *claim* denial (including a partial denial) will be provided to *claimants* by mail, postage prepaid, or by e-mail, as appropriate, within the time frames noted above.

However, notices of adverse decisions involving *urgent care claims* may be provided to a *claimant* orally within the time frames noted above for expedited *urgent care claim* decisions. If oral notice is given, written notification will be provided to the *claimant* no later than 3 days after the oral notification.

A *claims* denial notice will state the specific reason or reasons for the *adverse determination*, the specific *Plan* provisions on which the determination is based, and a description of this *Plan's* review procedures and associated timeline. The notice will also include a description of any additional material or information necessary for the *claimant* to perfect the *claim* and an explanation of why such material or information is necessary.

The notice will describe this *Plan's* review procedures and the time limits applicable to such procedures.

The notice will also disclose any internal *Plan* rule, protocol or similar criterion that was relied on to deny the *claim*. A copy of the rule, protocol or similar criterion relied upon will be provided to a *claimant* free of charge upon request.

If the *adverse determination* is based on *medical necessity*, *experimental*, *investigational* or for *research purposes*, or similar exclusion or limit, the notice will provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of this *Plan* to the *claimant's* medical circumstances, or a statement that such explanation will be provided free of charge upon request.

In the case of an adverse decision of an *urgent care claim*, the notice will provide a description of this *Plan's* expedited review procedures applicable to such *claims*.

## **APPEALS / GRIEVANCES**

If *your* medical *claims* have been denied, *you* have the right to file an appeal or grievance to Humana. The following section outlines *your* rights to file an appeal.

1. **Adverse Determination** – procedures performed or proposed to a *covered person* are not deemed *medically necessary*, by the insurer, or are *experimental* or *investigational services* and would result in coverage being denied, reduced or terminated. An *adverse determination* does not mean a determination that the health care services are limited or excluded by the plan, unless *medical necessity* is a result of the limitations or exclusions.
2. **Coverage Denial** – *services*, treatments, or devices that are specifically limited or excluded under the *covered person's* plan.

### ***Who Should Perform the Appeal?***

**Adverse Determination** – Humana will handle the Internal Appeal Process for *Adverse Determinations* in accordance with KRS 304.17A-600 through 633.

**Coverage Denial** – Humana will handle the Internal Appeal Process for *Coverage Denials* in accordance with KRS 304.17A-600 through 633.

### ***How to File an Internal Appeal – Adverse Determination or Coverage Denial***

To appeal a denial of a *hospital, physician* or other *provider's services*, the *member*, authorized person or *provider* should file an appeal to:

Humana Grievance and Appeals  
P.O. Box 14546  
Lexington, KY 40512-4546

**Initial Complaint** – a *member* should always contact Humana's Customer Service Department first (the number is located on the back of the ID card). Many problems can be resolved the same day. If not, the *member* services representative will investigate and contact the *member* with their findings and any action taken to resolve the complaint. If a *member's* complaint is related to a denial of coverage or other decision by the Humana, the *member* may file an appeal.

### ***Internal Appeal***

If the complaint is not resolved to the satisfaction of the *member*, on the initial complaint to the Humana's Customer Service Department, the *employee* may request an internal appeal. A request for an internal appeal must be submitted in writing within one hundred eighty (180) days of receipt of a denial letter. The letter should be sent to the address listed above and should include at a minimum the following information:

- *Member's* name and patient's name.
- The *member's* Kentucky Employees Health Plan Identification Number (found on the *member's* health insurance card).
- The *member's* address and daytime phone number.

---

## CLAIM PROCEDURES (continued)

---

- The initial denial letter.
- The *service* being denied. Include all facts and issues related to the denial, including the names of *providers* involved and medical records.

**Note:** A *physician* who did not participate in the initial review and denial will review the internal appeal. If the Denial is for an *Adverse Determination* and the *service* requires a medical or surgical specialty, *you* may request a review by a board eligible or certified *physician* from the appropriate specialty.

Humana will notify the *member* of the internal appeal decision within thirty (30) calendar days of receipt of the internal appeal request.

### **Expedited Appeal**

An expedited appeal is deemed necessary when a *covered person* is hospitalized or, in the opinion of the treating *provider*, review under the normal timeframe could, in the absence of immediate treatment result in any of the following:

- Placing the health of the *covered person* or, with respect to a pregnant woman, the health of the *covered person* or the unborn child in serious jeopardy;
- Serious impairment of bodily functions; or
- Serious dysfunction of a bodily organ or part.

Humana shall render a decision within three (3) business days of receipt of the request for an expedited appeal. The expedited appeal may be requested orally with a follow-up letter.

At anytime during the internal appeal, additional pertinent information may be submitted for consideration.

### ***How to file an External Appeal– Adverse Determination***

Before a *member* can request an external appeal, they must exhaust their rights to an internal appeal. The internal appeals process can be waived if both the *member* and Humana agree.

### **Adverse Determinations**

If the *member* is not satisfied with the decision of the internal appeal regarding an *adverse determination*, the *member* may request an external appeal. The external appeal will be handled by an independent review entity (IRE) that is certified by the Kentucky Department of Insurance.

The external appeal must be requested by the *member*, authorized person or *provider* acting on behalf of and with the consent of the *member* within sixty (60) days after receipt of the internal appeal decision letter. The *member* must have completed the internal appeal process, or Humana must have failed to make a timely determination or notification. In addition, the *member* must have been eligible on the date of *service*, or enrolled and eligible to receive covered benefits under the health benefit plan on the date the service was requested and the treatment or *service* must cost the *member* at least \$100 if the *member* did not have insurance.

---

## CLAIM PROCEDURES (continued)

---

The *member* will be billed by the IRE for a \$25 filing fee. The fee will be refunded if the IRE finds in favor of the *member*. The fee can be waived if the IRE determines that it would create a financial hardship.

The request for an external review must be submitted to the address as listed on page 80. The request must include consent for Humana to release all necessary medical records to the IRE. The IRE must render a decision within twenty-one (21) calendar days of receipt of the information required from Humana. An extension is available to the IRE if both the *member* and Humana agree in advance.

### **Expedited External Appeal**

An expedited external appeal is deemed necessary when a *covered person* is hospitalized or, in the opinion of the treating *provider*, review under the normal timeframe could, in the absence of immediate treatment may result in any of the following:

- Placing the health of the *covered person* or, with respect to a pregnant woman, the health of the *covered person* or the unborn child in serious jeopardy;
- Serious impairment of bodily functions; or
- Serious dysfunction of a bodily organ or part.

An expedited external appeal may be requested orally with a follow-up letter.

The IRE shall render a decision within twenty-four hours from receipt of all information required from Humana. An extension of 24 hours is available to the IRE if both the *member* and Humana agree.

### ***Coverage Denials***

If the *member* is not satisfied with the decision of the internal appeal of a *coverage denial*, the *member* may request a review by the Kentucky Department of Insurance, Division of Health Insurance Policy and Managed Care, Attn: Coverage Denial Coordinator, P. O. Box 517, Frankfort, KY 40602. The request must be in writing, and should include copies of both the initial denial letter and the internal appeal decision letter.

The Kentucky Department of Insurance may either overturn or uphold the decision of the internal appeal or they may allow an external review by an independent review entity (IRE) if a medical issue requires resolution.

### **RIGHT TO REQUIRE MEDICAL EXAMINATIONS**

(Applies only to medical plans)

This *Plan* has the right to require that a medical examination be performed on any *claimant* for whom a *claim* is pending as often as may be reasonably required. If this *Plan* requires a medical examination, it will be performed at this *Plan's* expense. This *Plan* also has a right to request an autopsy in the case of death, if state law so allow.

## **EXHAUSTION**

Upon completion of the appeals process under this section, a *claimant* will have exhausted his or her administrative remedies under this *Plan*. If Humana fails to complete a *claim* determination or appeal within the time limits set forth above, the *claimant* may treat the *claim* or appeal as having been denied, and the *claimant* may proceed to the next level in the review process. After exhaustion, a *claimant* may pursue any other legal remedies available to him or her. Additional information may be available from a local U.S. Department of Labor Office.

## **LEGAL ACTIONS AND LIMITATIONS**

No action at law or inequity may be brought with respect to *Plan* benefits until all remedies under this *Plan* have been exhausted and then prior to the expiration of the applicable limitations period under applicable law.

## **QUALITY IMPROVEMENT**

The *Plan Manager* has a Quality Improvement program that reviews complaints and grievances concerning *provider* services and administration. This program identifies standards, reviews *services* to see that those standards are met, and recommends steps for improvement. If *you* have questions about the Humana Quality Improvement program, don't hesitate to contact us. *You* can request a program summary of Humana's progress toward meeting quality goals by calling customer service at 1-877-KYSPiRiT (1-877-597-7474).

## **SECTION 3**

# **ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE**

---

## ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE

---

### OPEN ENROLLMENT

Once annually *you* will have a choice of enrolling *yourself* and *your* eligible *dependents* in this *Plan*. *You* will be notified in advance when the Open Enrollment Period is to begin and how long it will last. If *you* initially declined coverage for *yourself* or *your dependents* at the time *you* were initially eligible for coverage, *you* will be able to enroll *yourself* and/or *your* eligible *dependents* during the Open Enrollment Period. *Your* coverage may be subject to the *pre-existing condition* limitation.

### EMPLOYEE ELIGIBILITY

*You* are eligible for coverage if the following conditions are met:

1. *You* are an *employee* or *retiree* who meets the eligibility requirements of the *employer*; and
2. *You* participate in a state-sponsored retirement system; or
3. *You* are a School Board Member as defined in KRS 18A.225.

*Your* eligibility date is as determined by the *Plan Sponsor*.

### EMPLOYEE EFFECTIVE DATE OF COVERAGE

*You* must enroll in a manner acceptable to the *Plan Sponsor*.

1. If *your* completed enrollment forms are signed by *you* within 35 days after *your* hire date, *your* coverage is effective on the 1<sup>st</sup> day of the 2<sup>nd</sup> month following the month of hire. *Your* coverage may be effective at a later date as determined by the *Plan Sponsor*.
2. If *your* completed enrollment forms are signed by *you* more than 35 days after *your* hire date, *you* are a *late applicant* and *you* will not be eligible for coverage under this *Plan* until the next annual Open Enrollment Period or until *you* experience a permitted *qualifying event*. *Your* coverage is effective as determined by the *Plan Sponsor*.

### DEPENDENT ELIGIBILITY

*Dependent* eligibility requirements are outlined in the Definitions section of this document.

Adding a *dependent* to the *Plan* who does not meet the KEHP eligibility rules may be considered insurance fraud.

A *dependent* will be effective as outlined in the Dependent Effective Date of Coverage section.

Each *dependent* is eligible for coverage on:

1. The date the *employee* is eligible for coverage, if he or she has *dependents* who may be covered on that date; or
2. The date of birth of the *employee's* natural-born child; or
3. The date a child is placed for adoption under the *employee's* legal guardianship, or the date which the *employee* incurs a legal obligation for total or partial support in anticipation of adoption; or

---

## ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE (continued)

---

4. The date a covered *employee's* child is determined to be eligible as an alternate recipient under the terms of a medical child support order.

The covered *employee* may cover *dependents* only if the *employee* is also covered. Check with *your employer* immediately on how to enroll for *dependent* coverage. Late enrollment will result in denial of *dependent* coverage until the next annual Open Enrollment Period.

In any event, no person may be simultaneously covered as both an *employee* and a *dependent* under a KEHP Health Plan(s). If both parents are eligible for coverage, the *dependent* may only enroll under one *Plan*.

The Department of Employee Insurance reserves the right to request supporting documentation to verify the eligibility of any *dependent* enrolled or requesting to be enrolled in the *Plan*.

### DEPENDENT EFFECTIVE DATE OF COVERAGE

If the *employee* wishes to add to the *Plan* a newborn *dependent*, a newly adopted *dependent*, or a newly placed for adoption *dependent*, an enrollment form must be completed and submitted to the *Plan Sponsor*.

The newborn *dependent's*, the newly adopted *dependent's*, or the newly placed for adoption *dependent's* *effective date* of coverage is determined as follows:

1. If the completed enrollment forms are signed by *you* within 60 days after the newborn *dependent's*, the newly adopted *dependent's*, or the newly placed for adoption *dependent's* eligibility date, that newborn *dependent*, the newly adopted *dependent*, or the newly placed for adoption *dependent* is covered on the date he or she is eligible.
2. If the completed enrollment forms are signed by *you* more than 60 days after the newborn *dependent's*, the newly adopted *dependent's*, or the newly placed for adoption *dependent's* eligibility date, the newborn *dependent*, the newly adopted *dependent*, or the newly placed for adoption *dependent* is a *late applicant*. The newborn *dependent*, the newly adopted *dependent*, or the newly placed for adoption *dependent* will not be eligible for coverage under this *Plan* until the next annual Open Enrollment Period.

Newborn *dependents* will be covered for an initial period of 31 days from the date of birth. Coverage for newborns will continue beyond 31 days only if the *employee* completes and submits a signed enrollment form within the timeframe outlined above.

If the *employee* wishes to add to the *Plan* other *dependent(s)*, in addition to the newborn, the newly adopted *dependent*, or the newly placed for adoption *dependent*, an enrollment form must be completed and submitted to the *Plan Sponsor*.

The *dependent's* *effective date* of coverage is determined as follows:

1. If the completed enrollment forms are signed by *you* within 35 days after the newborn *dependent's*, the newly adopted *dependent's*, or the newly placed for adoption *dependent's* eligibility date, that newborn *dependent* and other *dependents* are covered on the date he or she is eligible.

---

## ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE (continued)

---

2. If the completed enrollment forms are signed by *you* more than 35 days after the newborn *dependent's* eligibility date, the newborn *dependent* and other *dependents* are a *late applicant*. The newborn *dependent* and other *dependents* will not be eligible for coverage under this *Plan* until the next annual Open Enrollment Period.

If the *employee* wishes to add other *dependent(s)* to the *Plan*, due to experiencing a *qualifying event* (other than birth, adoption, or placement for adoption), the *dependent's effective date* of coverage is determined as follows:

1. If the completed enrollment forms are signed by *you* within 35 days after the *qualifying event* that *dependent* is covered on the coverage *effective date* as set forth in the *qualifying events* in Exhibit A at the end of this document.
2. If the completed enrollment forms are signed by *you* more than 35 days after the *dependent's* eligibility date, the *dependent* is a *late applicant*. The *dependent* will not be eligible for coverage under this *Plan* until the next annual Open Enrollment Period. The *dependent* is covered as determined by the *employer*.

No *dependent's effective date* will be prior to the covered *employee's effective date* of coverage. If your *dependent* child becomes an eligible *employee* of the *employer* or becomes an employee of another employer, he or she may no longer be eligible as your *dependent* under this *Plan*. Please refer to the Definitions section for *dependent* requirements.

### FAMILY CROSS-REFERENCE PAYMENT OPTION

To be eligible to elect the cross-reference payment option, each of the following requirements must be met:

- *you* must cover at least one *dependent*;
- the *members* must be legally married (husband and wife);
- the *members* must be eligible *employees* or *retirees\** of a group participating in the *Kentucky Employees Health Plan*;
- the *members* must elect the same coverage; and
- both *members* must sign the appropriate documentation during the enrollment process and file with their agency's Insurance Coordinators. If during open enrollment *you* enroll online, *you* will be required to enter both *members'* login credentials (user ID or personal ID number) via the web.

Failure to meet any one of the above requirements means that *you* are not eligible for the cross-reference payment option.

\* *Members* of the Judicial and Legislators Retirement Plans are not eligible to elect the cross-reference payment option.

## **TERMINATING THE FAMILY CROSS-REFERENCE PAYMENT OPTION**

*Employees* will not be eligible to continue the cross-reference payment option if one *spouse* loses eligibility (i.e. terminates employment, becomes part-time, or goes on leave without pay).

1. A Family Cross-Reference payment option is a legislatively mandated payment option for two (2) eligible *employees* or *retirees*. Thus, the Family Cross-Reference payment option has two (2) planholders.

If either planholder loses employment for any reason (voluntary or involuntary), the Family Cross-Reference payment option terminates as eligibility to participate in the Family Cross-Reference payment option has ceased. Only eligible *employees* may be planholders under the KEHP. Additionally, upon loss of employment that former planholder has lost planholder eligibility status and can only be covered as a *dependent* on that existing plan. As a result, the remaining planholder will default to parent-plus coverage (from Family Cross-Referencing) reflecting the loss of planholder status of the former planholder. Should the remaining planholder wish to elect *dependent* coverage for that former planholder, he or she may make that election for *dependent* coverage within 35 days of the date of loss of coverage of the former planholder. If the remaining planholder wishes to drop to single coverage, he or she may do so by submitting a drop form or new application within 35 days of the date of loss of coverage of the former planholder.

The remaining planholder will **NOT** be responsible for the full regular family contribution unless that former planholder is added back to the plan as a *dependent*, which creates a traditional family plan.

## **MEDICAL CHILD SUPPORT ORDERS**

An individual who is a child of a covered *employee* may be enrolled for coverage under this *Plan* in accordance with the direction of a Qualified Medical Child Support Order (QMCSO) or a National Medical Support Notice (NMSN).

A QMCSO is a state court order or judgment, including approval of a settlement agreement that: (a) provides for support of a covered *employee's* child; (b) provides for health care coverage for that child; (c) is made under state domestic relations law (including a community property law); (d) relates to benefits under this *Plan*; and (e) is "qualified" in that it meets the technical requirements of applicable law. QMCSO also means a state court order or judgment that enforces a state Medicaid law regarding medical child support required by Social Security Act §1908 (as added by Omnibus Budget Reconciliation Act of 1993).

An NMSN is a notice issued by an appropriate agency of a state or local government that is similar to a QMCSO that requires coverage under this *Plan* for the *dependent* child of a non-custodial parent who is (or will become) a *covered person* by a domestic relations order that provides for health care coverage.

Procedures for determining the qualified status of medical child support orders are available at no cost upon request from the *Plan Administrator*.

## **PRE-EXISTING CONDITION LIMITATION**

Benefits for *pre-existing conditions* are limited under this *Plan*. *Pre-existing condition* is defined in the Definitions section.

Once *you* or *your dependents* obtain health plan coverage, *you* are entitled to use evidence of that coverage to reduce or eliminate any *pre-existing condition* limitation period that might otherwise be imposed when *you* become covered under a subsequent health plan. Evidence may include a certificate of prior *creditable coverage*. The length of any *pre-existing condition* limitation period under the subsequent health plan must be reduced by the number of days of *creditable coverage*.

Prior to imposing a *pre-existing condition* limitation, Humana will:

1. Notify *you* in writing of the existence and terms of any *pre-existing condition* limitation;
2. Notify *you* of *your* right to request a certificate of *creditable coverage* from any applicable prior plans;
3. Notify *you* of *your* right to submit evidence of *creditable coverage* to Humana to reduce the length of any *pre-existing condition* limitation; and
4. Offer to request a certificate of prior *creditable coverage* on *your* behalf.

If, after receiving evidence of *creditable coverage*, Humana determines the *creditable coverage* is not sufficient to completely offset this *Plan's pre-existing condition* limitation period, Humana will:

1. Notify *you* in writing of its determination;
2. Notify *you* of the source and substance of any information on which it relied; and
3. Provide an explanation of appeal procedures and allow a reasonable opportunity to submit additional evidence of *creditable coverage*.

Humana may modify an initial determination of *creditable coverage* if it determines the individual did not have the claimed *creditable coverage*, provided Humana:

1. Notifies *you* of such reconsideration in writing disclosing its determination;
2. Notifies *you* with the source and substance of any information on which it relied; and
3. Provides an explanation of appeal procedures and allows a reasonable opportunity to submit additional evidence of *creditable coverage*.

Alternate means of providing evidence of *creditable coverage* may include an explanation of benefits, correspondence from a plan, pay stubs showing a payroll deduction of *premium* for health plan coverage, third party statements verifying period(s) of coverage, information obtained by telephone, and any other relevant document providing evidence of period(s) of health coverage.

The *pre-existing condition* limitation does not apply to:

1. pregnancy;

---

## ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE (continued)

---

2. genetic information in the absence of diagnosis;
3. domestic violence; or
4. newborn children, or children adopted before the age of 18, if they are enrolled under the *Plan* within 60 days of the date of birth, the date the child is legally adopted, or the date the child is legally placed for adoption (or 35 days, if other *dependents* are also being enrolled).

### SPECIAL PROVISIONS

If *your employer* continues to pay required contributions and does not terminate the *Plan*, *your* coverage will remain in force for a period of time as determined by *your employer* for a layoff, during an approved medical leave of absence, during a period of *total disability*, during an approved non-medical leave of absence, during an approved military leave of absence or during part-time status.

### REINSTATEMENT OF COVERAGE

If *your* coverage under this *Plan* was terminated after a period of layoff, *total disability*, approved medical leave of absence, approved non-medical leave of absence or during part-time status and *you* are now returning to work, *your* coverage is effective as determined by *your employer*. The eligibility period requirement with respect to the reinstatement of *your* coverage will be determined by *your employer*. The *pre-existing condition* limitation will apply if there is a 63-day lapse in coverage.

If *your* coverage under this *Plan* was terminated after an approved military leave of absence (other than USERRA) or during part-time status and *you* are now returning to work, *your* coverage is effective as determined by *your employer*. The eligibility period requirement with respect to the reinstatement of *your* coverage will be determined by *your employer*. The *pre-existing condition* limitation will be waived.

If *your* coverage under the *Plan* was terminated due to a period of service in the uniformed services covered under the Uniformed Services Employment and Reemployment Rights Act of 1994, *your* coverage is effective immediately on the day *you* return to work. Eligibility *waiting periods* and *pre-existing condition* limitations will be imposed only to the extent they were applicable prior to the period of service in the uniformed services.

### FAMILY AND MEDICAL LEAVE ACT (FMLA)

If *you* are granted a leave of absence (Leave) by the *employer* as required by the Federal Family and Medical Leave Act, *you* may continue to be covered under this *Plan* for the duration of the Leave under the same conditions as other *employees* who are in an *eligible class* and covered by this *Plan*. If *you* choose to terminate coverage during the Leave, or if coverage terminates as a result of nonpayment of any required contribution, coverage may be reinstated on the date *you* return to *eligible class* following the end of the Leave. Charges incurred after the date of reinstatement will be paid as if *you* had been continuously covered.

### EXTENDED BENEFITS

If, on the date *your* coverage terminates under this *Plan*, *you* or *your* covered *dependents* are *totally disabled* as a result of a covered *bodily injury* or *sickness*, this *Plan* will continue to provide medical benefits until the earliest of the following:

1. Until coverage for the *total disability* has been obtained under another group policy; or

---

## ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE (continued)

---

2. The date *your* physician certifies *you* are no longer *totally disabled*; or
3. The date *you* receive benefits equal to any *maximum benefit* shown on the Schedule of Benefits;  
or
4. The end of twelve consecutive months immediately following the date of *your* termination of coverage. This period of time is measured from the date *your* coverage is terminated under this *Plan*, to the same calendar day of the next succeeding months.

The Extended Benefits provision applies only to *covered expenses* for the disabling condition which existed on the date *your* coverage terminated. This *Plan* must remain in effect.

### RETIREE COVERAGE

If *you* are a *retiree* who is under age 65 or is age 65 or older and non-*Medicare* eligible, *you* may enroll or continue coverage under the *Plan* for *you* and any of *your* eligible *dependents*. Please see *your* retirement system for more details.

### SURVIVORSHIP COVERAGE

If the *employee* dies while *dependent* coverage is in force, the surviving *dependent spouse* and *dependent children* may continue to be covered through the COBRA provision.

### SPECIAL ENROLLMENT

If *you* previously declined coverage under this *Plan* for *yourself* or any eligible *dependents*, due to the existence of other health coverage (including COBRA), and that coverage is now lost or exhausted, this *Plan* permits *you*, *your dependent spouse*, and any eligible *dependents* to be enrolled for medical benefits under this *Plan* due to any of the following *qualifying events*:

1. Loss of coverage due to any of the following:
  - a. Legal separation or annulment;
  - b. Divorce;
  - c. Cessation of *dependent* status (such as attaining the limiting age);
  - d. Death;
  - e. Termination of employment;
  - f. Reduction in the number of hours of employment;
  - g. Meeting or exceeding a lifetime limit on all benefits;
  - h. *Plan* no longer offering benefits to a class of similarly situated individuals, which includes the *employee*;
  - i. Any loss of coverage after a period that is measured by reference to any of the foregoing.

---

**ELIGIBILITY AND EFFECTIVE DATE OF COVERAGE (continued)**

---

However, loss of coverage does not include a loss due to failure of the individual or the participant to pay *premiums* on a timely basis or termination of coverage for cause (such as making a fraudulent *claim* or an intentional misrepresentation of a material fact in connection with the plan).

2. Employer contributions towards the other coverage have been terminated. Employer contributions include contributions by any current or former employer (of the individual or another person) that was contributing to coverage for the individual.
3. COBRA coverage under the other plan has since been exhausted.

If *you* are a covered *employee* or an otherwise eligible *employee*, who either did not enroll or did not enroll *dependents* when eligible, *you* now have the opportunity to enroll *yourself* and/or any previously eligible *dependents* or any newly acquired *dependents* when due to any of the following changes:

1. Marriage;
2. Birth;
3. Adoption or placement for adoption;
4. Loss of eligibility due to termination of Medicaid or State Children's Health Insurance Program (SCHIP) coverage; or
5. Eligibility for *premium* assistance subsidy under Medicaid or SCHIP.

*You* may elect coverage under this *Plan* provided enrollment is within 35 days, 60 days from such event as identified in #4 and #5 above from the *qualifying event* or as listed in the Dependent Effective Date of Coverage section. *You* may be required to provide proof that the *qualifying event* has occurred due to one of the reasons listed before coverage under this *Plan* will be effective. Coverage under this *Plan* will be effective the 1<sup>st</sup> day of the month following the signature date of the enrollment form, but not before the event occurs, unless otherwise specified in this section.

In the case of a *dependent's* birth, enrollment is effective on the date of such birth, provided the appropriate paperwork is received.

In the case of a *dependent's* adoption or placement for adoption, enrollment is effective on the date of such adoption or placement for adoption, provided the appropriate paperwork is received.

If *you* become eligible for coverage under this *Plan* through the special enrollment provision, benefits under this *Plan* will be subject to the *pre-existing condition* limitation as defined within the Definitions section.

If *you* apply more than 35 days after a *qualifying event*, 60 days from such event as identified in #4 and #5 above or as listed in the Dependent Effective Date of Coverage section, *you* are considered a *late applicant* and will not be eligible for coverage under this *Plan* until the next annual Open Enrollment Period.

Please see *your employer* for more details.

## **COVERAGE TERMINATION DUE TO PLAN CHANGE**

If an *employee* or *dependent* changes Insurance Carriers during open enrollment, the existing coverage with the prior Insurance Carrier will terminate on December 31, except for the following:

1. If a covered *member* is hospitalized when coverage would normally terminate, the prior Insurance Carrier that covered the *member's* hospitalization during the previous plan year would continue coverage until the *member* is released from the *hospital* or transferred to another facility. At the time the *member* is released from the *hospital* or transferred to a new facility, the succeeding Insurance Carrier will assume responsibility for that *member*. It is the *member's* responsibility to ensure that a transfer or re-hospitalization is to a participating facility in compliance with all *Plan* delivery rules.
2. If a *member* has *family coverage* and a covered *dependent* is hospitalized when coverage would normally terminate due to a change in Insurance Carriers, the hospitalized family member would continue his/her prior coverage until discharge from the *hospital* or transfer to another facility. All other covered *dependents* not hospitalized at the date the new coverage begins would be transferred to the new *Plan* on the date the new coverage starts (not on the date the hospitalized *dependent* is released or transferred).
3. If a covered *member* is not at work and/or is on unofficial leave without pay or otherwise continuing to pay for his/her own health insurance *premiums* on the group coverage, that participant will begin coverage with his/her succeeding Insurance Carrier on January 1, even though he/she is not at work.

These provisions take precedence over all Extension of Benefits clauses and Actively at Work clauses contained in any of the Insurance Carrier's standard commercial contracts in compliance with KRS 304.18-126 and KRS 304.18-127.

**Entitlement to Medicare:** if an *employee, spouse, or dependent* who is enrolled in the *Plan* becomes entitled to coverage (i.e., becomes enrolled) under Part A or Part B of *Medicare*, other than coverage consisting solely of benefits under section 1928 of Social Security Act, the *employee* may make a prospective election change to cancel coverage of that *employee, spouse, or dependent*, under the *Plan*. In addition, if an *employee, spouse or dependent* who has been entitled to coverage under *Medicare* loses eligibility for such coverage, the *employee* may make a prospective election to commence coverage of that *employee, spouse, or dependent* under the *Plan*.

Coverage may be elected under this *Plan* provided enrollment is within 35 days from the entitlement of *Medicare*.

---

## TERMINATION OF COVERAGE

---

Coverage terminates on the earliest of the following:

1. The date this *Plan* terminates;
2. The end of the period for which any required contribution was due and not paid;
3. As determined by *your employer* when *you* enter full-time military, naval or air service, except coverage may continue during an approved military leave of absence as indicated in the Special Provisions;
4. The date determined by *your employer*, when *you* fail to be in an *eligible class* of persons according to the eligibility requirements of the *employer*;
5. For all *employees*, as determined by *your employer*, following termination of employment with the *employer*;
6. The date determined by *your employer* you request termination of coverage to be effective for yourself based on valid *qualifying event* guidelines;
7. For any benefit, the date the benefit is removed from this *Plan*;
8. For *your dependents*, the date *your* coverage terminates;
9. For a *dependent*, the date determined by *your employer* the *dependent* enters full-time military, naval or air service;
10. For a *dependent*, the date determined by *your employer* such *covered person* no longer meets the definition of *dependent*; or
11. The date determined by *your employer* you request termination of coverage to be effective for *your dependents* based on valid *qualifying event* guidelines.

If *you* or any of *your* covered *dependents* no longer meet the eligibility requirements, *you* and *your employer* are responsible for notifying Humana of the change in status. Coverage will not continue beyond the end of the month in which eligibility ends even if notice has not been given to Humana, *employer*, or *Plan Sponsor*.

**SECTION 4**  
**GENERAL PROVISIONS**  
**AND REIMBURSEMENT/  
SUBROGATION**

---

## GENERAL PROVISIONS

---

The following provisions are to protect *your* legal rights and the legal rights of this *Plan*.

### PLAN ADMINISTRATION

The *Plan Sponsor* has established and continues to maintain this *Plan* for the benefit of its *employees* and their eligible *dependents* as provided in this document.

Benefits under this *Plan* are provided on a self-insured basis, which means that payment for benefits is ultimately the sole financial responsibility of the *Plan Sponsor*. Certain administrative services with respect to this *Plan*, such as *claims* processing, are provided under a services agreement. Humana is not responsible, nor will it assume responsibility, for benefits payable under this *Plan*.

Any changes to this *Plan*, as presented in this *Summary Plan Description*, must be properly adopted by the *Plan Sponsor*, and material modifications must be timely disclosed in writing and included in or attached to this document. A verbal modification of this *Plan* or promise having the same effect made by any person will not be binding with respect to this *Plan*.

### CONTESTABILITY

This *Plan* has the right to contest the validity of *your* coverage under the *Plan* at any time.

### RIGHT TO REQUEST OVERPAYMENTS

This *Plan* reserves the right to recover any payments made by this *Plan* that were:

1. Made in error; or
2. Made to *you* or any party on *your* behalf where this *Plan* determines the payment to *you* or any party is greater than the amount payable under this *Plan*.

This *Plan* has the right to recover against *you* if this *Plan* has paid *you* or any other party on *your* behalf.

### TIME LIMIT ON CERTAIN DEFENSES

A *claim* will not be reduced or denied after two years from the *effective date* of the benefit because a disease or physical condition not excluded and causing the loss existed before the benefit *effective date*.

### WORKERS' COMPENSATION NOT AFFECTED

This *Plan* is not issued in lieu of, nor does it affect any requirement for coverage by any Workers' Compensation or Occupational Disease Act or Law.

## **WORKERS' COMPENSATION**

If benefits are paid by this *Plan* and this *Plan* determines *you* received Workers' Compensation for the same incident, this *Plan* has the right to recover as described under the Reimbursement/Subrogation provision. This *Plan* will exercise its right to recover against *you* even though:

1. The Workers' Compensation benefits are in dispute or are made by means of settlement or compromise;
2. No final determination is made that *bodily injury* or *sickness* was sustained in the course of, or resulted from, *your* employment;
3. The amount of Workers' Compensation due to medical or health care is not agreed upon or defined by *you* or the Workers' Compensation carrier;
4. The medical or health care benefits are specifically excluded from the Workers' Compensation settlement or compromise.

*You* hereby agree that, in consideration for the coverage provided by this *Plan*, *you* will notify Humana of any Workers' Compensation claim *you* make, and that *you* agree to reimburse this *Plan* as described above.

## **MEDICAID**

This *Plan* will not take into account the fact that an *employee* or *dependent* is eligible for medical assistance or Medicaid under state law with respect to enrollment, determining eligibility for benefits, or paying *claims*.

If payment for Medicaid benefits has been made under a state Medicaid plan for which payment would otherwise be due under this *Plan*, payment of benefits under this *Plan* will be made in accordance with a state law which provides that the state has acquired the rights with respect to a covered *employee* to the benefits payment.

## **CONSTRUCTION OF PLAN TERMS**

The *Plan Manager* has the sole right to construe and prescribe the meaning, scope and application of each and all of the terms of this *Plan*, including, without limitation, the benefits provided thereunder, the obligations of the *beneficiary* and the recovery rights of this *Plan*; such construction and prescription by the *Plan Manager* shall be final and uncontestable.

---

## REIMBURSEMENT/SUBROGATION

---

### RIGHT OF RECOVERY

These provisions apply when *Plan* benefits are paid as a result of injuries or illnesses *you* sustained and *you* have a right to a recovery or received a recovery.

### SUBROGATION

This *Plan* reserves all rights of subrogation. This means that the *Plan* has the right to recover its previously paid benefit payments from any award, settlement, or damages that *you* or *your dependent* may receive or to which *you* may become entitled. It also means that the *Plan* has the right to take action on *your* behalf to obtain an award, settlement, or damages. The *Plan* shall have the first lien upon all awards, settlements, or damages subject to its subrogation or reimbursement rights listed below. This lien shall be in the amount of benefits provided or the amount of benefits that will be provided under the *Plan*, plus the reasonable expenses, including attorneys' fees, to enforce the *Plan's* rights.

The *beneficiary* agrees that by accepting and in return for the payment of *covered expenses* by the *Plan* in accordance with the terms of this *Plan*:

1. The *Plan* has the right to recover payments for benefits paid for by the *Plan*.
2. The *Plan* has the right to recover payment for benefits paid by the *Plan* to or on behalf of *you* or *your dependent* from any award, settlement, or damages that *you* or *your dependent* may become entitled to or receive as a result of an *accident*, a person's fault or negligence, or any other circumstance under which *you* or *your dependent* has the right to recover from any other party.
3. The *Plan* may recover its benefit payments for any type of benefit which may be paid by the *Plan*, such as medical, dental, vision, mental, disability, supplemental *accident*, or accidental death or dismemberment benefits.
4. An "award, settlement, or damages" includes any award, settlement, damages (whether equitable, legal, compensatory, etc.), compensation, benefits, or any other payment of any kind. The amount may be paid by formal court award, informal compromise, redemption agreement, application for benefits, or otherwise. The amount also may be paid in a lump sum, installment, or annuity payments (such as income replacement). The *Plan* has the right to recover from all of these amounts.
5. An "award, settlement, or damages" includes amounts of any type, kind, nature, or character, regardless of whether the amount identifies or covers the *Plan's* benefit payments, otherwise relates to medical benefits, or is specifically limited to certain kinds of damages or payments. In addition, attorneys' fees or any other costs associated with the amount will not reduce the amount of the *Plan's* reimbursement. This *Plan* has the first priority to recover from *your* award, settlement, or damages. The *Plan's* first priority lien also will apply regardless of whether *you* or *your dependent* is or was made whole from the award, settlement, or damages, whether before or after the *Plan's* subrogation recovery. This *Plan* precludes the operation of the "make-whole" and "common fund" doctrines.

6. Your “right to recover” from any other party means that *you* or *your dependent* has the right to recover damages or expenses from another party, such as an individual, partnership, corporation, government, or other entity, as well as against that party’s respective insurance carriers or governmental fund, for causing an injury or illness to *you* or *your dependent* or otherwise with respect to any injury or illness incurred by *you* or *your covered dependent*. This right to recover from any other party also includes *your* own insurance carrier, such as *your* automobile insurance, automobile no-fault coverage, homeowners, personal *accident*, general liability, or life insurance carrier. It also includes a second medical insurance or other non-insured medical or other coverage. It also includes uninsured and underinsured motorist coverage or programs. The *Plan* has the right to recover from any of these parties, or any other parties, in connection with *your* illness or injury. In the event *you* or *your dependent* is entitled to or receives an award, settlement, or damages from any party (which includes the other party’s or *your* own insurance carrier or coverage), the *Plan* has the first lien upon the award, settlement, or damages and must be reimbursed for its benefit payments made to *you* or *your dependent*, or on *your* behalf. The *Plan's* first lien supersedes any right that the *Plan* participant may have to be “made whole.” In other words, the *Plan* is entitled to the right of first reimbursement out of any award, settlement, or damages the *Plan* participant procures or may be entitled to procure regardless of whether the *Plan* participant has received compensation for any of his or her damages or expenses, including any of his or her attorneys’ fees or costs. Additionally, the *Plan's* right of first reimbursement will not be "set-off" or reduced for any reason, including attorneys’ fees, costs, comparative negligence, limits of collectibility or responsibility, or otherwise. As a condition to receiving benefits under the *Plan*, the *Plan* participant agrees that acceptance of benefits is constructive notice of this provision. Reimbursement to the *Plan* must be made immediately upon entitlement or receipt of any award, settlement, or damages. The *Plan* will charge interest at a reasonable rate for any delay in reimbursement.

#### **PLAN’S RIGHT TO ASSERT CLAIMS ON YOUR BEHALF**

The *Plan* has the right, if it so chooses, to assert rights on *your* behalf to obtain an award, settlement, or damages. Specifically, through subrogation, the *Plan* is entitled to all *claims*, demands, actions, and rights of recovery which *you* or *your dependent* may have against or from any party to the extent of the *Plan's* benefit payments. In addition, this *Plan* is entitled to attorneys’ fees incurred in asserting rights on *your* behalf. The *Plan* does not require *you* or *your dependent* to pursue a *claim* against another party. However, as stated above, the *Plan* reserves the right to directly pursue recovery against another party on *your* behalf, should *you* or *your dependent* elect not to pursue an award, settlement, or damages against or from a party.

#### **MISCELLANEOUS SUBROGATION**

*You*, *your dependent*, *your* attorneys, or anyone acting on *your* behalf legally cannot do anything to prejudice the rights of the *Plan* in the exercise of its subrogation rights to recover from, or assert *your* rights to obtain, an award, settlement, or damages. The *Plan's* subrogation rights also extend to the guardian or estate of *you* and *your dependent*. The *Plan's* subrogation provisions will apply without limitation by the *Plan's* Coordination of Benefits provisions, unless the Coordination of Benefits provisions would result in a greater recovery for the *Plan*.

### **DUTY TO COOPERATE**

As a condition to participating in the *Plan* and receiving benefits under the *Plan*, *you* and *your dependent* agree to be bound by all of the *Plan's* provisions, including, but not limited to, the *Plan's* subrogation provisions. The *Plan* will make benefit payments on a *claim* on the condition that *you* or *your dependent*, upon entitlement or receipt of any award, settlement, or damages, will fully reimburse the *Plan* for the *Plan's* benefit payments and for expenses (including attorneys' fees and costs of suit, regardless of an action's outcome) incurred by the *Plan* in collecting this amount. As a precondition to receiving benefits under the *Plan*, *you* and *your dependent* must enter into agreement with the *Plan* to reimburse the *Plan* for its benefit payments from any award, settlement, or damages pursuant to the *Plan's* subrogation provisions. In this agreement, *you* also must agree to assign direct payment to the *Plan* from any award, settlement, or damages to the extent of the *Plan's* benefit payments. *You* and *your dependent* also otherwise must sign and deliver any and all instruments, papers, and reimbursement agreements required by the *Plan* necessary for the *Plan's* reimbursement right. *You* and *your dependent* also are required to do whatever is requested or necessary in order to fully execute and to fully protect all the *Plan's* rights and to do nothing that would interfere with or diminish those rights. Further, *you* and *your dependent* must notify the *Plan* in writing of any proposed settlement and obtain the *Plan's* written consent before signing any release or agreeing to any settlement. In any event, the *Plan's* benefit payments for any current or historical *claims* under the *Plan* on *your* behalf will be deemed to be the equivalent of *you* or *your* covered *dependent* entering into an agreement to reimburse the *Plan* and otherwise signing and delivering any instruments and papers as required by the *Plan*. In the event that *you* or *your dependent* fails to enter into the foregoing agreement, or to otherwise comply with such requests, the *Plan* is entitled to withhold or deny benefits otherwise due under the *Plan* until *you* do so.

### **RETENTION OF AN ATTORNEY**

If *you* or *your* attorney receives any recovery (whether by award, settlement, damages, compromise, or otherwise), *you* have an absolute obligation to immediately tender the recovery to the *Plan* under the terms of this provision. If *you* or *your* attorney does not immediately tender the recovery to the *Plan*, *you* will be deemed to hold the recovery in constructive trust for the *Plan*, because *you* or *your* attorney is not the rightful owner of the recovery and should not be in possession of the recovery until the *Plan* has been fully reimbursed.

### **PARTICIPANT'S NONCOMPLIANCE**

If *you* or *your dependent* do not comply with the provisions of this section, the *Plan Administrator* shall have the authority, at its sole discretion, to deny payment of any *claims* for benefits by *you* and to deny or reduce future benefits payable (including payment of future benefits for other injuries or illnesses) under the *Plan* by the amount due as reimbursement to the *Plan*. The *Plan Administrator* may also, at its sole discretion, deny or reduce future benefits (including future benefits for other injuries or illnesses) under any other group benefits plan maintained by the *Plan Sponsor*. The reductions will equal the amount of the required reimbursement. If the *Plan* must bring an action against *you* to enforce this provision, then *you* agree to pay the *Plan's* attorneys' fees and costs, regardless of the action's outcome.

**RIGHT TO COLLECT NEEDED INFORMATION**

*You* must cooperate with Humana and when asked, assist Humana by:

- Authorizing the release of medical information including the names of all *providers* from whom *you* received medical attention;
- Obtaining medical information and/or records from any *provider* as requested by Humana;
- Providing information regarding the circumstances of *your sickness* or *bodily injury*;
- Providing information about other insurance coverage and benefits, including information related to any *bodily injury* or *sickness* for which another party may be liable to pay compensation or benefits; and
- Providing information Humana requests to administer the *Plan*.

Failure to provide the necessary information will result in denial of any pending or subsequent *claims*, pertaining to a *bodily injury* or *sickness* for which the information is sought, until the necessary information is satisfactorily provided.

**REIMBURSEMENT/SUBROGATION EXCLUSIONS**

Any *covered expenses* to the extent of any amount received from others for the *bodily injuries* or losses which necessitate such benefits. Without limitation, "amounts received from others" specifically includes, but is not limited to, liability insurance, worker's compensation, uninsured motorists, underinsured motorists, "no-fault" and automobile med-pay payments or recovery from any identifiable fund regardless of whether the *beneficiary* was made whole.

**SECTION 5**

**NOTICES**

## IMPORTANT NOTICES FOR EMPLOYEES AND SPOUSES AGE 65 AND OVER

---

Federal law may affect *your* coverage under this *Plan*. The *Medicare* as Secondary Payer rules were enacted by an amendment to the Social Security Act. Also, additional rules which specifically affect how a large group health plan provides coverage to employees (or their spouses) over age 65 were added to the Social Security Act and to the Internal Revenue Code.

Generally, the health care plan of an employer that has at least 20 employees must operate in compliance with these rules in providing plan coverage to plan participants who have "current employment status" and are *Medicare* beneficiaries, age 65 and over.

Persons who have "current employment status" with an employer are generally employees who are actively working and also persons who are NOT actively working as follows:

- Individuals receiving disability benefits from an employer for up to 6 months; or
- Individuals who retain employment rights and have not been terminated by the employer and for whom the employer continues to provide coverage under this *Plan*. (For example, employees who are on an approved leave of absence).

If *you* are a person with "current employment status" who is age 65 and over (or the *dependent spouse* age 65 and over of an *employee* of any age), *your* coverage under this *Plan* will be provided on the same terms and conditions as are applicable to *employees* (or *dependent spouses*) who are under the age of 65. *Your* rights under this *Plan* do not change because *you* (or *your dependent spouse*) are eligible for *Medicare* coverage on the basis of age, as long as *you* have "current employment status" with *your employer*.

*You* have the option to reject plan coverage offered by *your employer*, as does any eligible *employee*. If *you* reject coverage under *your employer's Plan*, coverage is terminated and *your employer* is not permitted to offer *you* coverage that supplements *Medicare covered services*. This includes any *Medicare Supplement* coverage that may be available to *you* as a result of *your* retirement through a Kentucky Retirement System.

If *you* (or *your dependent spouse*) obtain *Medicare* coverage on the basis of age, and not due to disability or end-stage renal disease, this *Plan* will consider its coverage to be primary to *Medicare* when *you* have elected coverage under this *Plan* and have "current employment status".

If a *Medicare* eligible *employee* is re-employed by any agency of the Commonwealth in a position working at least 100 hours per month (or otherwise eligible for benefits pursuant to KRS 18A.225), he or she will be eligible to re-enroll (or to remain enrolled) in the Kentucky Employees' Health Plan. While a *Medicare* eligible retiree is actively employed by the Commonwealth and eligible to participate in the KEHP, federal law provides that he or she is **not eligible** to receive coverage from any Kentucky retirement system (including the Kentucky Retirement System, Judicial/Legislative Retirement, and Kentucky Teachers' Retirement System, etc.) that supplements the *employee's Medicare* coverage. According to federal *Medicare* laws, a health plan must pay primary to *Medicare*. Therefore, any health coverage the *employee* receives from a Kentucky-sponsored program (KEHP) must pay for *Medicare-covered* expenses, up to the limit of his or her coverage under the Kentucky program, before applying to *Medicare* for payment. If an *employee* is currently receiving *Medicare* supplemental coverage from one of the Kentucky retirement system(s), the *employee* should drop this supplemental coverage while he or she is actively employed and eligible to participate in the KEHP.

If a *Medicare* eligible reemployed *employee* elects KEHP health plan or the "waiver" HRA, it must pay primary (i.e. before) to *Medicare* covered expenses.

## PRIVACY OF PROTECTED HEALTH INFORMATION

---

This *Plan* is required by law to maintain the privacy of *your protected health information* in all forms including written, oral and electronically maintained, stored and transmitted information and to provide individuals with notice of this *Plan's* legal duties and privacy practices with respect to *protected health information*.

This *Plan* has policies and procedures specifically designed to protect *your* health information when it is in electronic format. This includes administrative, physical and technical safeguards to ensure that *your* health information cannot be inappropriately accessed while it is stored and transmitted to Humana and others that support this *Plan*.

In order for this *Plan* to operate, it may be necessary from time to time for health care professionals, the *Plan Administrator*, individuals who perform Plan-related functions under the auspices of the *Plan Administrator*, Humana and other service *providers* that have been engaged to assist this *Plan* in discharging its obligations with respect to delivery of benefits, to have access to what is referred to as *protected health information*.

A *covered person* will be deemed to have consented to use of *protected health information* about him or her for the sole purpose of health care operations by virtue of enrollment in this *Plan*. This *Plan* must obtain authorization from a *covered person* to use *protected health information* for any other purpose.

Individually identifiable health information will only be used or disclosed for purposes of *Plan* operation or benefits delivery. In that regard, only the minimum necessary disclosure will be allowed. The *Plan Administrator*, Humana, and other entities given access to *protected health information*, as permitted by applicable law, will safeguard *protected health information* to ensure that the information is not improperly disclosed.

Disclosure of *protected health information* is improper if it is not allowed by law or if it is made for any purpose other than *Plan* operation or benefits delivery without authorization. Disclosure for *Plan* purposes to persons authorized to receive *protected health information* may be proper, so long as the disclosure is allowed by law and appropriate under the circumstances. Improper disclosure includes disclosure to the *employer* for employment purposes, *employee* representatives, consultants, attorneys, relatives, etc. who have not executed appropriate agreements effective to authorize such disclosure.

Humana will afford access to *protected health information* in its possession only as necessary to discharge its obligations as a service *provider*, within the restrictions noted above. Information received by Humana is information received on behalf of this *Plan*.

Humana will afford access to *protected health information* as reasonably directed in writing by the *Plan Administrator*, which shall only be made with due regard for confidentiality. In that regard, Humana has been directed that disclosure of *protected health information* may be made to the person(s) identified by the *Plan Administrator*.

Individuals who have access to *protected health information* in connection with their performance of Plan-related functions under the auspices of the *Plan Administrator* will be trained in these privacy policies and relevant procedures prior to being granted any access to *protected health information*. Humana and other *Plan* service *providers* will be required to safeguard *protected health information* against improper disclosure through contractual arrangements.

---

**PRIVACY OF PROTECTED HEALTH INFORMATION (continued)**

---

In addition, *you* should know that the *employer/Plan Sponsor* may legally have access, on an as-needed basis, to limited health information for the purpose of determining *Plan* costs, contributions, *Plan* design, and whether *Plan* modifications are warranted. In addition, federal regulators such as the Department of Health and Human Services and the Department of Labor may legally require access to *protected health information* to police federal legal requirements about privacy.

*Covered persons* may have access to *protected health information* about them that is in the possession of this *Plan*, and they may make changes to correct errors. *Covered persons* are also entitled to an accounting of all disclosures that may be made by any person who acquires access to *protected health information* concerning them and uses it other than for *Plan* operation or benefits delivery. In this regard, please contact the *Plan Administrator*.

*Covered persons* are urged to contact the originating health care professional with respect to medical information that may have been acquired from them, as those items of information are relevant to medical care and treatment. And finally, *covered persons* may consent to disclosure of *protected health information*, as they please.

Please see the Kentucky Employees' Health Plan Notice of Privacy Practices and HIPAA Privacy and Security Policies for additional information.

## CONTINUATION OF MEDICAL BENEFITS

---

### THE CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT OF 1986 (COBRA)

#### CONTINUATION OF BENEFITS

On April 7, 1986, the Consolidated Omnibus Budget Reconciliation Act (*COBRA*) was signed into law. This federal law applies to employers with 20 or more employees. The law requires that employers offer employees and/or their dependents continuation of medical coverage at group rates in certain instances where there is a loss of group insurance coverage.

#### ELIGIBILITY

A *qualified beneficiary* under *COBRA* law means an *employee*, *employee's spouse* or *dependent* child covered by this *Plan* on the day before a *qualifying event*. A *qualified beneficiary* under *COBRA* law also includes a child born to the *employee* during the coverage period or a child placed for adoption with the *employee* during the coverage period.

**EMPLOYEE:** An *employee* covered by the *employer's Plan* has the right to elect continuation coverage if coverage is lost due to one of the following *qualifying events*:

- Termination (for reasons other than gross misconduct, as defined by *your employer*) of the *employee's* employment or reduction in the hours of *employee's* employment; or
- Termination of *retiree* coverage when the former *employer* discontinues *retiree* coverage within one year before or one year after filing for Chapter 11 bankruptcy.

**SPOUSE:** A *spouse* covered by the *employer's Plan* has the right to elect continuation coverage if the group coverage is lost due to one of the following *qualifying events*:

- The death of the *employee*;
- Termination of the *employee's* employment (for reasons other than gross misconduct, as defined by *your employer*) or reduction of the *employee's* hours of employment with the *employer*;
- Divorce or legal separation from the *employee*;
- The *employee* becomes entitled to *Medicare* benefits; or
- Termination of a *retiree spouse's* coverage when the former *employer* discontinues *retiree* coverage within one year before or one year after filing for Chapter 11 bankruptcy.

**DEPENDENT CHILD:** A *dependent* child covered by the *employer's Plan* has the right to continuation coverage if group coverage is lost due to one of the following *qualifying events*:

- The death of the *employee-parent*;
- The termination of the *employee-parent's* employment (for reasons other than gross misconduct, as defined by *your employer*) or reduction in the *employee-parent's* hours of employment with the *employer*;
- The *employee-parent's* divorce or legal separation;

---

## CONTINUATION OF MEDICAL BENEFITS (continued)

---

- Ceasing to be a "*dependent child*" under this *Plan*;
- The *employee*-parent becomes entitled to *Medicare* benefits; or
- Termination of the *retiree*-parent's coverage when the former *employer* discontinues *retiree* coverage within one year before or one year after filing for Chapter 11 bankruptcy.

### LOSS OF COVERAGE

Coverage is lost in connection with the foregoing qualified events, when a covered *employee*, *spouse* or *dependent child* ceases to be covered under the same *Plan* terms and conditions as in effect immediately before the *qualifying event* (such as an increase in the *premium* or contribution that must be paid for *employee*, *spouse* or *dependent child* coverage).

If coverage is reduced or eliminated in anticipation of an event (for example, an *employer* eliminating an *employee's* coverage in anticipation of the termination of the *employee's* employment, or an *employee* eliminating the coverage of the *employee's spouse* in anticipation of a divorce or legal separation), the reduction or elimination is disregarded in determining whether the event causes a loss of coverage.

A loss of coverage need not occur immediately after the event, so long as it occurs before the end of the Maximum Coverage Period.

### NOTICES AND ELECTION

This *Plan* provides that coverage terminates for a *spouse* due to legal separation or divorce or for a child when that child loses *dependent* status. Under the law, the *employee* or *qualified beneficiary* has the responsibility to inform the *Plan Administrator* (see Plan Description Information) if one of the above events has occurred. The *qualified beneficiary* must give this notice within 60 days after the event occurs. (For example, an ex-*spouse* should make sure that the *Plan Administrator* is notified of his or her divorce, whether or not his or her coverage was reduced or eliminated in anticipation of the event). When the *Plan Administrator* is notified that one of these events has happened, it is the *Plan Administrator's* responsibility to notify Humana who has contracted with a *COBRA Service Provider* who will in turn notify the *qualified beneficiary* of the right to elect continuation coverage.

For a *qualified beneficiary* who is determined under the Social Security Act to be disabled at any time during the first 60 days of *COBRA* coverage, the continuation coverage period may be extended 11 additional months. The disability that extends the 18-month coverage period must be determined under Title II (Old Age, Survivors, and Disability Insurance) or Title XVI (Supplemental Security Income) of the Social Security Act. To be entitled to the extended coverage period, the disabled *qualified beneficiary* must provide notice to the *COBRA Service Provider* within the initial 18 month coverage period and within 60 days after the date of the determination of disability under the Social Security Act. Failure to provide this notice will result in the loss of the right to extend the *COBRA* continuation period.

For termination of employment, reduction in work hours, the death of the *employee*, the *employee* becoming covered by *Medicare* or loss of *retiree* benefits due to bankruptcy, it is the *Plan Administrator's* responsibility to notify Humana who has contracted with a *COBRA Service Provider* who will in turn notify the *qualified beneficiary* of the right to elect continuation coverage.

Under the law, continuation coverage must be elected within 60 days after *Plan* coverage ends, or if later, 60 days after the date of the notice of the right to elect continuation coverage. If continuation coverage is not elected within the 60 day period, the right to elect coverage under this *Plan* will end.

---

## CONTINUATION OF MEDICAL BENEFITS (continued)

---

A covered *employee* or the *spouse* of the covered *employee* may elect continuation coverage for all covered *dependents*, even if the covered *employee* or *spouse* of the covered *employee* or all covered *dependents* are covered under another group health plan (as an *employee* or otherwise) prior to the election. The covered *employee*, his or her *spouse* and *dependent* child, however, each have an independent right to elect continuation coverage. Thus a *spouse* or *dependent* child may elect continuation coverage even if the covered *employee* does not elect it.

Coverage will not be provided during the election period. However, if the individual makes a timely election, coverage will be provided from the date that coverage would otherwise have been lost. If coverage is waived before the end of the 60 day election period and the waiver revoked before the end of the 60 day election period, coverage will be effective on the date the election of coverage is sent to the *COBRA Service Provider*.

On August 6, 2002, The Trade Act of 2002 (TAA), was signed in to law. Workers whose employment is adversely affected by international trade (increased import or shift in production to another country) may become eligible to receive TAA. TAA provides a second 60-day COBRA election period for those who become eligible for assistance under TAA. Pursuant to the Trade Act of 1974, an individual who is either an eligible TAA recipient or an eligible alternative TAA recipient and who did not elect continuation coverage during the 60-day COBRA election period that was a direct consequence of the TAA-related loss of coverage, may elect continuation coverage during a 60-day period that begins on the first day of the month in which he or she is determined to be TAA-eligible individual, provided such election is made not later than 6 months after the date of the TAA-related loss of coverage. Any continuation coverage elected during the second election period will begin with the first day of the second election period and not on the date on which coverage originally lapsed.

TAA created a new tax credit for certain individuals who became eligible for trade adjustment assistance (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 65% of *premiums* paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Care Tax Credit Customer Contact Center toll-free at 1-866-628-4282. TTD/TTY callers may call toll-free at 1-866-626-4282.

The *Plan Administrator* shall require documentation evidencing eligibility of TAA benefits. This *Plan* need not require every available document to establish evidence of TAA. The burden for evidencing TAA eligibility is that of the individual applying for coverage under this *Plan*.

### MAXIMUM COVERAGE PERIOD

Coverage may continue up to:

- 18 months for an *employee* and/or *dependent* whose group coverage ended due to termination of the *employee's* employment or reduction in hours of employment;
- 36 months for a *spouse* whose coverage ended due to the death of the *employee* or *retiree*, divorce, or the *employee* becoming entitled to *Medicare* at the time of the initial *qualifying event*;
- 36 months for a *dependent* child whose coverage ended due to the divorce of the *employee* parent, the *employee* becoming entitled to *Medicare* at the time of the initial *qualifying event*, the death of the *employee*, or the child ceasing to be a *dependent* under this *Plan*;

---

## CONTINUATION OF MEDICAL BENEFITS (continued)

---

- For the *retiree*, until the date of death of the *retiree* who is on continuation due to loss of coverage within one year before or one year after the *employer* filed Chapter 11 bankruptcy.

### DISABILITY

An 11-month extension of coverage may be available if any of the qualified beneficiaries are determined by the Social Security Administration (SSA) to be disabled. The disability has to have started at some time before the 60<sup>th</sup> day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. The *qualified beneficiary* must provide notice of such determination prior to the end of the initial 18-month continuation period to be entitled to the additional 11 months of coverage. Each *qualified beneficiary* who has elected continuation coverage will be entitled to the 11-month disability extension if one of them qualifies. If a *qualified beneficiary* is determined by SSA to no longer be disabled, *you* must notify this *Plan* of that fact within 30 days after SSA's determination.

### SECOND QUALIFYING EVENT

An 18-month extension of coverage will be available to *spouses* and *dependent* children who elect continuation coverage if a second *qualifying event* occurs during the first 18 months of continuation coverage. The maximum amount of continuation coverage available when a second *qualifying event* occurs is 36 months. Such second *qualifying event* may include the death of a covered *employee*, divorce or separation from the covered *employee*, the covered *employee's* becoming entitled to *Medicare* benefits (under Part A, Part B, or both), or a *dependent* child's ceasing to be eligible for coverage as a *dependent* under this *Plan*. These events can be a second *qualifying event* only if they would have caused the *qualified beneficiary* to lose coverage under this *Plan* if the first *qualifying event* had not occurred. *You* must notify this *Plan* within 60 days after the second *qualifying event* occurs if *you* want to extend *your* continuation coverage.

### TERMINATION BEFORE THE END OF MAXIMUM COVERAGE PERIOD

Continuation coverage will terminate before the end of the maximum coverage period for any of the following reasons:

- The *employer* no longer provides group health coverage to any of its *employees*;
- The *premium* for continuation is not paid timely;
- The individual on continuation becomes covered under another group health plan (as an *employee* or otherwise); however, if the new plan coverage contains any exclusion or limitation with respect to any *pre-existing condition*, then continuation coverage will end for this reason only after the exclusion or limitation no longer applies or prior *creditable coverage* satisfies the exclusion or limitation;

NOTE: The federal Health Insurance Portability and Accountability Act of 1996 requires portability of health care coverage effective for plan years beginning after June 30, 1997, an exclusion or limitation under the other group health plan may not apply at all to the *qualified beneficiary*, depending on the length of his or her prior *creditable coverage*. Portability means once *you* obtain health insurance, *you* will be able to use evidence of that insurance to reduce or eliminate any pre-existing medical condition limitation period (under certain circumstances) when *you* move from one health plan to another.

---

## CONTINUATION OF MEDICAL BENEFITS (continued)

---

- The individual on continuation becomes entitled to *Medicare* benefits;
- If there is a final determination under Title II or XVI of the Social Security Act that an individual is no longer disabled; however, continuation coverage will not end until the month that begins more than 30 days after the determination;
- The occurrence of any event (e.g. submission of a fraudulent *claim*) permitting termination of coverage for cause under this *Plan*.

### TYPE OF COVERAGE; PREMIUM PAYMENT

If continuation coverage is elected, the coverage must be identical to the coverage provided under the *employer's Plan* to similarly situated non-COBRA beneficiaries. This means that if the coverage for similarly situated non-COBRA beneficiaries is modified, coverage for the individual on continuation will be modified.

The initial *premium* payment for continuation coverage is due by the 45th day after coverage is elected. The initial *premium* includes charges back to the date the continuation coverage began. All other *premiums* are due on the first of the month for which the *premium* is paid, subject to a 31 day grace period. The *COBRA Service Provider* must provide the individual with a quote of the total monthly *premium*.

*Premium* for continuation coverage may be increased, however, the *premium* may not be increased more than once in any determination period. The determination period is a 12 month period which is established by this *Plan*.

The monthly *premium* payment to this *Plan* for continuing coverage must be submitted directly to the *COBRA Service Provider*. This monthly *premium* may include the *employee's* share and any portion previously paid by the *employer*. The monthly *premium* must be a reasonable estimate of the cost of providing coverage under this *Plan* for similarly situated non-COBRA beneficiaries. The *premium* for *COBRA* continuation coverage may include a 2% administration charge. However, for qualified beneficiaries who are receiving up to 11 months additional coverage (beyond the first 18 months) due to disability extension (and not a second *qualifying event*), the *premium* for *COBRA* continuation coverage may be up to 150% of the applicable *premium* for the additional months. Qualified beneficiaries who do not take the additional 11 months of special coverage will pay up to 102% of the *premium* cost.

### OTHER INFORMATION

Additional information regarding rights and obligations under this *Plan* and under federal law may be obtained by contacting the *COBRA Service Provider* or Humana.

It is important for the *covered person* or *qualified beneficiary* to keep the *Plan Administrator*, *COBRA Service Provider* and Humana informed of any changes in marital status, or a change of address.

# THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT OF 1994 (USERRA)

---

## CONTINUATION OF BENEFITS

Effective October 13, 1994 federal law requires that health plans must offer to continue coverage for *employees* who are absent due to service in the uniformed services and/or their *dependents*. Coverage may continue for up to twenty-four (24) months after the date the *employee* is first absent due to uniformed service.

## ELIGIBILITY

An *employee* is eligible for continuation under USERRA if absent from employment because of voluntary or involuntary performance of duty in the Armed Forces, Army National Guard, Air National Guard, the commissioned corps of the Public Health Service or any other category of persons designated by the President of the United States of America in a time of war or national emergency. Duty includes absence for active duty, active duty for training, initial active duty for training, inactive duty training, full-time National Guard duty and for the purpose of an examination to determine fitness for duty.

An *employee's dependent* who has coverage under this *Plan* immediately prior to the date of the *employee's* covered absence are eligible to elect continuation under USERRA.

## PREMIUM PAYMENT

If continuation of *Plan* coverage is elected under USERRA, the *employee* or *dependent* is responsible for payment of the applicable cost of coverage. If the *employee* is absent for 30 days or less, the cost will be the amount the *employee* would otherwise pay for coverage. For absences exceeding 30 days, the cost may be up to 102% of the cost of coverage under this *Plan*. This includes the *employee's* share and any portion previously paid by the *employer*.

## DURATION OF COVERAGE

Elected continuation coverage under USERRA will continue until the earlier of:

- 24 months beginning the first day of absence from employment due to service in the uniformed services; or
- The day after the *employee* fails to apply for, or return to employment, as required by USERRA, after completion of a period of service.

Under federal law, the period of coverage available under USERRA shall run concurrently with the COBRA period available to an *employee* and/or eligible *dependents*.

## OTHER INFORMATION

*Employees* should contact their *employer* with any questions regarding coverage normally available during a military leave of absence or continuation coverage and notify the *employer* of any changes in marital status, or a change of address.

---

## MEDICAL CONVERSION PRIVILEGE

---

If *your* medical coverage under the Plan terminates, medical conversion coverage is available without medical examination. The medical conversion coverage will provide lesser benefits than this Plan.

*You* are eligible to apply for medical conversion if *you* were covered under the Plan for at least 90 days and:

1. *Your* coverage ends because *your* employment terminated;
2. *You* are the covered *dependent* former *spouse* or a covered *dependent* child of an *employee* whose marriage ended due to legal annulment, dissolution or divorce;
3. *You* are the surviving *dependent spouse* or child, in the event of the *employee's* death, or at the end of any survivorship continuation provided in the Plan; or
4. *You* have been a covered *dependent* child but no longer meet the definition of *dependent* under the Plan.

*You* have 31 days after the date *your* coverage terminates to make conversion application to the *Plan Manager*, and pay the required *premium* for *your* individual or family coverage. The premium must be paid monthly, in advance. *You* may obtain application forms from the *Plan Manager*. The conversion coverage will be effective on the day after *your* group medical coverage ends, provided *you* enroll and pay the first *premium* within 31 days after the date *your* coverage terminates.

### LIMITATIONS

This privilege does *not* apply when *your* group medical coverage terminates under the Plan and is replaced with other group medical coverage within 31 days of the termination of *your* coverage under the Plan.

If *you* had any *pre-existing condition* which could have been excluded under the Plan, it will be excluded under the medical conversion coverage. The medical benefits under the conversion coverage in the first year will not exceed the benefit limits which would have been paid under the Plan. The benefits may be reduced by the amount of benefits paid under the Plan after *your* coverage ended.

### DUPLICATION OF COVERAGE

Humana Insurance Company (HIC) will not issue individual medical conversion to *you* if HIC determines that *you* have other coverage that would result in overinsurance or duplication of benefits with the medical conversion plan. HIC determines overinsurance according to its standards. Individual medical conversion may not be offered to *you* if *you* are eligible for *Medicare*. Please contact *your employer* or HIC for additional information.

### **THE WOMEN’S HEALTH AND CANCER RIGHTS ACT OF 1998 (WHCRA)**

If *you* have had or are going to have a mastectomy, *you* may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the covered mastectomy was performed;
- *Surgery* and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

### **THE NEWBORNS’ AND MOTHERS’ HEALTH PROTECTION ACT OF 1996**

The Newborns’ and Mothers’ Health Protection Act of 1996 provides that group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any *hospital* length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending *provider*, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). An attending *provider* is defined as an individual who is licensed under applicable state law to provide maternal or pediatric care and who is directly responsible for providing such care to a mother or newborn child. The definition of attending *provider* does not include a plan, *hospital*, managed care organization or other issuer. In any case, plans may not, under Federal law, require that a *provider* obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

### **MICHELLE’S LAW**

This *Plan* is compliant with Michelle’s Law, effective January 1, 2010. Under Michelle’s Law, this *Plan* must continue to provide coverage to a “dependent child” if the child takes a leave of absence from a postsecondary educational institution, or has a change in enrollment status, that:

- Begins when the student is suffering from a serious injury or illness;
- Is *medically necessary* (as confirmed in a written communication from the student’s treating physician); and
- Causes the child to lose student status for purposes of coverage under the *Plan*.

A “*dependent child*” for purposes of Michelle’s Law is a child who (1) is a *dependent* child of a participant or beneficiary under the terms of the *Plan*, and (2) was enrolled in the *Plan* on the basis of being a student at a postsecondary educational institution immediately before the medical leave of absence began.

---

**ADDITIONAL NOTICES (continued)**

---

This *Plan* will continue the child's coverage for up to one year after the leave of absence begins or, if earlier, until coverage would have otherwise terminated under the terms of the *Plan*.

**MENTAL HEALTH PARITY ACT (MHPA) AND MENTAL HEALTH PARITY AND ADDICTION EQUITY ACT OF 2008**

This includes adding a *dependent* to the *Plan* who does not meet the KEHP eligibility rules.

**After confirming KEHP *dependent* eligibility above, the next step is to indicate whether the *dependent* qualifies as a "Federal Tax Dependent" for purposes of the KEHP's Section 125 Cafeteria Plan.**

If *your* dependent qualifies then he/she will be covered on a pre-tax basis . If not, he/she is still eligible but coverage will be on a post-tax basis.

**Section 125 Cafeteria Plan and Working Families Tax Relief Act (WFTRA) of 2004**

In the Working Families Tax Relief Act (WFTRA) of 2004 (I.R.C. § 152), Congress changed the way the Internal Revenue Service treats children under the tax code. This change may affect planholders if they pay their health insurance *premiums* pre-tax through the KEHP's Section 125 Cafeteria Plan. The WFTRA of 2004 developed a new definition for "qualified child" and "qualified relative." An *employee* will NOT be able to pay *dependent premiums* on a pre-tax basis if the *employee's*/planholder's *dependent(s)* **CANNOT MEET ONE** of these definitions (qualifying child or qualifying relative).

Pursuant to I.R.C. § 152, the definitions are as follows:

1. A "**qualifying child**" (QC) of an *employee* under Code § 152, there are four tests—the relationship, residency, age, and limited self-support tests.

A "**qualifying child**" (QC) is a child who unmarried and:

- Has a specific, family-type relationship to the *member* taxpayer (See definition of "Child" above). (The relationship test);
- Resides with the *member* in his/her household for more than half of the tax year (with certain exceptions such as "temporary absences" if a full-time student). (The residency test);

---

## DEFINITIONS (continued)

---

- Is under age 19 and not a full-time student (or under age 24 if a fulltime student) as of the end of the *calendar year* in which the *member's* taxable year begins. A “student” means an individual who, during each of five calendar months during the *calendar year* in which the *employee's* taxable year begins, is a full-time student at an educational organization (The age test);
  - There is no age requirement if a child is permanently and totally disabled;
  - Individual must not provide more than half of his or her own support for the *calendar year* in which the taxable year of the *employee* begins (The limited self-support test).
2. In order to be a “**qualifying relative**” (QR) of an *employee* under Code § 152(d), there are three tests—the relationship, support, and not anyone’s qualifying child tests.

A “**qualifying relative**” (QR) is a child or other individual who:

- Has a specific, family-type relationship to the *member* taxpayer (See definition of “Child” above) (The relationship test);
- A person cannot be a “qualifying relative” of the *member* if at any time during the taxable year the relationship between the *member* and the person violates federal, state, or local law; (The relationship test);
- Receives over half of his/her own support from the *member*-taxpayer. Support includes food, shelter, clothing, medical and dental care, education, and the like.) (The support test);
- Is not anyone’s (including the *member's*) “qualifying child.” (See definition above) (The not anyone’s qualifying child test).

NOTE: An individual generally will not be a *dependent* under Code § 152 if he or she is a *dependent* of a Code § 152 *dependent*, a married *dependent* filing a joint tax return, or a citizen or national of a country other than the United States.

**NOTE:** Under Code § 152(e), a special rule determines which one of a child’s parents is entitled to claim the child as a qualifying child or as a qualifying relative when the parents are divorced, separated, or living apart. Generally, the parent most likely to claim the child is the “custodial parent”. Because one of the requirements to be a qualifying child is that the child must have the same principal place of abode as the *employee* for more than half of the *employee's* taxable year ordinarily the noncustodial parent generally would not be entitled to claim the child as a qualifying child or qualifying relative. But under Code § 152(e) if specific conditions are met, a child can be the qualifying child or qualifying relative of the noncustodial parent instead. Please consult *your* tax advisor to determine if *you* meet the requirements of this special rule.

## DEFINITIONS (continued)

---

### **Tax Consequences**

Paying *dependent premiums* on a pre-tax basis for an individual who does not meet the definition of “qualifying child” or “qualifying relative” may be in violation of federal tax law. However, if a *dependent* child fails to meet the requirements of a I.R.C. § 152 qualifying child or qualifying relative he or she may be eligible to be covered as a *dependent* on a post-tax basis pursuant to KEHP plan eligibility defined by KRS 304-17A.256.

The primary purpose of such *admission* is to arrive at a diagnosis through the use of x-ray and laboratory tests, consultations, and evaluation, as documented by the *hospital's* medical records, these *diagnostic services* could be provided on an *outpatient* basis to determine the need for treatment.

***Eligible class*** means performing on a regular, full-time basis all customary occupational duties, as determined by the *employer*, at the *employer's* business locations or when required to travel for the *employer's* business purposes. ## DEFINITIONS (continued)

---

Unless otherwise required by law with respect to drugs which have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration (FDA), the plan shall not cover any *services* or supplies, including treatment, procedures, drugs, biological products or medical devices or any hospitalization in connection with *experimental or investigational services* or supplies. The plan shall not cover any technology or any hospitalization in connection with such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of the *covered person's* particular condition. Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of the particular condition as explained below.

The carrier shall apply the following five (5) criteria in determining whether *services* or supplies are *experimental or investigational*:

1. Any medical device, drug, or biological product must have received final approval to market by the FDA for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug, or biological product for another diagnosis or condition shall require that one or more of the following established reference compendia: (1) the American Medical Association Drug Evaluations; (2) the American Hospital Formulary Service Drug Information; or (3) the United States Pharmacopoeia Drug Information, recognize the usage as appropriate medical treatment. As an alternative to such recognition in one (1) or more of the compendia, the usage of the drug shall be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests shall not be considered *experimental or investigational*. In any event, any drug which the FDA has determined to be contraindicated for the specific treatment for which the drug has been prescribed shall be considered *experimental or investigational*.
2. ## ADDITIONAL NOTICES

### NOTICE TO ENROLLEES CONCERNING TOBACCO

Under a Federal law known as the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Public Law 104-191, as amended, group health plans must generally comply with certain requirements. However, the law also permits state and local governmental employers that sponsor health plans to elect to exempt a plan from these requirements for any part of the plan that is “self-funded” by the employer, rather than provided through a health insurance policy. A group health plan may not discriminate in enrollment rules or in the amount of premiums or contributions it requires an individual to pay based on certain health status-related factors: health status, medical condition (physical and mental illnesses), claims experience, receipt of health care, medical history, genetic information, evidence of insurability, and disability. **The sole differentiation among enrollees in the Commonwealth’s Plan relates to the incentive, through a greater employer contribution, offered to enrollees that refrain from the use of tobacco products. No other health-related factors are used to distinguish enrollees.**
