Re: **Open Enrollment: Health Insurance Benefit Fair**

Virtual open enrollment benefit fair webinars are conveniently available on the Personnel Cabinet's Kentucky Employees' Health Plan (KEHP) website. Please visit the website, at <https://personnel.ky.gov/Pages/Member-Webinars.aspx>, to view these pre-recorded sessions from KEHP, Health Equity, SmartShopper, Anthem, Teacher's Retirement System (TRS), CVS, Hinge Health, Rethink Care, and WebMD.

The Personnel Cabinet will also be hosting an in-person benefit fair at the State Office Building on October 12, 2022, from 8:30 am to 3:00 pm.

At the benefit fair, employees can get a free flu shot, stop by the Hydration Station sponsored by WebMD, and connect with other KEHP health and life partners such as Anthem, CVS, Kentucky Public Employees Deferred Compensation Authority, HealthEquity, MetLife, Kentucky Employee Assistance Program (KEAP), LARK, Premise Health, and Hinge Health

A Kentucky Public Pensions Authority (KPPA) representative will also be available to answer retirement questions regarding health insurance.

Information will be available about health insurance plans, optional Anthem dental and vision insurance plans, life insurance, Health Reimbursement Arrangements (HRAs), and Flexible Spending Accounts (FSAs) offered by the Department of Employee Insurance for the 2023 plan year.

The fair is for the benefit of state employees and eligible retirees under age 65 that participate in any of the state-sponsored retirement systems.

We ask that you allow employees, upon request, up to one (1) hour to attend the benefit fair, with supervisor approval.
