Eligibility and Enrollment

Who is Eligible

Subscriber. You are eligible to be a *subscriber* and have coverage under this *plan* if you are an employee of the *group* and meet the *group's* eligibility criteria. See your employer for more information on specific eligibility requirements.

Dependents. You may enroll your eligible *dependents* for coverage under this *plan*. Your *dependents* are only eligible for coverage if they are one of the following:

- Spouse: Your spouse under a legally valid marriage.
- Domestic partner: Your domestic partner under a legally registered and valid domestic partnership. Check with your *group's* human resources or benefits department to see if your domestic partner is eligible for coverage under this *plan*. If covered, all references to spouse in this certificate includes domestic partners.
- Children: Your or your spouse's child by blood or by law up to age 26. This includes your natural children, stepchildren, legally adopted children, children placed for adoption, or children for whom you are the legal guardian or have been court-ordered to provide coverage.

Your children may continue coverage beyond the above stated age limit if:

- they are unmarried and incapable of self-support due to an intellectual disability or physical handicap;
- are financially dependent on you or your spouse for support and maintenance; and
- were enrolled and disabled prior to reaching the limiting age of this *plan*.

You and the child's physician must fill out a disabled dependent form and provide it to us. Contact us to obtain the form. After two years from when you initially provided proof, we may ask for continued proof of the child's disability, but no more than once a year.

Newborn and Adopted Child Coverage. You or your spouse's newborn or adopted children will be covered for an initial period of 31 days from the date of birth, placement for adoption, or adoption. For an adopted child, the date of adoption is the date you assume or retain a legal obligation to support the child. If you want your newborn or adopted child to continue coverage beyond this time, you must contact your *group* within 31 days of the date of birth, placement for adoption, or adoption to add them to this plan.

Enrollment

Initial Enrollment. Your *group* will have an initial enrollment period for newly eligible employees and their *dependents* and *dependents* to enroll for coverage. You may need to meet a waiting period established by the *group* before you can enroll for coverage. See your *group's* human resources or benefits department to determine if there are any waiting periods.

If you or your *dependents* do not enroll during the initial enrollment period you will only be able to enroll during an open enrollment or special enrollment period. Keep reading for more information on open and special enrollment periods.

Open Enrollment. At least once a year your *group* will hold an open enrollment period. During the open enrollment period you and your *dependents* can enroll for coverage. If you do not enroll during the open enrollment period, you may have to wait until the next open enrollment period, unless you qualify for a special enrollment period. See below for more information on special enrollment.

Special Enrollment. Your plan elections chosen during initial or open enrollment are intended to remain the same until the next open enrollment period. However, there may be times when you or your *dependents* can enroll for coverage outside of the open enrollment period. This is allowed if you have certain qualifying events that happen. Qualifying events are:

- You or your *dependents* did not previously enroll for coverage because you had coverage under another group plan (including COBRA or other continuation coverage) and have since become ineligible for that plan. You must request enrollment within 31 days of this qualifying event.
- You have a change in the number of *dependents* due to marriage, birth, adoption, court order, legal guardianship, or death. You must request enrollment within 31 days of this qualifying event.

- You or your *dependents* lost coverage under Medicaid or a Children's Health Insurance Program (CHIP), or became eligible for a subsidy (state premium assistance program) under Medicaid or CHIP. You must request enrollment within 60 days of this qualifying event.

Late Enrollees. If the *subscriber* does not enroll themselves or their *dependents* during initial enrollment or during a special enrollment period, they will not be eligible to enroll until the next open enrollment period.

Notice of Changes in Eligibility. You must tell your *group's* human resources or benefits department if there are any changes that will affect your or your dependent's eligibility. This includes a change in address or a change in the number of your dependents. The group is then responsible to notify us of any changes according to the terms of the group contract. If your group fails to notify us of your changes in eligibility, it does not obligate us to pay for your vision care.

Your Effective Date. Your coverage begins at 12:01 a.m. Eastern Time on the *effective date*. Your *effective date* and enrollment requirements are described in the *group contract*. See your *group's* human resources or benefits department for more information on your specific *effective date* under this *plan*.

Nondiscrimination. No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information previous medical information, disability, sexual orientation or identity, gender, or age.

Statements and Forms. *Subscribers* or applicants for membership shall complete and submit applications, questionnaires or other forms or statements the *plan* may reasonably request. Applicants for membership understand that all rights to benefits under this *certificate* are subject to the condition that all such information is true, correct and complete. Any material misrepresentation by a *member* may result in termination of coverage as provided in the Termination and Continuation section. We will not use a statement made by a *member* to void the *member's* contract after coverage has been in effect for two years. We will not terminate this *certificate* on the basis of application misstatements after two years have passed since the enrollment date.

Delivery of Documents. We will provide an identification (ID) card for each *member* and a *certificate* for each *subscriber*.

Termination and Continuation of Coverage

Termination

Except as otherwise provided, your coverage will terminate in the following situations. The information provided below is general and the actual effective date of termination may vary based on your *group's* agreement with us and your specific circumstances, such as whether Premium has been paid in full:

If Your Group Cancels Coverage. Your coverage will end if your *group* cancels coverage or on the date the *group contract* between us and your *group* ends.

If You Cancel Your Coverage. If you want to cancel your or your *dependent's* coverage you need to notify your *group*. See your *group* human resources or benefits department for more information on how to cancel your coverage. If you cancel, your *group* will be responsible to notify us in writing of the cancellation.

If You or Your Dependents Are No Longer Eligible. Coverage will end when you and/or your *dependents* no longer meet the eligibility requirements as outlined under the section Eligibility and Enrollment. When you or your *dependents* are no longer eligible, the date coverage ends is determined by the *group* in accordance with its eligibility requirements.

Fraud, Intentional Misrepresentation, Misuse of an ID Card. We will cancel this coverage if you or the *group* participates in any kind of intentional misrepresentation of material fact (knowingly provide false information) or fraud during the application and/or enrollment process. We may also cancel your coverage for other types of fraud, such as if you allow any other person to use your ID card to obtain benefits, or if you use another *member's* ID card (including one of your *dependent's* ID card) to obtain benefits. You will be held liable for any payments we make as a result of fraud. For any fraud or intentional misrepresentation, coverage will end on the date we send the written notice of cancellation.

If Your Group Does Not Pay the Premium. We must receive the premium no later than the end of the grace period for your coverage to remain in force. If your *group* does not pay your premium by the end of the grace period as stated in the *group contract*, we may cancel this coverage.

If You Fail to Pay the Premium. If you fail to pay or fail to make satisfactory arrangements with the *group* to pay your portion of the premium, coverage will end as of the last date for which premium was paid.

We Cease to Offer This Coverage. If we cease to offer coverage in the group employer market, we will cancel your coverage in accordance with the terms and conditions of state laws.

Continuation of Coverage

COBRA Continuation of Coverage. Your employer is subject to COBRA if they have more than 20 employees. COBRA allows you and your *dependents* to continue coverage for either 18, 29 or 36 months depending on the event.

COBRA coverage is available to you and your dependents for 18 months for the following events:

- You lose coverage due to a reduction in working hours, a layoff, or strike.
- You lose coverage because your employment ends. (For voluntary or involuntary loss, except for gross misconduct).

COBRA coverage is available to you and your dependents for 29 months for the following events:

- You or your *dependent* was disabled when coverage ended or within 60 days after the coverage ended. However, you or your *dependent* must continue to be disabled after 18 months has passed. The Social Security Administration must determine if you are disabled.

COBRA coverage is available to your dependents for 36 months for the following events:

- Your death.
- You become eligible for Medicare in the 18 months before an event listed above.
- You divorce or separate from your spouse.
- Your dependent children no longer qualify as *dependents*.

You must notify your employer within 60 days if you or your dependents wish to continue coverage under COBRA after an event. Once notified, your employer will provide the information on how coverage under COBRA may continue, and must give us notice within 30 days of the event that you wish to continue coverage. Contact your employer for more information.

How Continuation of Coverage Ends

Your continuation of coverage ends when the time period that you qualified for runs out. However, coverage may end before that time if one of the following occurs:

- The *group contract* between us and the employer ends. If your employer switches coverage you will be able to continue coverage under their new plan.
- You fail to pay the premium.
- You tell us in writing to cancel your coverage.
- The date your spouse remarries and becomes eligible under the new spouse's plan.

Coverage may also end for COBRA if the following occurs:

- You are eligible for coverage with another group. However, if your COBRA plan covers something that the other group doesn't then you may continue coverage. Your coverage will continue until the group covers that exclusion or you are no longer eligible.
- You get Medicare
- Your coverage was extended to 29 months and you are now no longer disabled.

How Your Benefits Work

This section tells you how we set the payment amount for covered services. It will also tell you more about what you pay out-of-pocket for covered services, as well as how your choice of provider may affect your out-of-pocket costs. The portion you must pay for covered services is stated in the Schedule of Benefits at the beginning of this certificate.

Choosing a Provider

Please read the following information so you will know from whom or what group of providers vision care may be obtained.

Important Note: We do not restrict or interfere with your right to select the *provider* of your choice, but your benefits are reduced when you use a *provider* who is not a *network provider*.

Network Providers. We have a network of vision care providers for you to use. We call them network providers, because they have agreed to take part in our Blue View Vision network. They have agreed to provide covered services to you for a negotiated rate. Covered services you receive from a network provider are considered in-network care.

IMPORTANT: If you opt to receive optometric services or procedures that are NOT covered services under this plan, a network provider may charge you his or her usual and customary rate for such services or procedures. Prior to providing you with optometric services or procedures that are not covered services, the provider should provide you with a treatment plan that includes each anticipated service or procedure to be given and the estimated cost of each service or procedure. To fully understand your coverage, you may wish to review your certificate.

Non-Network Providers. Non-network providers are vision care providers that did not agree to participate in our Blue View Vision network. They have not agreed to a negotiated rate and do not have a provider contract with us. Using a non-network provider will typically increase your out of pocket costs. Covered services you receive from non-network providers are considered out-of-network care.

Please call us or visit our website listed in the Contact Us section for help in finding a *network provider*.

Benefit Maximums, Allowances and Frequency Limits

The amount we pay for your benefits is subject to your benefit maximums, *allowances* and frequency limits. We will not pay for vision care services that go over your benefit maximums or *allowances*, or for services that are received more than the allowed frequency limits. Benefit maximums, *allowances*, and frequency limits are stated in the Schedule of Benefits at the beginning of this *certificate*.

Your Cost Share Requirements

We will pay up to the *maximum allowable amount* for covered services. You may be required to pay a part of the *maximum allowable amount*. This is called your cost share amount. *Copayments* are an example of a cost share amount. See the Schedule of Benefits to help determine your cost share amount for *covered services*.

Your cost share amount may vary depending on whether you receive vision care from a *network provider* or *non-network provider*. You may be required to pay higher cost sharing amounts when using *non-network providers*.

We will not pay for vision care that is not covered under this *plan*. You are required to pay all charges for vision care that is not covered. Vision care received after you have met any benefit maximums or benefit frequency limits are also not covered.

Covered Services

This section describes the *covered services* available under your vision care benefits when provided and billed by eligible *providers*. All *covered services* are subject to the exclusions listed in the Exclusions section and all other conditions and limitations of the *certificate*. The amount payable for *covered services* varies depending on whether you receive your care from a *network provider* or a *non-network provider* and whether or not you choose optional services and/or custom materials rather than standard services and supplies. Payment amounts are specified in the Schedule of Benefits.

Routine Eye Exam. Your *plan* covers a complete eye exam with dilation and refraction as needed. The exam is used to check all aspects of your vision. Your *plan* covers a refraction in conjunction with an eye exam. A refraction is your prescription based on your eye exam. *Network providers* should not bill the refraction separately from the routine exam. An eye exam does not include a contact lens fitting fee.

Eyeglass Lenses. You have a choice in your eyeglass lenses. Eyeglass lenses include factory scratch coating at no additional cost. Your dependent children under 19 may also receive polycarbonate and photochromic eyeglass lenses at no additional cost when received from a *network provider*. Covered eyeglass lenses include plastic (CR39) lenses up to 55 mm in:

- single vision
- bifocal
- trifocal (FT 25-28)
- progressive lenses (standard or premium)
- lenticular

Frames. You have a benefit allowance towards your choice of frames. You may apply the allowance toward the purchase of any frame. If your frame choice is more than your *allowance*, then you are responsible for the balance. The Schedule of Benefits lists your allowance and benefit frequency.

Contact Lenses. This plan covers elective or non-elective contact lenses. You may receive a benefit for elective contact lenses or non-elective contact lenses, but not both.

Note: Contact lenses are in lieu of your eyeglass lenses benefit. If you receive elective or non-elective contact lenses then no benefits will be available for eyeglass lenses until you satisfy the benefit frequency listed in the Schedule of Benefits.

Elective Contact Lenses. Elective contact lenses are contacts that you choose for appearance or comfort. The contact lens *allowance* must be completely used at the time of initial service. No amount of the *allowance* may be carried forward to use during another service date. The Schedule of Benefits lists the contact lens *allowance* available under this *plan*.

Non-Elective Contact Lenses. Non-elective contact lenses are prescribed by your *provider* for diagnoses listed below:

- Extreme visual acuity or other functional problems that cannot be corrected by spectacle lenses; or
- Keratoconus-unusual cone-shaped thinning of the cornea of the eye which usually occurs before the age of 20 years; or
- High Ametropia-unusually high levels of near sightedness, far sightedness, or astigmatism are identified; or
- Anisometropia-when one eye requires a much different prescription than the other eye

Important Note: We will not reimburse for non-elective contact lenses for any member who has undergone prior elective corneal surgery, such as radial keratotomy (RK), photorefractive keratectomy (PRK), or LASIK.

Additional Options: Discounts may be available for additional vision services in accordance with the Anthem Special Offers. For additional information on available discounts, please contact your *network provider* or call customer service.

How to Submit a Claims

This section describes how you submit a claim and what information you should include on your claim. When you receive care from a *network provider*, you do not need to file a claim. The *network provider* will do this for you. However, if you receive vision care from a *non-network provider*, you will need to submit a claim to us.

Notice of Claim. After you receive vision care you will need to contact us, either by phone or mail (see contact information listed below). You should contact us within 20 days of the date you received vision care so we can provide to you claim forms for filing. Notice given by someone on your behalf, or to any agent authorized by us, within information to identify you will be deemed notice to us. If you are unable to contact us within 20 days, it does not mean we will not pay for your claim. Just contact us as soon as reasonably possible.

Claim Forms. We will provide claim forms within 15 days after you notify us. The claim form will have instructions on how to fill it out and where to submit. If you do not receive a claim form within 15 days of your claim notice, you may send us other written proof of loss, such as an itemized bill from your provider. The proof of loss should include the following:

- the date of service;
- the patient's name, date of birth, and identification number;
- the type and place of service;
- your signature and the provider's signature.

Proof of Loss. Your written proof of loss as described above should be provided to us within 90 days after the date of you received vision care. If it is not reasonably possible to provide your written proof of loss within this time, we will not invalidate or reduce your claim. However, you must send it as soon as reasonably possible, and in no event later than a year from when it was due, unless you are legally incapacitated.

Notice of claim, claim forms and other proof of loss can be sent to the following address:

Anthem Blue View Vision
ATTN: KEHP Service Team
P.O. Box 8504
Mason, OH 45040-7111
Phone: (844) 402-5347

Time of Payment of Claims. We will pay claims immediately once we receive written proof of your claim, but not later than 30 days after we receive your proper written proof of loss.

Payment of Claims. We will pay claims directly to *providers* if they have an assignment of benefits on file. If the *provider* does not have an assignment of benefits on file then we will pay claims to you. If you pass away, we will pay claims to your designated beneficiary or to your estate if there is no assignment of benefits.

General Provisions

Entire Contract. The law of the state in which the Group Contract was issued will apply unless otherwise stated herein.

Entire Contract – Changes. Your *plan* is the entire contract of insurance. Your *plan* is made up of this *certificate*, your application (if any), and any amendments. In addition, your *group* has the *group contract* and the group master application, which are also part of your *plan*. An executive officer must endorse any change that we issue for it to be valid. No agent has authority to change this *plan* or to waive any of its provisions. All statements made by you or your *group* shall be deemed representations and not warranties. No written statement made by you will be used in any contest unless a copy of the statement is furnished to you, or to your beneficiary or personal representative.

Incontestability. The validity of this *plan* will not be contested, except for nonpayment of premiums, after it has been in force for two years from its date of issue. No statement made by you or your *dependents* relating to you or your *dependent's* insurability will be used to contest the validity of this *certificate* unless the statement is contained in a written instrument signed by you or your *dependents*.

Physical Examinations. We may have you examined as reasonably needed while we are deciding to pay a claim.

Change of Beneficiary. You have the right to choose your own beneficiary.

Independent Contractors. *Providers* are not our agents or employees. They do not have the ability to waive or alter your *plan*. We are not responsible for any damages or injuries as a result of receiving care from them.

Right of Recovery. When we overpay a claim, we have the right to recover our overpayment. We may recover our overpayment from you, the person or provider we paid, or another plan. We may deduct any overpayment from pending or future claims.

Benefits not Transferable. You are the only person able to receive benefits under this *plan*. You are not able to transfer your benefits to anyone else.

Legal Actions. No action at law or in equity shall be brought to recover on this *plan* prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this *plan*. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

Coordination of Benefits. We consider this *plan* primary in all circumstances.

Conformity with the Law. Any provision of this *certificate*, which is in conflict with the laws of the state in which the *group contract* is issued, or with federal law, is hereby automatically amended to conform with the minimum requirements of such laws.

Grace Period. A grace period of 31 days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force (subject to the right of the insurer to cancel in accordance with the cancellation provision hereof). Your *group* is responsible to pay any premium to the plan. However, you may be required to pay a portion of the premium to your *group*. See your *group* for more information on premiums.

Modifications. We may change this plan, including the premiums, at any time by providing notice to the *group* at least 30 days before the change takes effect

Notice of Privacy Practices. We maintain a privacy program designed to protect your health information consistent with applicable law. In addition to various laws governing your privacy, we have our own privacy policies and procedures in place that are designed to protect your information. We are required by law to provide individuals with notice of our legal duties and privacy practices. To obtain a copy of this notice, call us or visit the website listed in the Contact Us section of this *certificate*.

Reservation of Discretionary Authority. The following provision only applies where the interpretation of this *certificate* is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.

The plan, or anyone acting on our behalf, shall determine the administration of benefits and eligibility for participation in such a manner that has a rational relationship to the terms set forth herein. However, we, or anyone acting on our behalf, have, to the fullest extent permitted under applicable law, discretion to determine administration of your benefits. Our determination shall be binding, subject to any rights of complaint and/or appeal provided under the *certificate* or under applicable law. This may include, without limitation, determinations of whether the services, care, treatment, or supplies

are medically necessary, experimental/investigational, whether surgery is cosmetic, and whether charges are consistent with our *maximum allowable amount*. However a *member* may utilize all applicable complaint and/or appeals procedures specified in the *certificate* or otherwise required by applicable law. This reservation of discretionary authority shall not be used in such a manner as to deny coverage clearly set forth in the *certificate* or to arbitrarily construe or abuse the provision of benefits or rights of appeal under the *certificate*. This reservation of discretionary authority does not prohibit you from seeking judicial review of our determination after exhausting administrative remedies. The plan, or anyone acting on our behalf, shall have all the powers necessary or appropriate to enable it to carry out its duties in connection with the operation and administration of the *certificate*. This includes, without limitation, the power to construe the contract, to determine all questions arising under the *certificate* and to make, establish and amend the rules, regulations and procedures with regard to the interpretation and administration of the provisions of this *certificate*. However, these powers shall be exercised in such a manner that has reasonable relationship to the provisions of the contract, the *certificate*, provider agreements, and applicable state or federal laws. A specific limitation or exclusion will override more general benefit language.

Appeals

If you do not agree with a claim denial made by us, you have a right to a full and fair review. A claim denial means our determination that a service, treatment, drug or device is specifically limited or excluded under this *plan*.

You must submit your appeal to us in writing within 180 days from the date you received our claim denial notification. In support of your appeal, you may submit written comments, documents, records, or other information you think is relevant. Send your appeal to:

Anthem Blue View Vision
Attention: Appeals
PO Box 9304
Minneapolis, MN 55440-9304
Phone: (866) 723-0515

Upon request and without charge, you will be provided reasonable access to and copies of all documents, records and other information relevant to or considered in our initial claim denial.

The person reviewing your appeal will not be the same person(s) who made the initial claim denial, nor will they be a subordinate or supervisor of the person(s) who made the initial claim denial. The person reviewing will also have appropriate medical and professional expertise and credentials to make a determination on your appeal. We will notify you of our determination in your appeal within 30 days upon receipt.

If you are not satisfied with the determination of your appeal, you may submit a second level appeal. The second level appeal must be submitted in writing within 180 days of the notice of our determination in the first appeal. You do not have to re-send the information that you submitted for your first appeal, but you are encouraged to submit any additional information that you think is important for review. We will notify you of our determination in your second level appeal within 30 days upon receipt
