KECC
Kentucky Employees Charitable Campaign

OUR CALL TO SERVICE

How will you help?

KECC
Kentucky Employees Charitable Campaign

Did you know?

Your payroll deduction pledge can be spread over an entire year?
A $240 pledge is just $10 a pay period! There's no easier way to give...

$50 **per paycheck can provide** aquatic therapy classes for four children for six months

$25 **per paycheck can help** a hospice patient live without pain for one month

$15 **per paycheck can provide** medication for a dialysis patient for two months

$10 **per paycheck can provide** relief supplies and personal hygiene items for families affected by disaster

$8 **per paycheck can educate** 1,200 individuals on what child abuse and neglect is and how to report it

$6 **per paycheck can provide** shower chairs to help two individuals with special needs live more independently

$3 **per paycheck can send** a backpack of food home with a child each weekend for two months

The KECC Charities represent over 1,000 charitable programs throughout Kentucky. Support your cause...make a difference!

"While we've all experienced hard times...
...we're also a part of the solution."

A message from 2015 KECC Chair, **Ambrose Wilson IV,** Secretary of the Public Protection Cabinet

My friends and fellow Employees of the Commonwealth,

Most of us were taught by our parents, grandparents, and teachers as far back as elementary school, that to be an engaged citizen – to be a good person – we must look beyond ourselves and help others.

And over the years, experience has given each of us a personal vision of living a good life. For most, that vision includes our families, friends, and neighbors doing well for themselves. But, sadly, that's just not the case for many. Tragedy strikes through natural disasters, illness or an accident. It comes as abuse, or poverty, and when kids drop out of school. Some need help from the start, as newborns, and for some, not until we're seniors.

And while we've all experienced hard times, we're also a part of the solution. That's what KECC is about. We all have a vision, and we all need to help make that vision a reality: **That's our call to service.**

In my vision, Kentuckians are doing more than just getting by. Folks of every background are thriving, and everyone's got a chance to succeed.

No matter what your vision is, we can't get there unless we work together. There are too many challenges, too many hard times, and these days, we can't go it alone. Each and every one of us has had at least one person, or a lot of people, who gave us the right support at the right time.

Now it's our turn to give back, to pay it forward. Now is the right time, and KECC is our call to service. **Consider this a personal request, from me to you. Answer the call by making a pledge to the charity of your choice. Give through KECC, and make your vision a reality.**

Most sincerely,

Secretary Ambrose Wilson IV
Public Protection Cabinet
2015 KECC Chair

YES! I want to help my fellow Kentuckians.

- ✓ A pledge form will be provided by a campaign volunteer, a fellow state employee. Only one form is required, even if you decide to support more than one charity. You can also get a pledge form at **KECC.org**.
- ✓ Most people like to give through payroll deduction. It's easy and lets you spread your gift over the course of a whole year.
- ✓ Contributions can also be made with cash or check. Just clip them to your pledge form. Checks should be made payable to: KECC (Kentucky Employees Charitable Campaign).
- ✓ Remember that your contribution to KECC may be tax-deductible (check with your accountant to make sure).

Be a Leader!

One percent is all it takes to become a leadership giver! Every donation changes lives, but as you decide how you want to pledge this year, please consider joining the leadership circle. The chart below shows just how little it takes to make a big difference through leadership giving.

1% Leadership Giving By Salary Amount		
Salary	**Amount per paycheck**	**Total Gift**
$25,000 per year	$10.42	$250.08
$30,000 per year	$12.50	$300.00
$35,000 per year	$14.59	$350.16
$40,000 per year	$16.67	$400.08
$45,000 per year	$18.75	$450.00

Want to do more?

Become a Cornerstone Society Member.

If you want to make an even bigger difference in your community, KECC has a unique leadership program just for you. It's called the Cornerstone Society. Any pledge of $1,000 or more is considered a Cornerstone Gift. That's just $41.67 or more per paycheck. Talk to your KECC coordinator about obtaining a Cornerstone Society pledge card, fill it out and turn it in. It's that easy, and it will help so many!

"Why should I release my name?"

When KECC sends payment to the charity of your choice, they only know who made the gift if you give us permission to release your name and contact information on the pledge form. If your pledge is directed to one or all of the KECC Charities, they will not use or release your information in any way other than to thank you.

Why the KECC Charities?

The KECC Charities undergo rigorous scrutiny by the Personnel Cabinet and have met stringent guidelines. They are well-managed and accountable and they help people right here in the Commonwealth.

These federations represent over a thousand charitable programs, and when you flip through the following pages, you will find that they touch all our lives.

Whether you know someone struggling to regain mobility after an accident, a family member who recently lost their job, a loved one who is suffering from Alzheimer's Disease, or you want to make sure your kids start school ready to succeed...your pledge can help make the difference.

Most importantly, 100% of collected pledges goes directly to help others when you give to one of the partner charities.

march of dimes

United Way United Way of Kentucky

WHAS CRUSADE FOR CHILDREN

Can I give to other charities?

Yes, however, since the partner charities pay all KECC expenses, there is a 10 percent fee charged to non-partner charities to help offset the processing costs of these pledges. To avoid this, you may wish to donate directly to that charity or consider giving to one of the KECC partner charities.

You may direct your gift to any 501(c)(3) organization by providing KECC with their address on the pledge form.
To help hold down administrative costs, these gifts to other "write-in" charities must be at least a $50 cash gift or a payroll gift of $3 per paycheck.

What is 'pledge loss,' and how does it affect my payroll deduction donation?

Sometimes state employees make good-faith payroll deduction pledges to various charities through KECC, but are unable to fulfill them. In most cases, these employees retire or change careers before their payroll deduction pledge is fulfilled. Because of this, KECC does not receive the full donation. The campaign cannot pass along funds it does not collect to the charities; therefore, all the charities share the actual amount of the pledge loss on payroll deduction pledges. The percent uncollected each year is small, averaging eight percent.

When will the charity of my choice receive the contributions I make?

Cash pledges are sent in the first quarter following the end of the campaign. Because payroll deductions allow you to spread your donation over the course of a year, we put your gift to use right away -- donations to the partner charities are sent quarterly. Other "write-in" designations will be sent once all of the payroll deductions have been collected. Questions? Get the facts! Call us at 502-589-2296.

CHRISTIAN APPALACHIAN PROJECT

Christian Appalachian Project

Over 50 Years of Dedicated Service

The **Christian Appalachian Project** is committed to serving people in need in Appalachia by providing physical, spiritual, and emotional support through a wide variety of programs and services such as **Disaster Relief, Housing and Home Repair, Grateful Threadz clothing bank, Elderly Services** and **Summer Camps**, to name a few.
For a full list of the services we provide, check out our website:

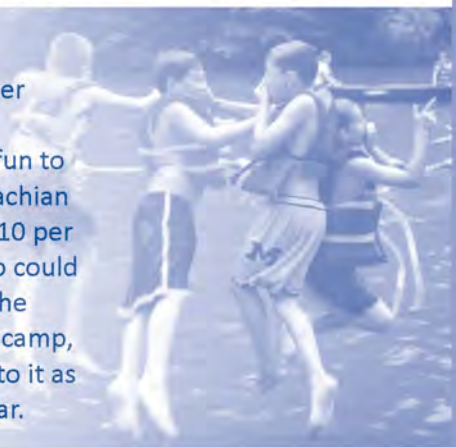
With YOUR help CAP makes a difference!

Summer Camps



Every year, CAP offers two summer camp programs that provide a rewarding week of learning and fun to as many as 1,000 or more Appalachian children. With a charge of only $10 per child, the camps serve those who could otherwise not be able to afford the opportunity to attend a summer camp, and many children look forward to it as their only vacation during the year.

Disaster Relief

Weather is unpredictable and, as a result, storms can paralyze a geographic region in a matter of minutes. CAP's Disaster Relief program organizes volunteers to respond to the needs of those impacted by a natural disaster. Responses may include everything from home and property clean-up, to providing and distributing emergency disaster supplies.

Grateful Bread Food Pantry

Currently CAP serves over 2,400 people each month who live in poverty. In Rockcastle County alone, that includes over 25% of the general population and 32% of the children. When parents are trying to find ways to feed their kids, CAP helps.

COMMUNITY HEALTH CHARITIES℠
KENTUCKY

MAKE A DIFFERENCE

Hayden Siler might look like your average third grader – the 8-year-old likes to dance and loves being a big sister. Deep in her heart, though, Hayden is an artist. For nearly two years, Hayden, who has Cystic Fibrosis, has created one-of-a-kind abstract paintings, which she sells at auctions and art shows to benefit the Cystic Fibrosis Foundation. "I get really excited when people buy my paintings. Sometimes I jump up and down," Hayden said. "When people buy the paintings, I know they are helping me and kids like me."

To date, she has sold 17 works and has raised more than $6,500 to help support the search for a cure.

Cystic Fibrosis (CF) is a life-threatening genetic disease that primarily affects the lungs and digestive system. An estimated 30,000 children and adults in the United States (70,000 worldwide) have CF. The Cystic Fibrosis Foundation is the world's leader in the search for a cure for CF. The Foundation funds lifesaving research and works to provide access to quality, specialized care and effective treatments for people with CF. Nearly every CF drug available today was made possible because of Foundation support. Through its efforts, the life expectancy of a child with CF has doubled in the last 30 years, and research to find a cure is more promising than ever before.

Thank You for helping make a difference in mothers, fathers, children, and families lives through your contribution and support for CHC!

KOSAIR CHARITIES

Protecting the Most Precious Gift of All

Kosair Charities mission is to protect the health and well-being of children in Kentucky and Southern Indiana by providing financial support for clinical services, research, pediatric healthcare education and child advocacy.

KOSAIR CHARITIES

In 1923, a group of Kosair Shriners — doctors, lawyers, and community leaders — established **Kosair Charities**. Their mission was to provide quality health care and advocacy for children who had nowhere else to turn. They accomplished this mission first through the operation of the old Kosair Crippled Children Hospital, and since 1981, by supporting non-profit agencies who work to protect and serve the health and wellbeing of children across Kentucky and Southern Indiana. Last year more than 80 agencies serving children received funding from Kosair Charities. The Sam Swope Kosair Charities Center at 982 Eastern Parkway and Bluegrass Parkway East Campus continue to be a resource for children and families, housing 14 agencies, rent free, that provide a broad range of medical and advocacy services to children and their families. After more than ninety years of operation, Kosair Charities remains firmly committed to serving and protecting children in this community.

In addition to the gifts and grants made throughout the year, Kosair Charities Special Kids Program provides financial assistance to ensure kids receive the healthcare they critically need when their families are unable to pay. Today, with the support of Kosair Charities, hundreds of children have overcome extraordinary medical conditions and are now leading happy, healthy lives.

Through your generosity, we are able to serve our Kosair Kids® and their familes through grants to these agencies and many more:

- Boys and Girls Haven
- CASA, River Region, Bullitt County & Heartland
- Down Syndrome of Louisville
- Epilepsy Foundation of Kentuckiana
- Heuser Hearing & Language Academy
- Home of the Innocents
- Kentucky School for the Blind
- Special Olympics Kentucky
- Visually Impaired Preschool Services
- USA Cares

For more information about our Kosair Kids®, visit ***www.kosair.org***.

For over 90 years, *Kosair Charities* has been reaching out to children who need special care, giving them the chance to live their dreams. They touched our hearts – we touched their lives.

Greater Kentucky Chapter

working together for stronger, healthier babies

Every year in the United States, more than half a million babies are born too soon, over 7,000 of them right here in Kentucky. With your help, we work to improve the health of babies and support families if something does go wrong.

The March of Dimes Greater Kentucky Chapter has one goal: to help babies in our community start life in the healthiest way possible. Through education and intervention, we help moms-to-be learn how to take care of themselves before, during and after their pregnancy.

We are also there when things don't go as planned, providing comfort and information to families when a baby is born too soon.

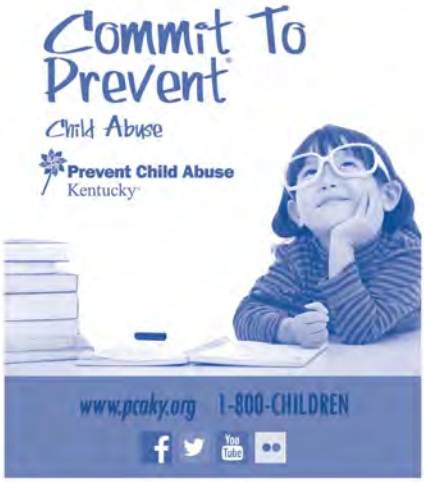
Thank You State Employees!



Prevention Works!

It is the only cure for child abuse. That's why PCAK's work: public awareness campaigns, parent education and support programs, trainings and community-based programs are all focused on child abuse and neglect prevention.

OUR MISSION

To prevent the abuse and neglect of Kentucky's children.

Prevent Child Abuse Kentucky's Works Include:

- 1-800-CHILDREN helpline
- Educational resources addressing topics such as strategies for dealing with parental stress, child development, and discipline
- Experts who can train your group or community on pediatric abusive head trauma, recognizing and reporting child abuse, child sexual abuse, Internet safety and more
- Awareness campaigns such as Never Shake a Baby, Commit to Prevent, Pinwheels for Prevention and Child Abuse Prevention Month
- Statewide Parent Education and Support Groups
- Targeted outreach to fathers
- KIDS ARE WORTH IT! Conference – the Commonwealth's only statewide conference focusing on child abuse and neglect prevention
- Outreach with elected and appointed officials throughout the state – working to make policies better for our children
- Partners in Prevention Network: more than 100 partners – including individuals, groups, companies, schools, hospitals and associations all working together to keep Kentucky's children safe

Prevent Child Abuse Kentucky™

In 2014, 58,114 reports met criteria for further assessment or investigation by the Cabinet for Health and Family Services. Of those reports, 22,926 children were found to be victims of child abuse and neglect or in need of protection services.

— Kentucky Cabinet for Health and Family Services, TWIST Data 2014

Thank you for committing to prevent child abuse. Your financial commitments helped:

- Conduct 120 presentations educating 3,492 individuals on child abuse and neglect prevention.
- Serve parents and caregivers 14,396 times through parent education and support services.
- Equip 90,933 Kentuckians with educational resources and materials on topics such as parenting, discipline, never shaking a baby, and recognizing signs and symptoms of child abuse or neglect.
- Provide 382 individuals with support on 1-800-CHILDREN.

The following services were provided by PCAK during the 2013-2014 Fiscal Year.

#LIVEUNITED

United Way

UNITED WAY OF KENTUCKY

WHAT THIS PLACE NEEDS:

EDUCATION

Education Benefits Kids and Communities

Education is a cornerstone for success in school, work and life. It also benefits the whole community: High school graduates have higher earning potential, contribute more to their local economies, are more engaged in their communities, and are more likely to raise kids who also graduate, and go on to higher education or work.

United Way is about more than short-term charity for a few; we're about lasting solutions that build opportunity for all. We look at the big picture to assess which resources are lacking or need strengthening, then we address those gaps to keep kids on track to graduation and beyond.

In Kentucky, only half of our kids are prepared for kindergarten. That's not good enough. Every child deserves a good start in school and life. Through the work of many initiatives, including the United Way Born Learning Academy—which helps parents, grandparents and caregivers turn everyday moments into fun, educational opportunities for young kids—the 22 United Ways in the Commonwealth are bringing thousands of people together to solve the education puzzle and build stronger communities.

United Way helps people achieve financial stability

A good job benefits more than the job holder – it benefits his or her family, neighborhood and entire community. When we're on solid financial ground, we're more likely to have access to good-quality heath care, provide a good education for our kids, and contribute to our local economy. That's why United Way focuses on lasting income solutions (that go beyond charity) to help people build skills and education necessary to get, keep and advance in a good job. And that's why in Kentucky, we engage with dozens of partners from all sectors to offer financial wellness, coaching and planning to help anyone better manage their income, savings and assets.

Healthy communities are strong communities

Being healthy isn't just about personal diet and exercise choices. Healthy communities are ones that maintain parks and bike paths all across town, where all kids have access to safe playgrounds, eat healthy meals at school and engage in physical activity. Healthy communities support innovations like farmers' markets in low-wage neighborhoods to offer more access to fresh food. In healthy communities, everyone has access to good medical care, fosters an active lifestyle and encourages people to care for and support each other.

United Way is helping make it happen, with your support.

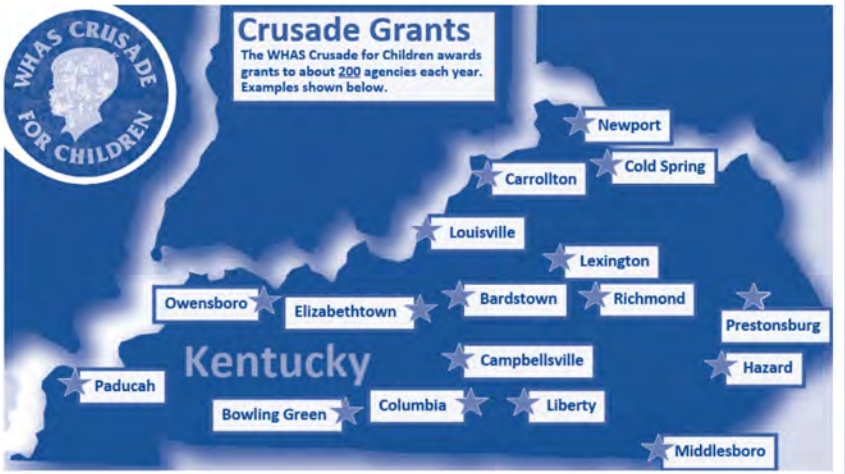
America's most successful local telethon!

The Crusade helps children in all Kentucky counties!



Our Mission

The WHAS Crusade for Children improves the futures of children with special needs by inspiring people to give and awarding grants.

One hundred percent of every donation made in Kentucky stays in Kentucky to help schools, hospitals, and agencies that provide direct services to children with special needs.

The Crusade has granted $165 million and helped millions of children.

The Crusade's annual average donations of $5 million are only able to fund one-third of the up to $15 million in grant requests from Kentucky schools, hospitals and agencies.
