SUBJECT: AikCU-sponsored 2009 Frankfort Internship Program

The Association of Independent Kentucky Colleges and Universities (AikCU) is currently selecting students for the 2009 Administrative Internship Program. Placement of students is scheduled for January 16 through April 15, 2009.

The Personnel Cabinet supports this program enthusiastically and will facilitate the process of placing these students in Executive Branch agencies.

I encourage you to participate in this valuable program and offer these outstanding students an opportunity to get hands-on experience in public service that may lead them to determine that Kentucky State Government is the “Employer of Choice.”

Attached is a fact sheet that you will need to follow to ensure proper processing of these interns.

Each intern must complete an application on-line in the Career Opportunities System to participate in this program.

If you have any questions please contact Rebekah Singleton, Co-Op/Intern Program Coordinator at (502) 564-5248.
