**Living Well** Promise for 2020:

All plans include the Promise for 2020.

All planholders **must** take the health assessment or complete a biometric screening.
This Benefits Selection Guide was created in partnership with Anthem and the Personnel Cabinet. Benefits are subject to the terms, conditions, limitations, and exclusions as set forth in the Summary Plan Descriptions and Medical Benefit Booklets.

Try the Benefits Analyzer! It’s available again this year, but with a twist! Now you can use the online portal to model different healthcare scenarios to help you choose the benefits that are right for you. Click here to use the tool.
Here are the highlights for Open Enrollment

It’s here! Open Enrollment is October 14 – 30, 2019. The benefit changes for 2020 are small and so are the premium increases for 2020. You’ll see low deductible and out-of-pocket maximum increases of $250 for all plans.

- StayWell® is the new well-being vendor for 2020. See page 4 for more information.
- Check out the highlights below and more details throughout this Benefits Selection Guide.

Flexible Spending Account (FSA)

If you want an FSA for 2020, (even if you had one for 2019), you’ll need to enroll and choose your deduction amount. Choose from two FSAs:

- Healthcare FSA. Elect to have money taken pre-tax from your paycheck and deposited to a debit VISA card to pay for expenses not covered by insurance, such as co-insurance and deductibles. The Healthcare FSA maximum contribution amount increased to $2,700.
- Child and Adult Daycare FSA. Choose to have money taken pre-tax from your paycheck, and use it to pay for child and adult daycare services.

Anthem Optional Dental and Vision Insurance premiums will be pre-tax payroll deducted in 2020!

- Keep your current coverage — no action required.
- Elect new coverage.
- Terminate current coverage.

Health Insurance — Mandatory Enrollment

Remember, you have to choose a health insurance plan option. If you don’t need health insurance, you must waive your coverage by October 30. You decide, but you must take action. You must either choose a health plan or waive coverage.

Health insurance plan options (same as 2019):

- LivingWell CDHP
- LivingWell PPO
- LivingWell Basic CDHP
- LivingWell Limited High Deductible

If you have health insurance somewhere else and don’t need coverage through the Kentucky Employees’ Health Plan (KEHP), you may be eligible for one of the Health Reimbursement Arrangements (HRAs) below:

- Waiver General Purpose HRA
- Waiver Dental/Vision ONLY HRA

Life Insurance

While this year is not considered an open enrollment period for life insurance, you can add or increase optional life insurance coverage on yourself, your spouse, or your dependents, at any time, provided a satisfactory Evidence of Insurability is submitted for you and your spouse. See page 29 for more details.

Update your life insurance beneficiary information in KHRIS ESS.

Think of your future — any day, month, or year — and imagine your ideal physical and emotional health

KEHP’s LivingWell program is here to help you meet your goals in 2020; and StayWell®, our new well-being partner, provides you with tools and resources to help you achieve your ideal vision.

It Pays to Get Healthy

We know that living a healthy lifestyle isn’t always easy. That’s why the LivingWell program offers incentives as a reward to encourage you along the way. Beginning in January 2020, you can earn incentives through StayWell® by completing your LivingWell Promise and engaging in activities.

- **Living Well Promise incentive** — earn $480 a year ($40 per month) in premium discounts in 2021 when you complete your health assessment or biometric screening.
- **Living Well Engagement incentives** — earn up to $200 a year in additional incentives for engaging in a health and wellness activity through StayWell®. You can earn gift cards for activities like getting a preventive dental visit, completing education sessions, participating in health coaching, or completing step goals.

**NEW** for 2020: All KEHP members, including those who waive health insurance, are eligible for StayWell®!

Copyright 2019. StayWell respects your privacy and only shares your personal information as described in the privacy statement, which is available on the portal.
The **Living Well** Promise — All planholders must complete for 2020.

KEHP is continuing the LivingWell Promise in 2020. All plans require completion of the LivingWell Promise.

### 2020 **Living Well** Incentive

Earn $480 a year ($40 per month) in premium discounts in 2021 when you complete your health assessment or biometric screening.

- You must take your health assessment through StayWell® or get a biometric screening.
- Your LivingWell Promise must be completed between January 1 and July 1, 2020 in order to receive discount.
- You will not receive the LivingWell Promise premium discount in 2021 if you do not complete a health assessment or biometric screening.

If you have the cross-reference payment option:

- You and your spouse must both fulfill the LivingWell Promise;
- You and your spouse will each receive the $40 monthly premium discount in 2021 based on your LivingWell Promise completion in 2020;
  - If only one person completes the LivingWell Promise, only that person will receive the premium discount in 2021; and
- You and your spouse can choose separately how you complete the Promise with either the health assessment or biometric screening.

### 2020 **Living Well** Priorities

The KEHP and StayWell® are committed to helping members improve their health and well-being in four major areas:

- **Physical**
- **Emotional**
- **Social**
- **Financial**

Studies show that engaging in your own wellness reduces your healthcare costs.
Choosing Your Plan

Let the Benefits Analyzer help you choose your plan. Click here to see the recommended plan based on your previous healthcare claims. See below for additional help in choosing the plan that best suits your needs.

Do you want to pay less in premiums and receive money in an HRA?

Do you prefer to pay more in premiums and have a set co-pay for doctor's office visits and prescriptions?

Do you want basic coverage for lower premiums and receive money in an HRA?

This is not the plan for most people. Do you have limited funds to pay for a health plan?

---

**PLAN 1**

Do you want cheaper premiums; pay 15% after you meet your deductible for most services; and use your HRA to help pay for your deductible?

LivingWell CDHP may be the plan for you! It's the richest plan and is recommended for both those with a small amount of expenses and those with a lot of expenses. All of your covered expenses apply to the out-of-pocket maximum so you get to 100% faster!

**PLAN 2**

Do you want to budget your monthly expenses with a set co-pay for some services; pay 20% after you meet your deductible for most services?

LivingWell PPO may be the plan for you! This plan has the highest premium, and only a few services are with a set co-pay; co-pays do not apply to your deductible.

**PLAN 3**

Do you want cheaper premiums; pay 30% after you meet the deductible for most services; have a value drug formulary with only 2 tiers of coverage and an HRA to help pay for your deductible?

LivingWell Basic CDHP may be the plan for you! Very low premiums for a great plan.

**PLAN 4**

Do you want the lowest premiums; pay 50% after you meet the highest deductible; have a value drug formulary with only 2 tiers of coverage?

LivingWell Limited High Deductible is a catastrophic-type plan with the cheapest premium. Be careful in selecting this plan!

Note: The Benefits Analyzer is available to most KEHP planholders in both print and online formats. You will not be eligible for the Benefits Analyzer if you joined KEHP after June 1, 2019. You will receive one letter for your family if you have the cross-reference payment option, and you may use the online portal using the primary planholder's credentials only. If you are a KCTCS employee or retiree, you will receive the Analyzer in print only.

*Premiums are per month, single coverage, for a non-tobacco user who has fulfilled the LivingWell Promise. See pages 14-15 for details.
The LivingWell Consumer Driven Health Plan (CDHP)
Pay less in premiums and receive money in an HRA.

You pay 15% and the health plan pays 85% once your deductible is met.

Your medical and pharmacy costs both apply toward the deductible and maximum out-of-pocket expenses.

You only pay the co-insurance amount on medications on the preventive therapy drug benefit list. No deductible!

Your prescription benefit is administered through CVS Caremark’s Advanced Control Formulary.

You will receive a pre-funded Health Reimbursement Arrangement (HRA) to use to pay for part of your deductible and maximum out-of-pocket costs.

Use the HRA to help meet your deductible
- You will receive a WageWorks® debit VISA Healthcare Card that is pre-funded with $500 if you have single coverage or $1,000 if you have couple, parent-plus, or family coverage levels.
- Use the HRA to help pay for your co-insurance, which reduces your deductible.
- Use this card at your doctor’s office, hospital, or pharmacy. Simply swipe the card to help pay for your eligible expenses, which will be deducted from your card balance.
- You can also use this card to pay for eligible vision and dental expenses; these expenses do not reduce your deductible.

TIP: See page 20 to learn more about a Flexible Spending Account. You can add additional money to a Healthcare FSA to use with the pre-funded WageWorks debit VISA Healthcare Card that comes with the LivingWell CDHP.

Go shopping, earn money. Use SmartShopper!
The LivingWell Preferred Provider Organization (PPO)

Pay more in premiums and have set co-pays for doctor’s office visits and prescriptions.

- Your co-pays will not apply to your deductible, but will apply to your out-of-pocket maximum.
- You will have a co-payment for all prescription tiers.
- Your prescription benefit is administered through CVS Caremark’s Advanced Control Formulary.
- Your medical out-of-pocket maximum is separate from your pharmacy out-of-pocket maximum, and they accumulate separately.

Free 24/7 NurseLine at 877-636-3720.
The LivingWell Basic CDHP
Basic coverage for lower premiums and receive money in an HRA.

- You pay 30% and the health plan pays 70% once your deductible is met.
- Your medical and pharmacy costs both apply toward the deductible and maximum out-of-pocket.
- You only pay the co-insurance amount on medications on the preventive therapy drug benefit list. No deductible!
- Your prescription benefit is administered through CVS Caremark’s Value Formulary. This formulary includes mostly generics with few brand-named medications.
- You will receive a pre-funded HRA to use to pay for part of your deductible and maximum out-of-pocket costs.

Use the HRA to help meet your deductible
- You will receive a WageWorks® debit VISA Healthcare Card that is pre-funded with $250 if you have single coverage or $500 if you have couple, parent-plus, or family coverage levels.
- Use the HRA to help pay for covered expenses, which reduces your deductible.
- Use this card at your doctor’s office, hospital, or pharmacy. Simply swipe the card to help pay for your eligible expenses, which will be deducted from your card balance.
- You can also use this card to pay for eligible vision and dental expenses; these expenses do not reduce your deductible.

TIP: See page 20 to learn more about a Flexible Spending Account. You can add additional money to a Healthcare FSA to use with the pre-funded WageWorks debit VISA Healthcare Card that comes with the LivingWell Basic CDHP.
The LivingWell Limited High Deductible Plan
This is NOT the best plan for most people, this plan provides catastrophic-type coverage. Please choose carefully.

- You **WILL NOT** receive money in a pre-funded HRA.
- Your medical and pharmacy costs both apply toward the deductible and maximum out-of-pocket expenses.

Notes: The boxed areas of the grid are components of each plan most often used by members when choosing a plan option, but are not all inclusive. You can refer to the Summary of Benefits and Coverage (SBC) for more information. KEHP has made every attempt to ensure the accuracy of the benefits outlined in this Benefits Grid. If an error has occurred, the benefits outlined in the 2020 Summary Plan Descriptions (SPDs) and Medical Benefit Booklets will determine how benefits are paid. Benefits are subject to the terms, conditions, limitations, and exclusions set forth in the SPDs.

* Co-pays do not accumulate toward the deductible, but they do accumulate toward the applicable out-of-pocket maximum.

** LivingWell CDHP, LivingWell Basic CDHP, and LivingWell Limited High Deductible Plan: all covered expenses apply to the out-of-pocket maximum, except routine well child and routine well adult.

LivingWell PPO: the out-of-pocket maximum accumulates separately and independently for medical and prescription drug benefits.

*** Certain drugs to treat diabetes, COPD, and asthma are subject to reduced co-pays and co-insurance with no deductibles. A 90-day supply of maintenance drugs is subject to lower co-pays and co-insurance. Select preventive/maintenance drugs bypass the deductible on the CDHPs and the Limited High Deductible Plan.

**** Claims are processed based on provider billing type, which may include separate charges from a lab performing services outside of the doctor’s office visit.

**Preventive Therapy Drug Benefit — Bypass Your Deductible**

If you have a CDHP or the Limited High Deductible Plan, you only pay the co-insurance amount for medications on the Preventive Therapy Drug Benefit list. This is a list of medications you need on a regular basis to prevent conditions such as high blood pressure or high cholesterol. Refer to the Preventive Therapy Drug Benefit list at kehp.ky.gov. The co-insurance amounts are listed on the Benefits Grid on pages 12-13.

**Compare Your Drug Costs**

Don’t pay more for your prescriptions than you have to! CVS Caremark has a tool that allows you to check the cost of prescriptions at pharmacies close to you. Just go to caremark.com, then “My Plan & Benefits,” click on “Check Drug Cost & Coverage.” Enter the name of your prescription, and the tool will show you the cost at various local pharmacies. This tool is very helpful if you have a CDHP.

Additional information about your prescription drug coverage is available at kehp.ky.gov, or you may contact CVS Caremark at 866-601-6934.
Value Benefits for Diabetes, COPD, and Asthma

Diabetes, COPD, and asthma are serious conditions that may have serious complications. The KEHP continuously monitors the costs of these and other chronic conditions. Helping members control these diseases by reducing their costs has proven to be effective in improving health and reducing plan costs.

If you receive maintenance prescriptions or supplies for treatment of these conditions, your pharmacy costs are being reduced! This includes:
- Pressure machines;
- Infusion pumps;
- Blood pressure monitoring devices;
- Cardiac monitors; and
- Supplies and durable medical equipment.

You will pay a reduced co-pay and/or co-insurance, with NO DEDUCTIBLE, for most maintenance prescriptions or supplies. See the chart below for the cost that you will pay for prescriptions.

Most supplies and durable medical equipment related to diabetes, COPD, and asthma are covered in full with NO DEDUCTIBLE.

Waiver General Purpose HRA

Don’t Need Health Insurance?

If you have other health insurance and don’t need a health plan, you can choose a Health Reimbursement Arrangement (HRA). You may be eligible for a Waiver General Purpose HRA if you have other employer-sponsored health insurance. The HRA covers medical, dental, and vision services that your health insurance plan doesn’t cover such as the deductible and other out-of-pocket costs. You can use this HRA for you and your dependents, as long as you can attest that all persons covered under the Waiver General Purpose HRA have other employer-sponsored group health insurance coverage.

Your employer will contribute $175 per month, up to $2,100 per year, to your WageWorks® debit VISA Healthcare Card. It will be funded in two equal installments: $1,050 on January 1 and $1,050 on July 1.

The balance remaining in your Waiver General Purpose HRA at the end of the 2020 plan year will carry over to the 2021 plan year as long as you continue to waive your health insurance coverage and elect a Waiver General Purpose HRA. Your Waiver General Purpose HRA carryover balance between 2020 and 2021 is capped at $5,000.

You must make an election to waive your health insurance coverage and choose a Waiver General Purpose HRA.

Expenses that may be reimbursed under your Waiver General Purpose HRA:

- Medical and prescription expenses;
- Co-payments and co-insurance;
- Certain dental fees such as cleanings, fillings, and crowns;
- Orthodontic treatment;
- Vision fees, including contacts, eyeglasses, and laser vision correction; and
- Medical supplies such as wheelchairs, crutches, and walkers.

Who Is Eligible to Waive Coverage and Receive the Waiver General Purpose HRA

- Any active employee of a state agency, school board, or certain quasi-governmental agency who is eligible for state-sponsored health insurance coverage
- A retiree who has returned to work

Who Is Not Eligible

- An employee of an agency that does not participate in KEHP’s FSA/HRA program
- A retiree under age 65 who has gone back to work and elected coverage under the retirement system
- An employee who does not have employer-sponsored group health insurance coverage
- An employee who has individual health insurance coverage through the Marketplace
- An employee whose only other insurance is Medicare, Tricare, Medicaid, Veterans’ Benefits, or other governmental-sponsored health insurance
- An employee who is contributing or whose spouse is contributing to a Health Savings Account (HSA)

The WageWorks debit VISA Healthcare Card can only be used for services rendered in 2020. You must file a Pay-Me-Back or Pay-My-Provider claim with WageWorks for any services rendered in 2019.

More detailed information can be found at kehp.ky.gov and at wageworks.com/kehp.

Deferred Compensation

What is Kentucky Deferred Compensation?
Kentucky Deferred Compensation (KDC) is a tax-deferred retirement savings plan offered to all state employees, public school employees, university employees and employees of local political subdivisions that have elected to participate.

Why participate?
Chances are Social Security benefits, plus your state and other system retirement will not provide enough income to maintain your current standard of living. By contributing to a supplemental retirement plan, you consistently save with the goal of having additional income at retirement. KDC helps bridge the gap between what you’ll collect from your pension and what you need for retirement.

Plan options
- 457(b) Plan — tax-deferred
- 401(k) Plan — tax-deferred, which includes three after-tax options:
  - Roth 401(k);
  - Deemed Traditional IRA; and
  - Deemed Roth IRA.

Build a more secure retirement by supplementing your pension

Benefits
- Easy — contribute as little as $30 a month or $15 per pay
- Convenient — contributions automatically deducted from your paycheck
- Tax advantages — no federal or state income taxes on pre-tax contributions and earnings until the money is paid to you
- Low cost — as a KY State Government program, there is no profit incentive and savings are passed on to participants
- Accessible — manage your account online anytime, day or night
- Personal service — toll-free local Retirement Specialists are available across the Commonwealth
- Easy enrollment — only one form and a few minutes to get started

INCOME SOURCES IN RETIREMENT

50% from pension
50% other sources

On the average, a pension only provides about half of current income.¹

The Commonwealth of Kentucky is committed to fostering and promoting wellness and health in the workforce. As part of KEHP’s LivingWell wellness program, KEHP offers a monthly discount in premium contribution rates for non-tobacco users. You are eligible for the non-tobacco-user premium contribution rates provided you certify, during the health insurance enrollment process, that you or any other person over the age of 18 to be covered under your plan has not regularly used tobacco within the past six months. “Regularly” means tobacco has been used four or more times per week on average, excluding religious or ceremonial uses. “Tobacco” means all tobacco products including, but not limited to, cigarettes, pipes, chewing tobacco, snuff, dip, and any other tobacco products, regardless of the method of use. “KEHP Health Insurance Enrollment Application” refers to any method of enrolling in KEHP health insurance coverage, including submitting a paper application, completing and submitting an electronic application, or enrolling in KEHP health insurance coverage through an online enrollment system.

Whether you complete your KEHP health insurance enrollment online or submit a paper application, you are required to certify that all attestations regarding tobacco use are accurate. By completing the enrollment process, you certify the following:

1. I have truthfully answered all questions in my KEHP Health Insurance Enrollment Application regarding tobacco use by me, my spouse, and my dependents 18 years of age and over. My KEHP Health Insurance Enrollment Application accurately reflects the use of tobacco products in the past six months regarding myself and persons to be covered as a spouse or dependent under my insurance plan.

2. If I am completing my KEHP Health Insurance Enrollment Application during open enrollment, I understand that the tobacco-user premium contribution rates will apply beginning January 1, 2020, if I answered “Yes” to the tobacco use question.

3. If I am completing my KEHP Health Insurance Enrollment Application as a newly hired employee, I understand that the tobacco-user premium contribution rates will apply beginning on the first day of the second month after my hire date, if I answered “Yes” to the tobacco use question.

4. I understand that it is my responsibility to notify KEHP of any changes in my tobacco use or that of my spouse or a dependent covered under my insurance plan, including notification to KEHP if all tobacco users become ineligible for coverage or are otherwise terminated during the Plan Year. Notification shall be made by completing a Tobacco Use Change Form.

5. I understand that if I or a spouse or dependent to be covered under my insurance plan currently use tobacco products and stop using tobacco products during the Plan Year, I will be eligible for the discount non-tobacco premium contribution rates on the first day of the month following the signature date on the Tobacco Use Change Form certifying that neither I nor my spouse/dependent(s) regularly used tobacco products during the six months prior to completion of the Tobacco Use Change Form. Both cross-reference planholders must sign the Tobacco Use Change Form.

6. I understand that if I answered “No” to the tobacco use question and either I or a spouse or dependent covered under my insurance plan becomes a regular tobacco user at any time, I must notify KEHP and my contribution rates will be adjusted to the tobacco-user premium contribution rates on the first day of the month following the signature date on the Tobacco Use Change Form.

7. I understand that the tobacco use question is a part of my KEHP application for health insurance coverage. Any person who knowingly, and with the intent to defraud, files an application for insurance containing any materially false information, or who conceals, for the purpose of misleading, information concerning any fact material to the application, commits a fraudulent insurance act, which is a crime.

8. I understand that if I fail answer the tobacco use questions truthfully, KEHP may adjust my contribution rates retroactively to apply the applicable higher tobacco-user premium contribution rates. Upon written notification, I will pay to KEHP the difference between the tobacco-user and the non-tobacco user premium contribution rates for the period for which I falsely certified eligibility for the non-tobacco user premium contribution rates.

9. The KEHP offers monthly discounted premium contribution rates to non-tobacco users as a part of its LivingWell wellness program. Each KEHP member has at least one opportunity per Plan Year to qualify for the discount. KEHP is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact the Department of Employee Insurance at 888-581-8834 or 502-564-6534 and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.
Below are the Terms and Conditions for participation in group life, dental, vision, and health insurance coverage administered by the Department of Employee Insurance (DEI).

An Employee and Retiree (where applicable) may affix a signature to a paper copy of the KEHP Health Insurance Enrollment Application, the Group Life Insurance Application, the Group Dental or Vision Applications, or an electronic version of the applications. By typing your name on an electronic application or by logging in and using your unique KHRIS User ID and enrolling through the Employee Self-Service portal, you are agreeing to conduct enrollment in life, health, dental, and vision insurance coverage by electronic means, thereby creating a legal and binding contract. By affixing your signature in either manner, you understand and agree that:

A. **Plan Year.** The 2020 Plan Year begins January 1, 2020, and ends at midnight on December 31, 2020.

B. **Effective Date of Elections.** If you are electing a health plan, dental plan, vision plan, or a Flexible Spending Account (FSA) during open enrollment, the coverage will be effective January 1 of the following Plan Year. If you are a new employee or a newly eligible employee electing insurance coverage or an FSA outside of open enrollment, the FSA and your insurance coverage will be effective the first day of the second month after a new employee or newly eligible employee is eligible to enroll. Employees enrolling in life insurance must be actively at work, full time, on the day the employee’s insurance is scheduled to begin.

C. **Plan Information.** You have read and understand the 2020 Benefits Selection Guide (BSG). Plan rules and limitations are contained in the KEHP Summary Plan Descriptions (SPD) or Medical Benefit Booklets (MBB) and the Summary of Benefits and Coverage (SBC). Life insurance rules and limitations are outlined in the Certificate of Coverage (CoC). All benefits for your eligible dependents and you will be provided in accordance with the rules and limitations in the SPDs, MBBs, SBCs, and CoC. You will abide by all terms and conditions governing participation, membership, and receipt of services from the plans(s) in which you have enrolled and as set forth in the SPD, MBB, and CoC. In the event of a conflict between the terms of coverage stated in the SPDs, the MBBs, the SBCs, and the CoC, the terms of coverage stated in the SPDs or MBBs and CoC will govern.

D. **Third Party Administrators.** DEI uses third parties, including Anthem, CVS Caremark, WageWorks, StayWell, Vitals, and Nationwide Life Insurance Company to provide certain administrative functions. DEI may communicate with you directly or through these third parties about your insurance coverage, your benefits, or health-related products or services provided by or included in the Commonwealth’s group health, dental/vision, or life insurance plans.

E. **Cross-Reference.** If your spouse and you elect the cross-reference payment option for health insurance, you are planholders with family coverage, and upon a loss of eligibility by either spouse, the remaining planholder will default to a parent-plus coverage level. The cross-reference payment option ceases upon loss of eligibility or employment by either spouse/planholder.

F. **Dependent Eligibility.** You certify that each enrolled dependent meets the dependent eligibility requirements as set forth in the SPD and MBB (health) and the CoC (life). DEI may require supporting documentation to verify the eligibility of any dependent enrolled or requesting to be enrolled in benefits. Your failure to properly document dependent eligibility will result in the termination of the unverified dependent from your insurance plan(s).

G. **Changing Elections.** The elections indicated by your KEHP Health Insurance Enrollment Application, Group Dental or Vision Application, Group Life Insurance Application, or online enrollment may not be changed or cancelled during the Plan Year without a permitted Qualifying Event.

H. **Deduction from Earnings.** When you enroll in insurance coverage (health, dental, vision, or life) or an FSA, you authorize your employer to deduct from your earnings the amount required to cover your employee contribution to the FSA and insurance coverage you elected, including any arrears you may owe. Deductions for FSA and the employee contributions to health, dental, and vision insurance are made on a pre-tax basis unless you sign a Post-Tax Request Form. Deductions for life insurance premiums are made on a post-tax basis.

I. **Priority of Payments.** Any moneys submitted to DEI that you intend to be used to fund your FSA or pay for insurance premium contributions may first be used to pay other priority debts that may be due and owing, such as taxes and child support.

J. **Child and Adult Daycare FSA.** If you choose a Child and Adult Daycare FSA, you are eligible to seek reimbursement, as authorized by 26 U.S.C. Sections 21 and 129, for dependent care expenses. The Child and Adult Daycare FSA may only reimburse eligible dependent care expenses that are incurred during the applicable coverage period.

K. **FSA Election and Carryover.** You may elect to contribute up to $2,700 into a Healthcare FSA for Plan Year 2020 to pay for eligible healthcare expenses not paid for by your health insurance plan. Unused amounts of $50 and up to a maximum of $500.00 remaining in your Healthcare FSA at the end of the Plan Year will carry over to the next Plan Year. Amounts over $500.00 remaining in your Healthcare FSA at the end of the Plan Year are forfeited.

L. **WageWorks Healthcare Card.** WageWorks will administer FSAs and HRAs for the 2020 Plan Year and will issue a WageWorks Healthcare Card to you for the payment of Healthcare FSA and HRA expenses. Your WageWorks Healthcare Card will be suspended if requested claim verification is not sent to WageWorks within ninety (90) days after the card swipe. You agree to follow all rules and guidelines established by the Plan concerning the WageWorks Healthcare Card. The Plan reserves the right to deny access to the card, require repayment, deduct/withhold from your paycheck, and offset your Healthcare FSA or HRA if you fail to verify a claim.

M. **Waiving Health Insurance Coverage.** If you elect to waive KEHP health insurance coverage, with or without a Waiver Health Reimbursement Arrangement (HRA), you are doing so voluntarily. If your employer participates in the Waiver HRA program, there are two options available: the Waiver General Purpose HRA and the Waiver Dental/Vision ONLY HRA. You understand that you will be eligible for the Waiver General Purpose HRA only if you have other group health plan coverage. You further understand that your spouse and eligible dependents, if applicable, cannot be covered under the Waiver General Purpose HRA unless your spouse and dependents also have other group health plan coverage.
Insurance Terms and Conditions

N. Waiver General Purpose HRA Rules. If you elect a Waiver General Purpose HRA, you declare that you and your spouse and dependents, if applicable, are enrolled in another group health plan that provides minimum value. A “group health plan” refers to coverage provided by an employer, an employer organization, or a union. A “group health plan” does not include individual policies purchased through the Marketplace or governmental plans such as TRICARE, Veteran’s Benefits, Medicare, or Medicaid. A group health plan that provides “minimum value” means the plan pays at least 60% of the total allowed cost of covered benefits/services and participants or members in the plan are required to pay no more than 40% of the total allowed cost of covered benefits/services. If you elect a Waiver General Purpose HRA and cease to be covered under another group health plan that provides minimum value, you agree to notify KEHP within 35 days of the date that the other group health plan coverage ceased. In this event, coverage under the Waiver General Purpose HRA will be terminated and you may elect a KEHP health insurance plan option or the Waiver Dental/Vision ONLY HRA. Unpaid funds remaining in the Waiver General Purpose HRA upon termination are forfeited. You are permitted to permanently opt out of and waive future reimbursements from the Waiver General Purpose HRA at least annually at open enrollment.

O. HRA Carryover. Waiver HRAs: Unused amounts up to and including $5,000 remaining in your Waiver HRA at the end of the Plan Year may be carried over to the next Plan Year provided you are eligible to elect an HRA. CDHP Integrated HRAs: Unused amounts up to and including $7,500 remaining in your CDHP integrated HRA at the end of the Plan Year may be carried over to the next Plan Year. You must elect the same type of HRA in a subsequent Plan Year for the funds to carry over.

P. HRA/FSA Funds After Termination. You may use funds remaining in an HRA or FSA after termination to reimburse you for eligible expenses incurred during the coverage period and prior to termination of the HRA or FSA. Upon termination of employment, including retirement, the remaining amounts in an HRA and FSA are forfeited, except that you may be reimbursed for any eligible expenses incurred prior to the last day of the last pay period worked, provided that you file a claim by March 31 following the close of the Plan Year in which the expense was incurred.

Q. HRA and FSA Expense Reimbursement. An HRA and/or Healthcare FSA may only reimburse you for medical expenses, as authorized by 26 U.S.C. Sections 105(d) and 213(d), that are incurred during the applicable coverage period. The Waiver Dental/Vision ONLY HRA may only reimburse you for eligible dental and vision expenses. Pursuant to federal law, the cost of over-the-counter medicines (other than insulin and those prescribed by a doctor) may not be reimbursed through your HRA or Healthcare FSA.

R. HRA and FSA Run-Out Period. You have a 90-day run-out period (until March 31) for reimbursement of eligible FSA and HRA expenses incurred during the period of coverage.

S. Minimum Essential Coverage. KEHP provides plan options that, under the Affordable Care Act, constitute minimum essential coverage that is affordable and provides a minimum value. As such, by receiving an offer of coverage through your employer, neither you, your spouse, nor your dependent(s) are eligible for a health insurance premium tax credit if purchasing insurance through the Marketplace.

T. Coordination of KEHP Health Plans and Medicare Coverage. In general, the four KEHP plan options and the Waiver General Purpose HRA must pay primary to Medicare. The Waiver Dental/Vision ONLY HRA pays secondary to Medicare.

U. LivingWell Promise. Federal law allows KEHP to reward members who participate in the KEHP’s LivingWell wellness program. In 2020, all four KEHP health plans are a part of the KEHP’s LivingWell wellness program and require completion of the LivingWell Promise in order to received premium discounts in Plan Year 2021.

KEHP Legal Notices

As a member of the Kentucky Employees’ Health Plan (KEHP), you have certain legal rights. Several of those rights are summarized below. Please read these provisions carefully. To find out more information, you may contact the Department of Employee Insurance, Member Services Branch at 888-581-8834 or 502-564-6534 or visit kehp.ky.gov.

A. NOTICE ABOUT SPECIAL ENROLLMENT RIGHTS
Under the Health Insurance Portability and Accountability Act (HIPAA), you have “special enrollment” rights if you have a loss of other coverage or you gain a new member of your family. In addition, you may qualify for a special enrollment in KEHP’s Children’s Health Insurance Program Reauthorization Act of 2009 (CHIPRA).

1. HIPAA Special Enrollment Provision - Loss of Other Coverage.
If you decline enrollment for yourself or your eligible dependent(s) (including your spouse) because of other health insurance or group health plan coverage (regardless of whether the coverage was obtained inside or outside of a Marketplace), you may be able to enroll yourself and your dependent(s) in this plan if you or your dependent(s) could not afford to prevent the loss of eligibility for that other coverage or if the employer stops contributing to the other coverage.
However, you must request enrollment within 30 days after your or your dependents’ coverage ends or after the employer stops contributing to the other coverage.

2. HIPAA Special Enrollment Provision - New Dependent as a Result of Marriage, Birth, Adoption, or Placement for Adoption.
If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependent(s). However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

3. CHIPRA Special Enrollment Provision - Premium Assistance Eligibility.
If you or your children are eligible for Medicaid or the Children’s Health Insurance Program (CHIP) and you’re eligible for health coverage from your employer, Kentucky may have a premium assistance program that can help pay for coverage using funds from the state’s Medicaid or CHIP programs. If you or your dependent(s) are eligible for premium assistance under Medicaid or CHIP, as well as eligible for health insurance coverage through KEHP, your employer must allow you to enroll in KEHP if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance.
In addition, you may enroll in KEHP if you or your dependent’s Medicaid or CHIP coverage is terminated because of loss of eligibility. An employer must request this special enrollment within 60 days of the loss of coverage. You can find more information and the required CHIP notice at kehp.ky.gov/HealthInsurance/Docs, Forms, and Legal Notices.

B. WELLNESS PROGRAM DISCLOSURE AND NOTICE
LivingWell is KEHP’s wellness program available to all persons who enroll in a KEHP health insurance plan. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease. Those federal rules include the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program, you will be asked to complete a voluntary health assessment or “HA” that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). In lieu of completing an HA, you may complete a biometric screening, which will include a blood test to check your cholesterol and blood glucose levels. You are not required to complete the HA or to participate in the biometric screening or any other medical examination. However, employees who choose to participate in the LivingWell wellness program will receive an incentive in the form of discounted employee premium contributions for your health insurance coverage. Although you are not required to complete the HA or participate in the biometric screening, any employees who do so will receive the discounted health insurance premiums.
Additional incentives in the form of gift cards, consumer goods, and other prizes may be available for employees who participate in certain health-related activities such as walking challenges or quitting smoking. In addition, KEHP offers discounted, monthly employee premium contribution rates for non-tobacco users. Each KEHP member has at least one opportunity per Year to qualify for the monthly premium contribution discount.
KEHP is committed to helping you achieve your best health. Incentives for participating in KEHP’s LivingWell wellness program are available to all persons who enroll in a KEHP health insurance plan. If you are unable to participate in any of the health-related activities, or you think you might be unable to meet a standard to earn an incentive under the LivingWell wellness program, you may request a reasonable accommodation or an alternative standard. Contact the Department of Employee Insurance, Member Services Branch at 888-581-8834 or 502-564-6534 and we will work with you, if you wish, with your doctor to find a wellness program with the same incentive that is right for you in light of your health status.

Protections from Disclosure of Medical Information: KEHP is required by law to maintain the privacy and security of your personally identifiable health information. KEHP does not collect or retain personal health or medical information through its LivingWell wellness program; however, KEHP may receive and use aggregate information that does not identify any individual in order to design programs based on health risks identified in the workplace and that are aimed at improving the health of KEHP members. KEHP will never disclose any of your personal information either publicly or to your employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.
Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program. You will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. The only individuals who may receive your personally identifiable health information are persons employed by StayWell/KEHP’s wellness administration and KEHP’s third-party medical administrator. This may include nurses in StayWell’s disease management program and health coaches in StayWell’s health coaching program. Disclosure of your personally identifiable health information to these persons is necessary in order to provide you with services under the wellness program.
In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records; information stored electronically will be encrypted; and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach. In the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you as soon as it is feasible after discovery of the breach.

C. THE CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT OF 1986 (COBRA)
COBRA continuation coverage is a continuation of KEHP coverage when it would otherwise end because of a life event, also called a “qualifying event.” After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” Qualified beneficiaries may elect to continue their coverage under the plan for a prescribed period of time on a self-pay basis. Each qualified beneficiary has 60 days to choose whether or not to elect COBRA coverage, beginning from the later of the date the election notice is provided, or the date on which the qualified beneficiary would otherwise lose coverage under KEHP due to a qualifying event. The KEHP’s third-party COBRA administrator is WageWorks. To learn more about KEHP’s rights under COBRA, please refer to the Benefits Member Booklet or go to kehp.ky.gov (Health Insurance/Docs, Forms, and Legal Notices).
