• For after hours, there are instructions for seeking emergency care
Seeking Emergency Care:

- For emergencies, seek the care that you need from the nearest urgent care facility or hospital.
- For emergency treatment from a non-network physician, you may remain under the physician’s care if they agree to the terms of the program.
Non-Network Provider Requirements:

- Agree to terms of the program
- Meet credentialing standards
- Comply with UR
- Refer in network
- Initial treatment authorized from gatekeeper
What are Gatekeepers?

- Serve as initial entry point into the MHCP
- Provide initial treatment and authorize on-going care with a clear focus on RTW
- Gatekeepers represent: FP, GP, IM, DC, OM, PM&R and clinics
- Refer to network providers for specialty care
Treatment of Pre-Existing Injuries

• For an injury which occurred prior to the MHCP effective date, you may continue treatment with your current physician

• To change physicians, choose any MHCP primary care physician (FP, GP, IM, DC, OM, PM&R and clinics) as your gatekeeper physician

• If your physician refers you to another doctor, the referral should be to a Coventry Network provider/physician.
What to do First?

• Seek emergency care if needed
• Notify supervisor of injury
• Find a MHCP gatekeeper

• Your carrier/adjuster will:
  – confirm MHCP coverage
