Regular dental checkups can help find early warning signs of certain health problems, which means you can get the care you need to get healthy. So, don't skimp on your dental care, good oral care can mean better overall health!

As an Anthem Dental member you will have access to one of the largest dental networks in the nation, which means you won't have to go far to find a dentist! While you can see a dentist outside of our network, you'll save time and money when you visit a dentist in our network because Anthem and the dentist have agreed on pricing for covered services and they will file your claim for you.

Powerful and easily accessible member tools.

- Ask a Hygienist: Dental members can simply email their dental questions to a team of licensed dental professionals who in turn will respond in about 24 hours.
- Dental Health Risk Assessment: We want our dental members to better understand their oral health and their risk factors for tooth decay, gum disease and oral cancer. This easy to use online tool can help them do this.
- Dental Care Cost Estimator: In order to help our dental member better understand the cost of their dental care, we offer access to a user-friendly, web-based tool that provides estimates on common dental procedures and treatments when using a network dentist.
- More Capabilities: With our latest mobile application, Anthem Anywhere, members can find a network dentist as well as view their claims. It's available both for Android and Apple phones.
