Re: Changes to Initial Probationary Periods

The Personnel Cabinet is in the annual process of requesting that the Personnel Board amend administrative regulation 101 KAR 1:325 to change the initial probationary period for certain job classifications when appropriate. The Personnel Cabinet requests that all agencies review the job classes that they utilize to determine if there is a need to extend or shorten any probationary period.

Please submit requests to change initial probationary periods in writing, signed by the agency head, to Jim Lambert (contact information below) no later than close of business on Friday, November 21, 2014. Your request should include a detailed rationale for the proposed change. The Personnel Cabinet will review agency submissions and make a recommendation to the Personnel Board on proposed changes for the December 2014 Board meeting.

As always, thank you for your attention to this important matter.
