I. Your Protected Health Information
The Kentucky Employees’ Health Plan (“KEHP”) collects and maintains protected health information (“PHI”) that includes personal identifiers, enrollment, eligibility, and dependent and qualifying event information. KEHP utilizes a third-party claims administrator and a pharmacy benefits manager, referred to as “Business Associates,” to carry out certain functions for KEHP. Because of their administrative responsibilities, these Business Associates create, receive, maintain, and transmit PHI on behalf of KEHP. Like KEHP, the Business Associates are responsible for ensuring the protection of your health information.

Pursuant to the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), KEHP and its Business Associates may use and disclose your PHI for treatment, payment, or health care operations including, but not limited to, claims processing, billing, case management, provider credentialing, and utilization review. Other uses and disclosures permitted or required by HIPAA are outlined in KEHP’s Notice of Privacy Practices.

II. Your Rights
Except as otherwise described in KEHP’s Notice of Privacy Practices, KEHP may not use or disclose PHI without a valid authorization. In particular, a valid authorization is required:

- For any use or disclosure of Psychotherapy Notes, except to carry out certain treatment, payment, or health care operations or to defend KEHP in a legal action or other proceeding brought by you;
- For any use or disclosure of PHI for Marketing, except if the communication is in the form of a face-to-face communication made by KEHP to you, or a promotional gift of nominal value is provided. “Marketing” does not include communications made to describe a health-related product or service that is provided by, or included in the plan of benefits, of KEHP;
- For any disclosure of PHI which is a Sale of such information.

You may, at any time, revoke an authorization previously given provided the revocation is in writing. The revocation will not apply to the extent that KEHP has taken action in reliance on the authorization.
