## Did you know?

Your payroll deduction pledge can be spread over an entire year?  
A \$240 pledge is just \$10 a pay period! There's no easier way to give...

**\$50** per paycheck can help  
a hospice patient live without pain for two  
months

**\$25** per paycheck can provide  
aquatic therapy classes for a child for  
one year

**\$15** per paycheck can provide  
relief supplies and personal hygiene items  
for families affected by disaster

**\$10** per paycheck can provide  
medication for a dialysis patient for five  
weeks

**\$8** per paycheck can educate  
1,200 individuals on what child abuse  
and neglect is and how to report it

**\$6** per paycheck can send  
a backpack of food home with a child each week-  
end for four months

**\$3** per paycheck can provide  
a shower chair to help an individual with  
special needs live more independently

The KECC Charities represent over 1,100 charitable programs throughout Kentucky.  
Support your cause...make a difference!

*“You can give hope if you just give.”*

A message from 2014 KECC Chair, **Tom Zawacki**,  
Secretary of the Education and Workforce  
Development Cabinet

Dear Colleagues,

I've been a Kentucky state employee for less than five years. During that time, I've gotten to meet hundreds of fellow employees. Do you know what I've learned? I've learned that Kentucky employees are the most caring and passionate people I've ever worked with in regard to the services we all provide to the citizens of the Commonwealth.

You give unselfishly every day, whether you are building roads, helping people get jobs or education, protecting the environment, recruiting businesses, promoting tourism, or any number of services that we, as state employees, provide to our fellow citizens. We are the best, and our customer focus is the best. And now we have the opportunity to be even better.

By giving through the Kentucky Employees Charitable Campaign (KECC), *you give hope to Kentuckians who require it most* – families in need, people with disabilities, those who have suffered serious injuries and those with chronic disease. Your gift ensures stronger, healthier babies, protects children from abuse and helps communities across the Commonwealth provide opportunities for success in school, work and life.

Our role as public servants allows us to provide our customers – all Kentuckians – with their most basic needs. Our role as fellow citizens beckons us to do more and to inspire others to do more. Your contribution to the KECC charities gives support, treatment, solutions and prevention. It gives protection, education, intervention and encouragement. In a word, it gives hope.

I encourage you to consider the many needs of our neighbors throughout the state and make a pledge to make a difference. Visit [KECC.org](http://KECC.org) today. ***You can give hope if you just give.***

Sincerely,

Secretary Tom Zawacki  
Education and Workforce Development Cabinet  
2014 KECC Chair

## ***YES! I want to help my fellow Kentuckians.***

- ✓ A pledge form will be provided by a campaign volunteer, a fellow state employee. Only one form is required, even if you decide to support more than one charity. You can also get a pledge form at **KECC.org**.
- ✓ Most people like to give through payroll deduction. It's easy and lets you spread your gift over the course of a whole year.
- ✓ Contributions can also be made with cash or check. Just clip them to your pledge form. Checks should be made payable to: KECC (Kentucky Employees Charitable Campaign).
- ✓ Remember that your contribution to KECC may be tax-deductible (check with your accountant to make sure).

## Be a Leader!

One percent is all it takes to become a leadership giver! Every donation changes lives, but as you decide how you want to pledge this year, please consider joining the leadership circle. The chart below shows just how little it takes to make a big difference through leadership giving.

1% Leadership Giving By Salary Amount		
Salary	Amount per paycheck	Total Gift
\$25,000 per year	\$10.42	\$250.08
\$30,000 per year	\$12.50	\$300.00
\$35,000 per year	\$14.59	\$350.16
\$40,000 per year	\$16.67	\$400.08
\$45,000 per year	\$18.75	\$450.00

## Want to do more?

### *Become a Cornerstone Society Member.*

If you want to make an even bigger difference in your community, KECC has a unique leadership program just for you. It's called the Cornerstone Society. Any pledge of \$1,000 or more is considered a Cornerstone Gift. That's just \$41.67 or more per paycheck. Just talk to your KECC coordinator about obtaining a Cornerstone Society pledge card, fill it out and turn it in. It's that easy, and it will help so many!

## "Why should I release my name?"

When KECC sends payment to the charity of your choice, they only know who made the gift if you give us permission to release your name and contact information on the pledge form. If your pledge is directed to one or all of the KECC Charities, they will not use or release your information in any way other than to thank you.

## Why the KECC Charities?

The KECC Charities undergo rigorous scrutiny by the Personnel Cabinet and have met stringent guidelines. They are well-managed and accountable and they help people right here in the Commonwealth.

These federations represent over a thousand charitable programs, and when you flip through the following pages, you will find that they touch all our lives.

Whether you know someone struggling to regain mobility after an accident, a family member who recently lost their job, a loved one who is suffering from Alzheimer's Disease, or you want to make sure your kids start school ready to succeed...your pledge can help make the difference.

**Most importantly, 100% of collected pledges goes directly to help others when you give to one of the partner charities.**

## Can I give to other charities?

Yes, however, since the partner charities pay all KECC expenses, there is a 10 percent fee charged to non-partner charities to help offset the processing costs of these pledges. To avoid this, you may wish to donate directly to that charity or consider giving to one of the KECC partner charities.

You may direct your gift to any 501(c)(3) organization by providing KECC with their address on the pledge form. To help hold down administrative costs, these gifts to other "write-in" charities must be at least a \$50 cash gift or a payroll gift of \$3 per paycheck.

## What is ‘pledge loss,’ and how does it affect my payroll deduction donation?

Many state employees make good-faith payroll deduction pledges to various charities through KECC, but are unable to fulfill them. In most cases, these employees retire or change careers before their payroll deduction pledge is fulfilled. Because of this, KECC does not receive the full donation. The campaign cannot pass along funds it does not collect to the charities; therefore, all the charities share the actual amount of the pledge loss on payroll deduction pledges. The percent uncollected each year is small, averaging eight percent.

## When will the charity of my choice receive the contributions I make?

Cash pledges are sent in the first quarter following the end of the campaign. Because payroll deductions allow you to spread your donation over the course of a year, we put your gift to use right away -- donations to the partner charities are sent quarterly. Other “write-in” designations will be sent once all of the payroll deductions have been collected. Questions? Get the facts! Call us at 502-589-2296.

# Cardinal Hill Rehabilitation Hospital Easter Seals Kentucky

**Cardinal Hill Rehabilitation Hospital / Easter Seals Kentucky** is one of the largest providers of physical rehabilitation in Kentucky. This past year, nearly 16,000 children and adults from 120 Kentucky counties turned to us when life presented them with unexpected challenges.

**CARDINAL HILL/EASTER SEALS KENTUCKY** offers many diverse services for various disabilities. Our mission is to define excellence in physical rehabilitation, give hope, and enhance outcomes for patients and families. With your support we can help create a hopeful tomorrow.

**Some conditions treated are:**

- Brain Injury
- Spinal Cord Injury
- Stroke
- Cerebral Palsy
- Orthopedic/Joint Replacement
- Pulmonary Disorder
- Autism
- Sports Injuries
- Pediatric Obesity
- Developmental Delay
- Pediatric Nutritional Issues
- Neurological Disorders

# With YOUR help CAP makes a difference!

## *Summer Camps*

Every year, CAP offers two summer camp programs that provide a rewarding week of learning and fun to as many as 1,000 or more Appalachian children. With a charge of only \$10 per child, the camps serve those who could otherwise not be able to afford the opportunity to attend a summer camp, and many children look forward to it as their only vacation during the year.

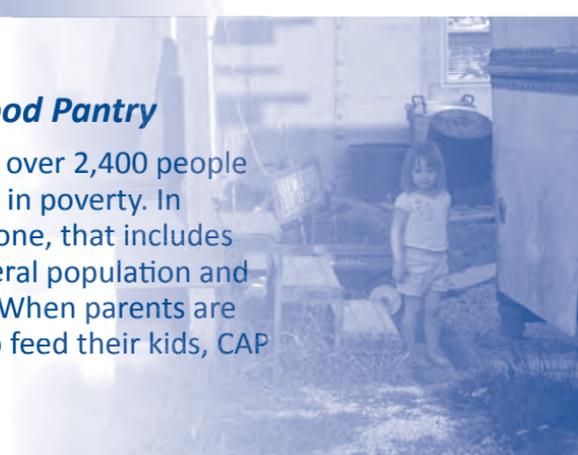

## *Disaster Relief*

Weather is unpredictable and, as a result, storms can paralyze a geographic region in a matter of minutes. CAP's Disaster Relief program organizes volunteers to respond to the needs of those impacted by a natural disaster. Responses may include everything from home and property clean-up, to providing and distributing emergency disaster supplies.

## *Grateful Bread Food Pantry*

Currently CAP serves over 2,400 people each month who live in poverty. In Rockcastle County alone, that includes over 25% of the general population and 32% of the children. When parents are trying to find ways to feed their kids, CAP helps.

## MAKE A DIFFERENCE

*My name is Hunter and I am the 1 in 3,000 children in the U.S. that is diagnosed with Duchenne Muscular Dystrophy, DMD, the most common and severe form of muscular dystrophy.*

*I was 2 years old when my family and I found out I had DMD. I didn't understand why I had to start going to the doctor all of the time or why my family started treating me differently. When my family and I needed a support system to turn to, we found the Muscular Dystrophy Association. The staff and volunteers at the MDA clinic taught me how to live with DMD and made me feel like a normal kid again!*

*There is currently no known cure for MD, but modern treatments have been developed to prolong the lifespan of those children diagnosed. **Through your support**, organizations like the Muscular Dystrophy Association will be able to carry out their mission by helping kids like Hunter and continuing research to find a cure for this life-threatening disease.*

**THANK YOU** for helping give children like Cameron a hopeful future!

## GIVE.CONNECT.HELP

For more than 50 years, Community Health Charities has been connecting donors in the workplace with the nation's most trusted and recognized health charities. In the state of Kentucky, we represent over 40 health charities.

Beyond the act of giving to a health issue that is important to you, we make it easy for you to develop a personal relationship with a credible health charity, enabling you to volunteer your time and get the health information that is most important to you and your family.

**YOUR SUPPORT** is crucial to providing local patient support services, research, prevention and educational outreach programs.

**For more information about member charity services or for volunteer opportunities:**

# Kosair Charities

Exists to protect the health and well-being of children in the Kentucky and Southern Indiana area by providing financial support for clinical services, research, pediatric healthcare education and child advocacy.

KOSAIR CHARITIES

In 1926, **Kosair Charities** opened a free hospital for crippled children. In order to expand our ability to help more children, over the years, **Kosair Charities** has formed strategic partnerships with pediatric and research organizations who share parallel missions.

**Kosair Charities** support a national network of hospitals, local convalescent homes, research centers and many other agencies dedicated to helping children.

This year we have committed almost \$19 million in support and assistance to over 90 organizations in the Kentuckiana area including:

- Kosair Children's Hospital
- The Home of the Innocents
- Down Syndrome of Louisville
- Visually Impaired Preschool
- Kid's Center
- CASA
- Family and Children's Place
- Shriner's Hospitals
- University of Louisville
- Kosair Charities Child Abuse Initiative

Visit [www.kosair.org](http://www.kosair.org) for more information on our services.

*When families are unable to fund their children's health services, Kosair Charities gives financial support so they don't suffer.*

Greater Kentucky Chapter

working together for stronger, healthier babies

Every year in the United States, more than half a million babies are born too soon, over 8,000 of them right here in Kentucky. With your help, we work to improve the health of babies and support families if something does go wrong.

The March of Dimes Greater Kentucky Chapter has one goal: to help babies in our community start life in the healthiest way possible. Through education and intervention, we help moms-to-be learn how to take care of themselves before, during and after their pregnancy.

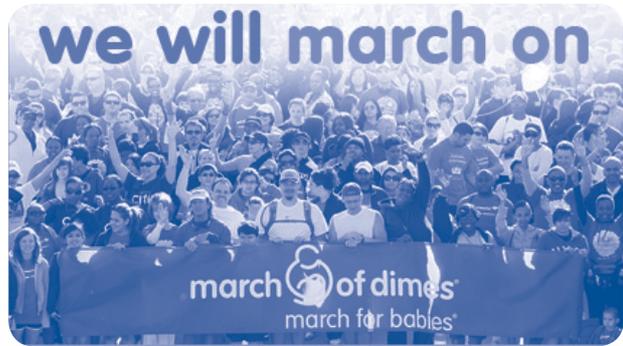

We are also there when things don't go as planned, providing comfort and information to families when a baby is born too soon.

# Prevention Works!

It is the only cure for child abuse. That's why PCAK's work: public awareness campaigns, parent education and support programs, professional training and technical assistance, and community-based prevention programs-- are all focused on preventing child abuse and neglect.

**Prevent Child Abuse**  
Kentucky

## OUR MISSION

To prevent the abuse and neglect of Kentucky's children.

### Prevent Child Abuse Kentucky's Works Include:

- 1-800-CHILDREN Helpline.
- Statewide Parent Education and Support Groups.
- Targeted outreach to fathers.
- Training opportunities covering pediatric abusive head trauma, recognizing and reporting child abuse, child sexual abuse, internet safety and more.
- Kids Are Worth It! Conference, an annual statewide conference on child abuse and neglect.
- Commit to Prevent Child Sexual Abuse Project
- Partners in Prevention Network: Links individuals, volunteers, and agencies throughout the state to initiate change towards keeping Kentucky's children safe.
- Provide educational resources addressing topics such as strategies for dealing with parental stress, child development, and discipline.
- Awareness campaigns such as Never Shake A Baby, Commit to Prevent and Pinwheels for Prevention.

Thank you for committing to prevent child abuse. Your financial commitments helped:

•Conducted 173 presentations educating 4,252 individuals on child abuse and neglect prevention.

•Equipped 119,595 Kentuckians with educational resources and materials on topics such as parenting, discipline, never shaking a baby, and recognizing signs and symptoms of child abuse or neglect.

•Served parents and caregivers 15,074 times through parent education and support services.

•Provided 561 individuals with support on 1-800-CHILDREN

The above services were provided by PCAK during the 2012-2013 Fiscal Year.

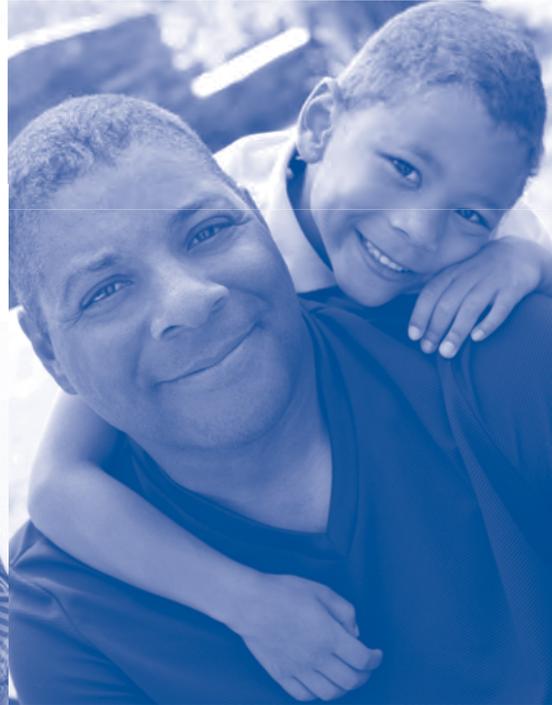

Last year, 54,506 reports met criteria for further assessment or investigation by the Cabinet for Health and Family Services. Of those reports, 23,951 children were found to be victims of child abuse and neglect or in need of protection services.

# Change a child's life.

Since 1954, the Crusade has raised more than \$154 million, giving much needed assistance to millions of children with special needs in Kentucky.

WHAS CRUSADE FOR CHILDREN

# Crusade Quick Facts

## OUR MISSION

*The WHAS Crusade for Children improves the futures of children with special needs by inspiring people to give and awarding grants.*

One hundred percent of every donation made in Kentucky stays in Kentucky to help children with special needs

The Crusade helps children in all Kentucky counties

The Crusade has raised more than \$154 million and helped millions of children since 1954

The Crusade's annual average donations of \$5 million are only able to fund one-third of grant requests

An independent volunteer panel of interdenominational clergy determines allocations of all funds

The Crusade is the *most successful* local telethon in America! It happens on the first full weekend in June every year.
